Time is an element that we all know about. It seems rather hard to tell exactly what time is, but we all know that it does exist. We at HVJ have a way of expressing or showing our meaning of time through our many endeavors.

This year has been a time for learning, participating, helping, and a time for just getting that good old "Warrior Spirit."

The school year of '74 has been one of the best at Jenkins High. This was made possible by the individuals who took time out to understand and know their fellow men. It was also made possible by those who took time out to boost our football team on those cold, rainy nights and our basketball team when each dribble seemed impossible.

Not only were the students aware of the time, but our faculty members took the time out to understand each pupil and at times helped with many personal problems.

Each second, each minute, and each hour at Jenkins High has proved that time is a mystery that can be enjoyed!

When we attempt to look back into time, it is our hope that we shall all remember that very special time at HVJ in the school year '73-'74.

of time."***

Everyone's Pearl — Mrs. Pearl Friedenberg

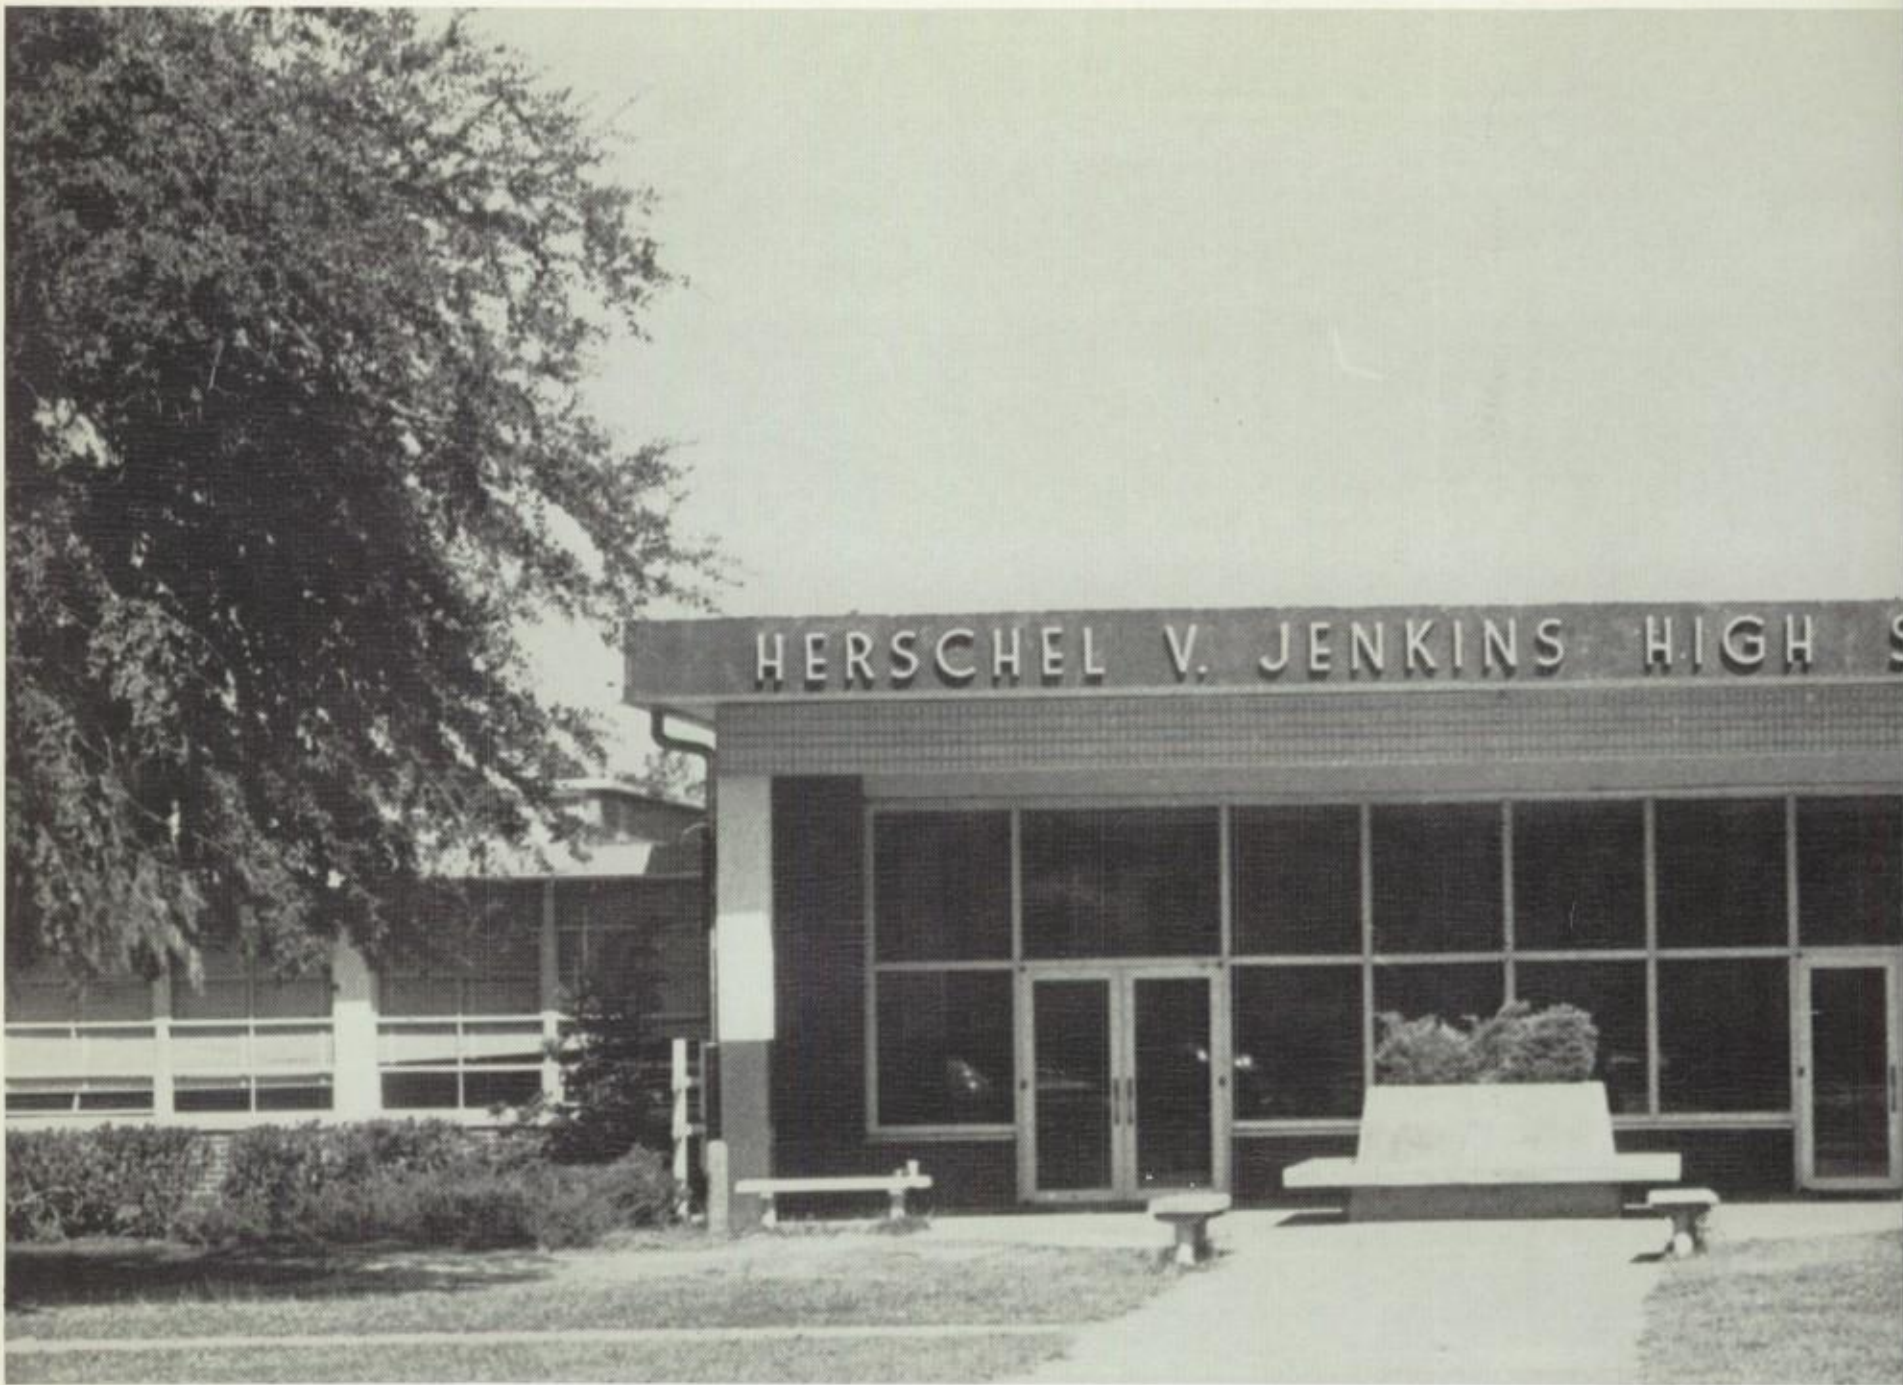

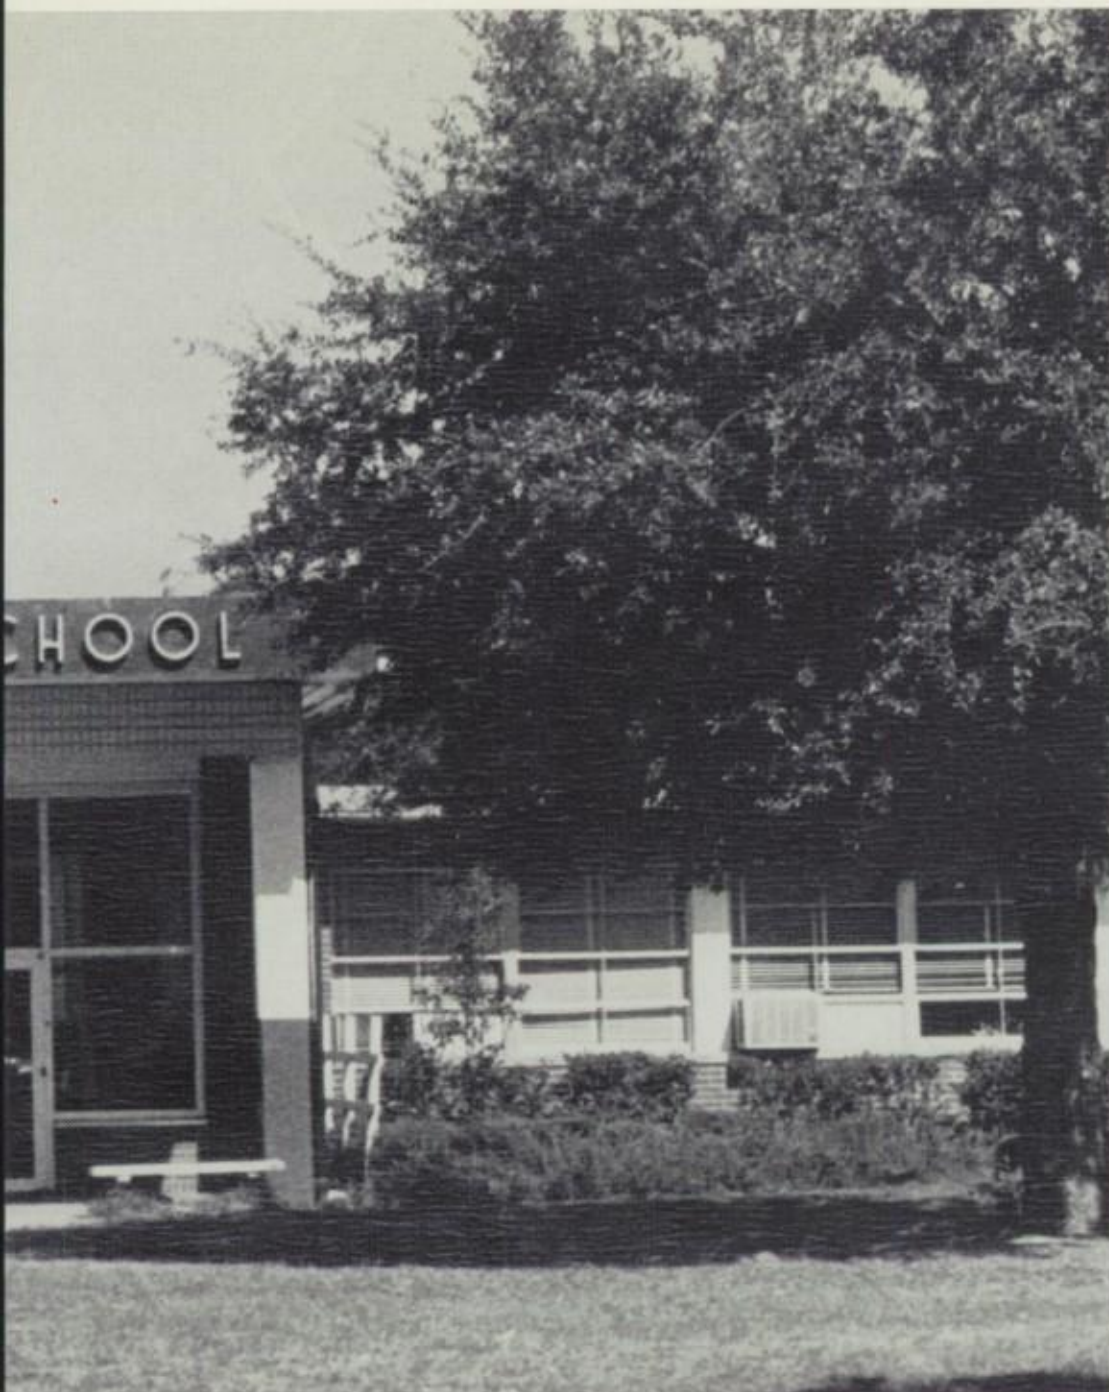

The Sequoyah Staff finds it only fitting to dedicate this year's annual to one who we feel greatly deserves it — Mrs. Pearl Friedenberg.

Mrs. Friedenberg has been Jenkins' yearbook advisor for the last four years. She has helped tremendously in bringing about a successful yearbook and has aided in every way possible, not only with the annual staff but with students' life.

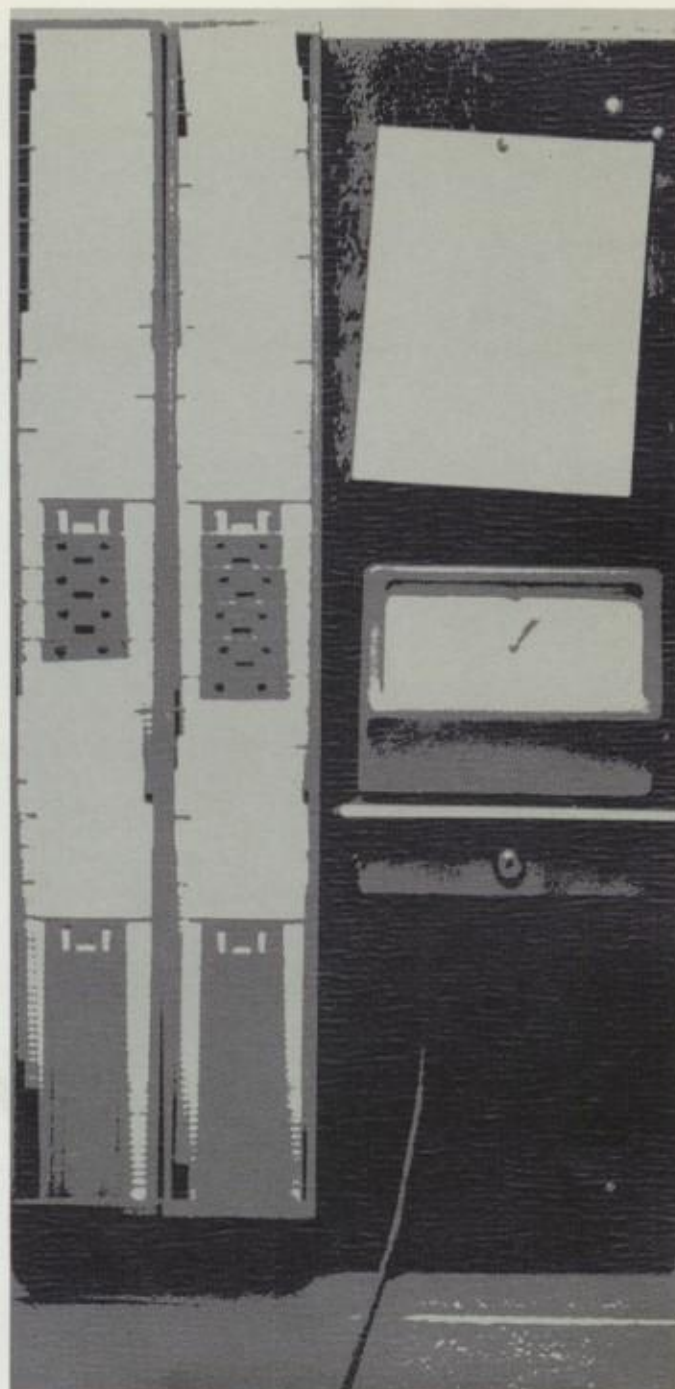

There have been times when there were tears shed by Mrs. Friedenberg in an effort to make the best a reality, and we do feel that now is the time to thank her for those tears and her encouragement over the last few years.

ADMINISTRATION ACADEMICS

H. V. Jenkins has one of the finest teaching staffs in the state of Georgia. There are approximately sixty-six faculty members who are highly educated and capable of doing their job to the fullest.

Jenkins is one of the few schools in Chatham County that offer not only required courses, but also advanced courses such as Advanced U.S. History, European History, Calculus, Advanced Algebra and Trigonometry and Physics — to name a few. These courses help college-bound students become acquainted with their major interest.

As time progresses, we have more and more opportunity to learn here at HVJ!

Reynolds Rules Reservation

This year marks the thirteenth year that Mr. James A. Reynolds has served as chief of the mighty Warrior reservation. He stated in an interview with one student that he expects all Warriors to conduct themselves as young ladies and gentlemen, to follow their schedule and to be in class on time. Mr. Reynolds is noted for his patience and understanding. However, Warriors know not to "get his Irish up."

We at HVJ have decided that with the help of Mr. Reynolds '74" will be the best.

Left: Our chief, Mr. James A. Reynolds. **Above:** Mr. Reynolds addresses the first PTSA meeting.

New Ass't Principals Create New Atmosphere

Skipping class at Jenkins has come to be a very rarely done thing, thanks to our new Assistant Principals who wholeheartedly believe in law and order.

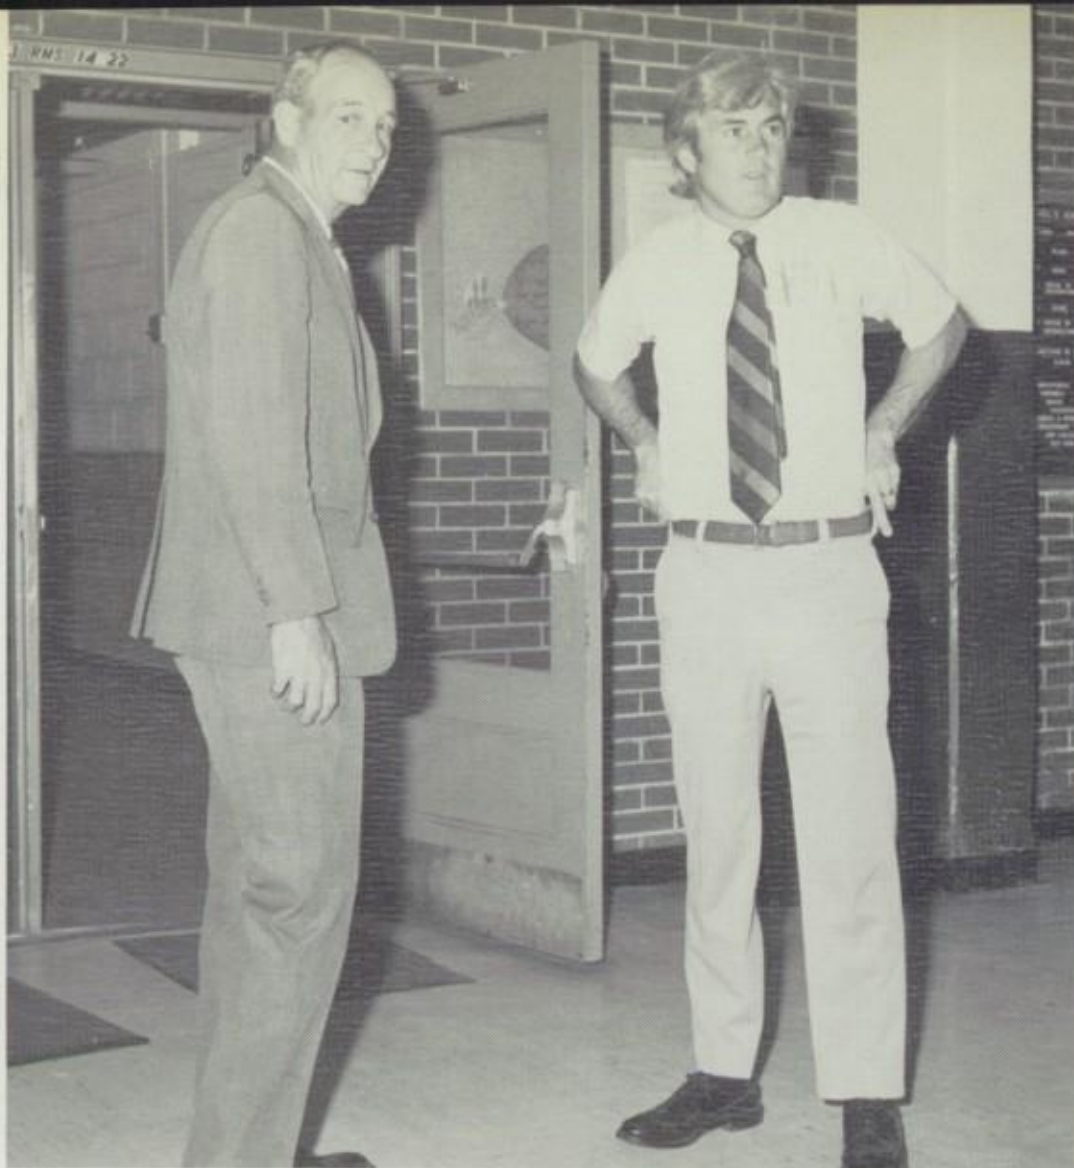

Warriors, both young and old, are finding out the fringe benefits received after cutting a class or doing any other mischievous deed.

Mr. Berksteiner, who is constantly patrolling the halls, has come to be a well-known symbol of authority and justice. He feels that students should cooperate with teachers, attend their classes, and by all means be in class when it begins.

Mr. Mahany, another new arrival on the Warrior Reservation, contributes his fair share as assistant principal. Among his many duties are checking attendance and maintaining an inventory of textbooks.

Above: Alex Luten and Samuel Houston find out that confession is good for the soul. **Upper left:** Don't look now — but I think we just took a picture together. **Upper right:** "Hey Goodlooking!" "Who Me?"

Counselors — Who Needs Them?

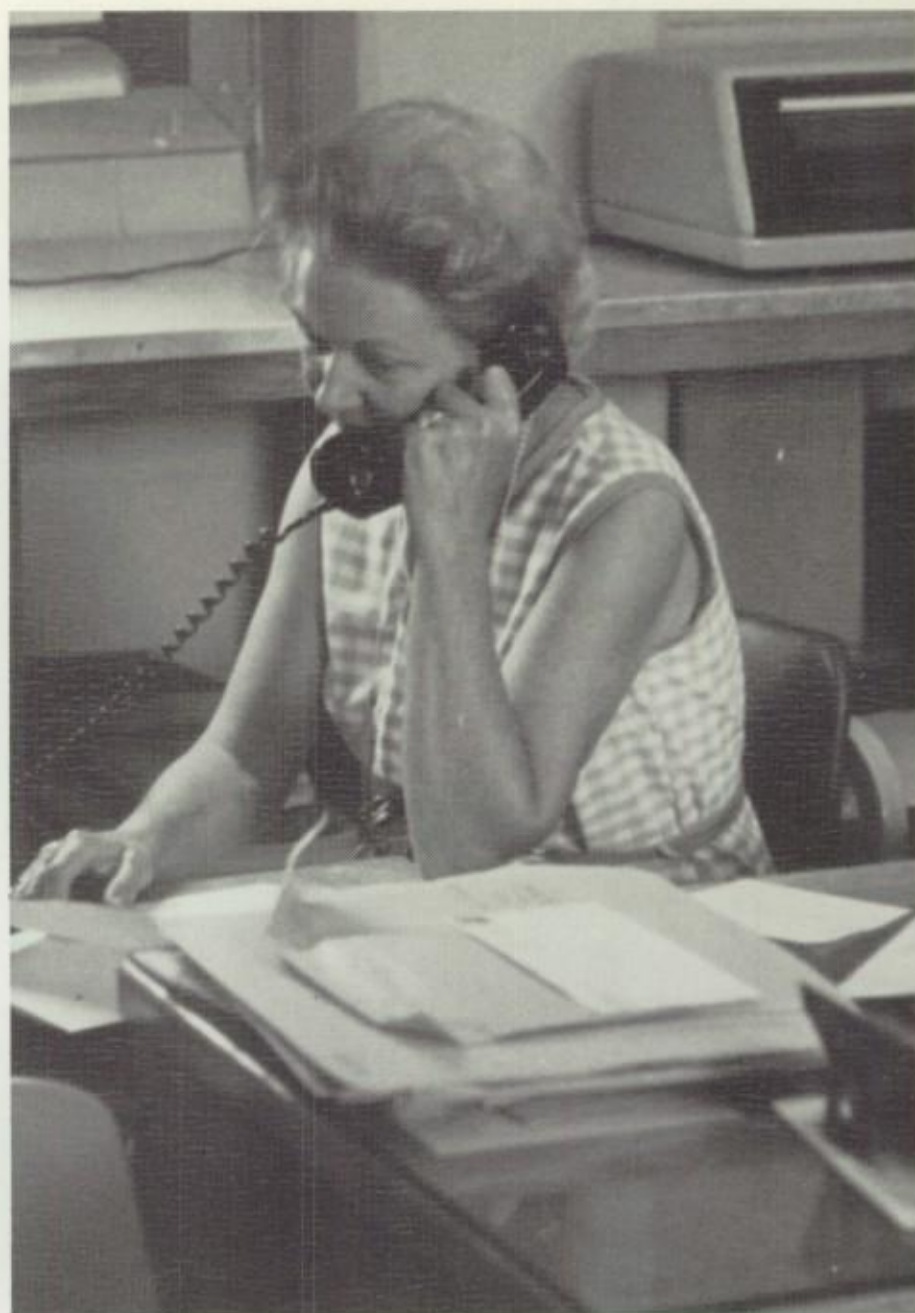

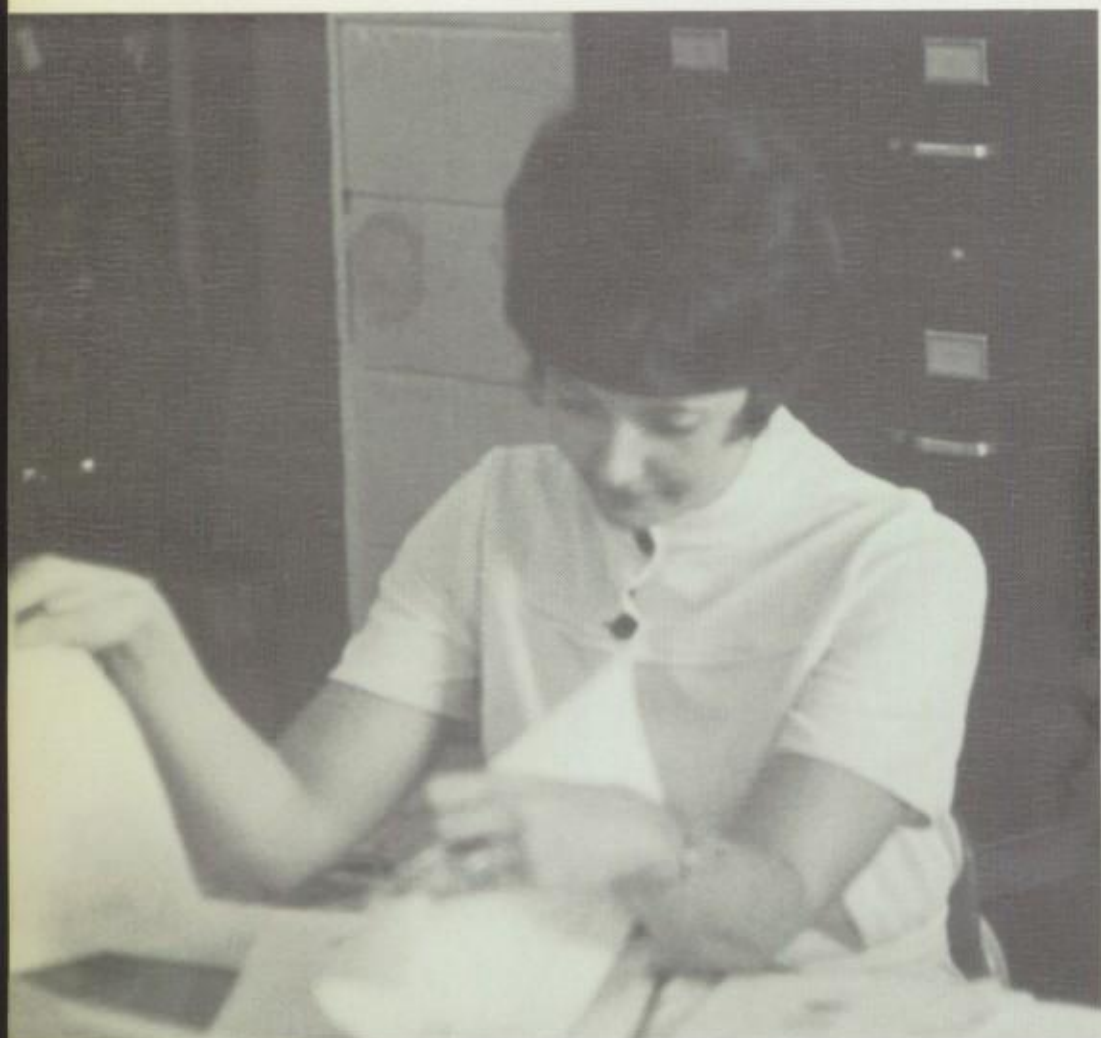

We do! They're our friends, older persons who listen to our problems and help us to solve them.

The students at H. V. J. realize that "counselors" is not just a word we put on a hall pass. The counselors play a very important part in the school life. They help many students to work out a good schedule and to find part-time jobs. When the seniors are having difficulty deciding what to do after graduation, the counselors are there with good advice.

The three counselors helping us this year are Mrs. Miller, Mrs. Argroves and Mr. Fowler. A terrific trio with a great secretary, Mrs. Patton.

Hollywood comes to HVJ

Class life at HVJ would be much less interesting if it wasn't for those dependable young men in the Audio-Visual Department.

Whenever a film projector is needed or something goes wrong with one of the machines, there is always somebody ready to fix it.

In addition to distributing films and projectors in a very efficient way to our classrooms, the Audio-Visual Team is always busy keeping the equipment in good repair.

Upper: Charles Thigpen works to repair a broken tape-recorder. **Above:** Phillip Hill and Wendell Hill relax while off duty.

Library Can Help You Get It Together

What better way to spend your time than relaxing while reading a good book. This is a pleasure which can benefit you in the future.

Students have the opportunity to select and read the book of their choice from our up-to-date library.

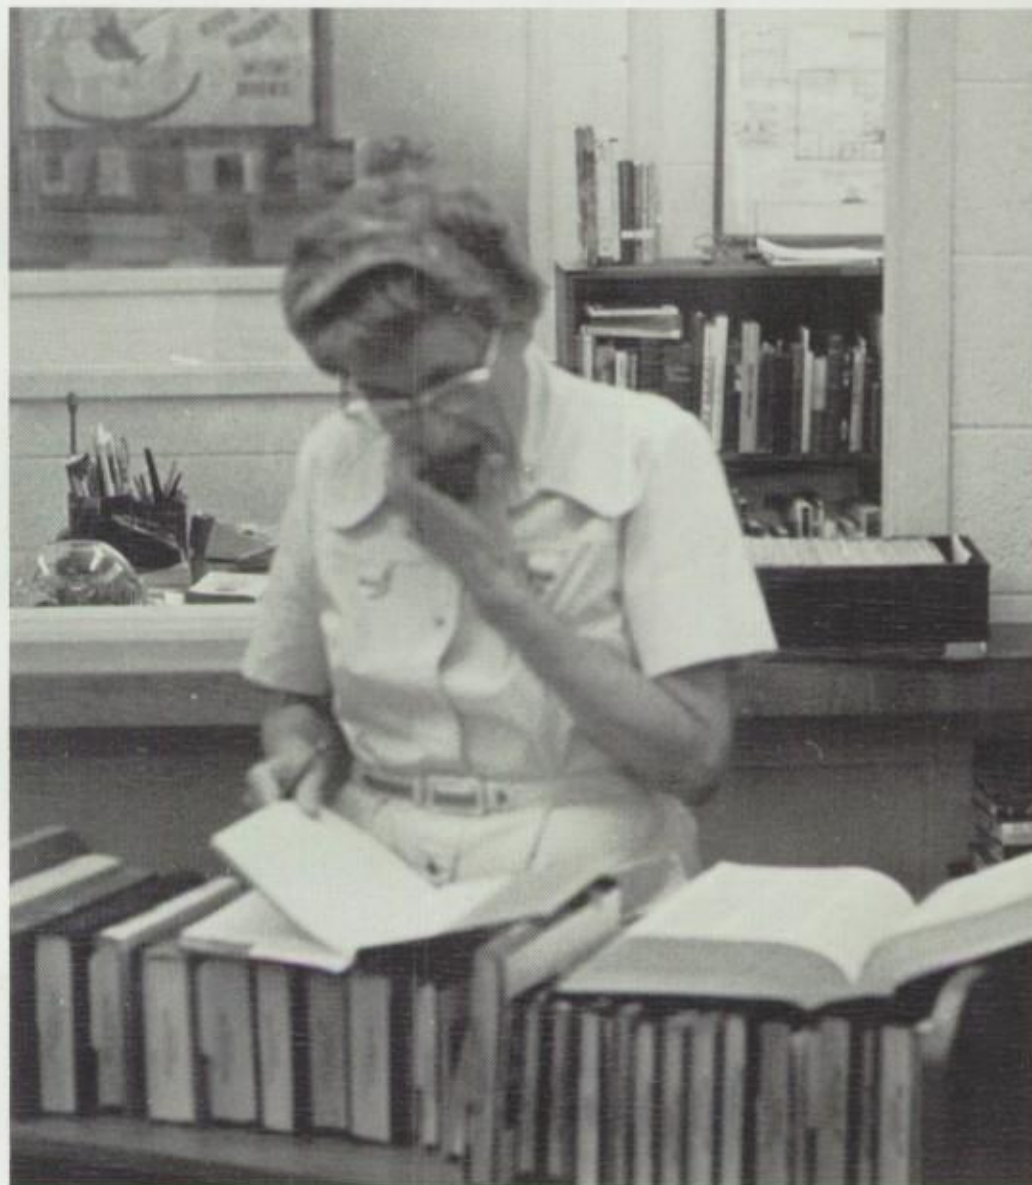

No card is necessary. If you wish to check out a book, all you need to do is sign your name. It's as simple as that!

When you're having problems about finding a certain book which your teacher assigned you to read (without even consulting you beforehand), don't have an emotional breakdown, just go to the desk where one of the librarians will be more than happy to assist you.

Remember, that's part of their job, so don't be afraid to ask for help.

Above: Mrs. Mallory — at your service. **Upper Right:** Students take advantage of Peace and Quiet. **Right:** Mrs. Burts takes a snack while checking books.

Infirmary Finally Re-Opens!

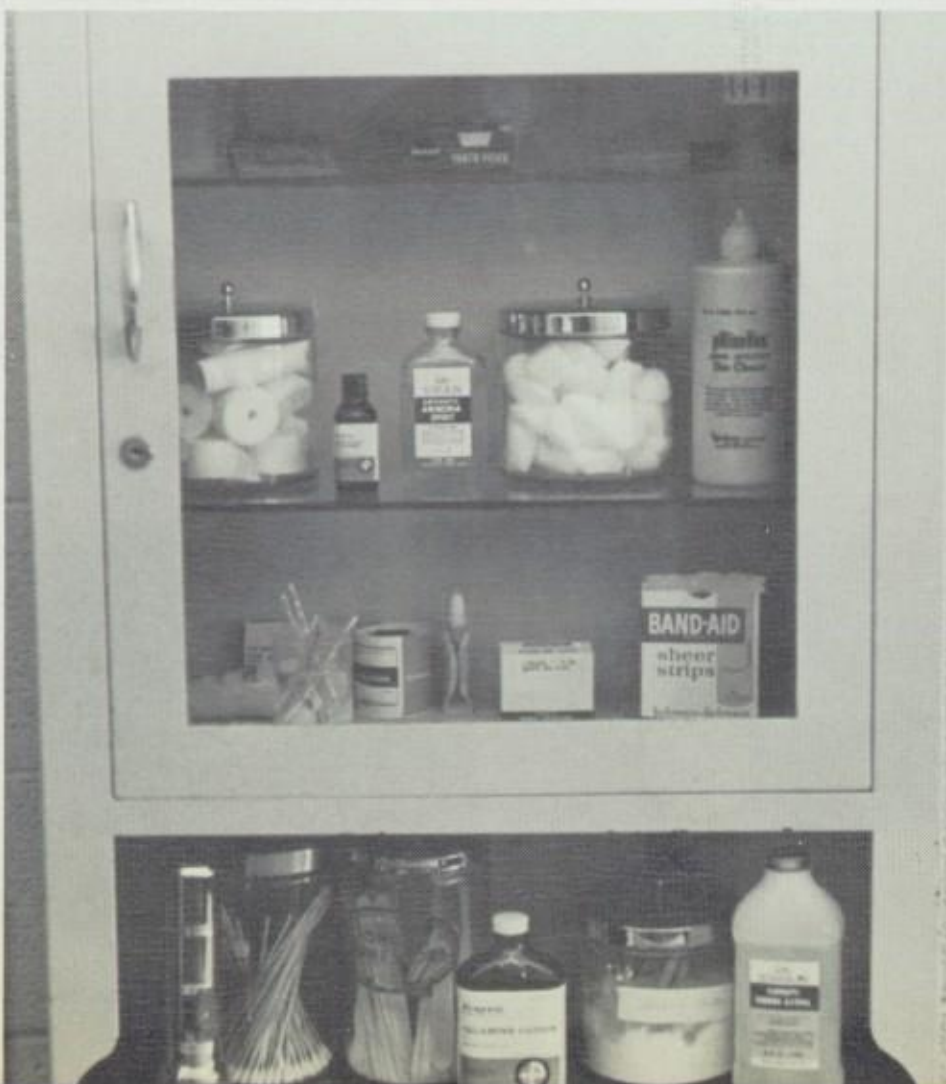

What a way to spend a period! Students of good old H. V. J., after serving the 1972-73 year without medical privileges, are finally able to knock on the Infirmary door and be answered by a real live nurse.

Mishaps are few in number with the exception of an occasional sprained ankle, broken finger or just plain old stomach ache.

Mrs. Kahrs, the new addition to the staff (better known as the nurse), was previously employed at Georgia Regional. According to her, this is her first year working with Young High School Students, but it won't be her last.

Above: Mrs. Kahrs takes time out from her busy schedule to rest. **Upper Left:** Nurse gives aid to an ailing Warrior. **Left:** All the things a nurse can ask for.

Upkeep is the Name of the Game

There's no paper on our school grounds,
But that's not due to us.
And the floors of the halls are so
Bright and clean,
Not a sign of dirt or dust.

At HVJ when it's hot sometimes, we don't
Always obey the rules.
But our campus stays sharp, because we rely
On the people who clean our school.

Parents, Teachers, Students Set New Goals for HVJ

The P. T. S. A. of Jenkins High School has done a lot to unite our school.

First of all, the students were really involved in committee work, and they gave a great deal of help in planning the year's activities.

The P. T. S. A. sponsored two dances and planned other activities for the parents, teachers, and students to enjoy.

Upper Right: Parents and Students get involved in P. T. S. A. **Center:** First P. T. S. A. meeting produces big turnout. **Above:** Mr. Reynolds and Mr. Mahany talk with parents. **Right:** Mr. Leaf, president of P. T. S. A., discusses the increase of enrollment of both parents and students.

The Board of Education is made up of a chairman elected from the county at large and members representing the various school districts: Mr. Julian C. Halligan, president; Dr. Robert H. Moreland, vice-president; and Mrs. Martha D'Anna, Capt. Robert Funk, Mrs. Esther F. Garrison, Dr. William S. Gustin, Mr. J. M. Hoover, Dr. William Frank Stokes II.

The Board works closely with the Superintendent of Schools, Mrs. Saxon Barger, and with the principals of the various schools to create a progressive school program for Chatham County.

Should English Be Required?

One course in English is required every school year. Why? Why do we study English? Should it be required?

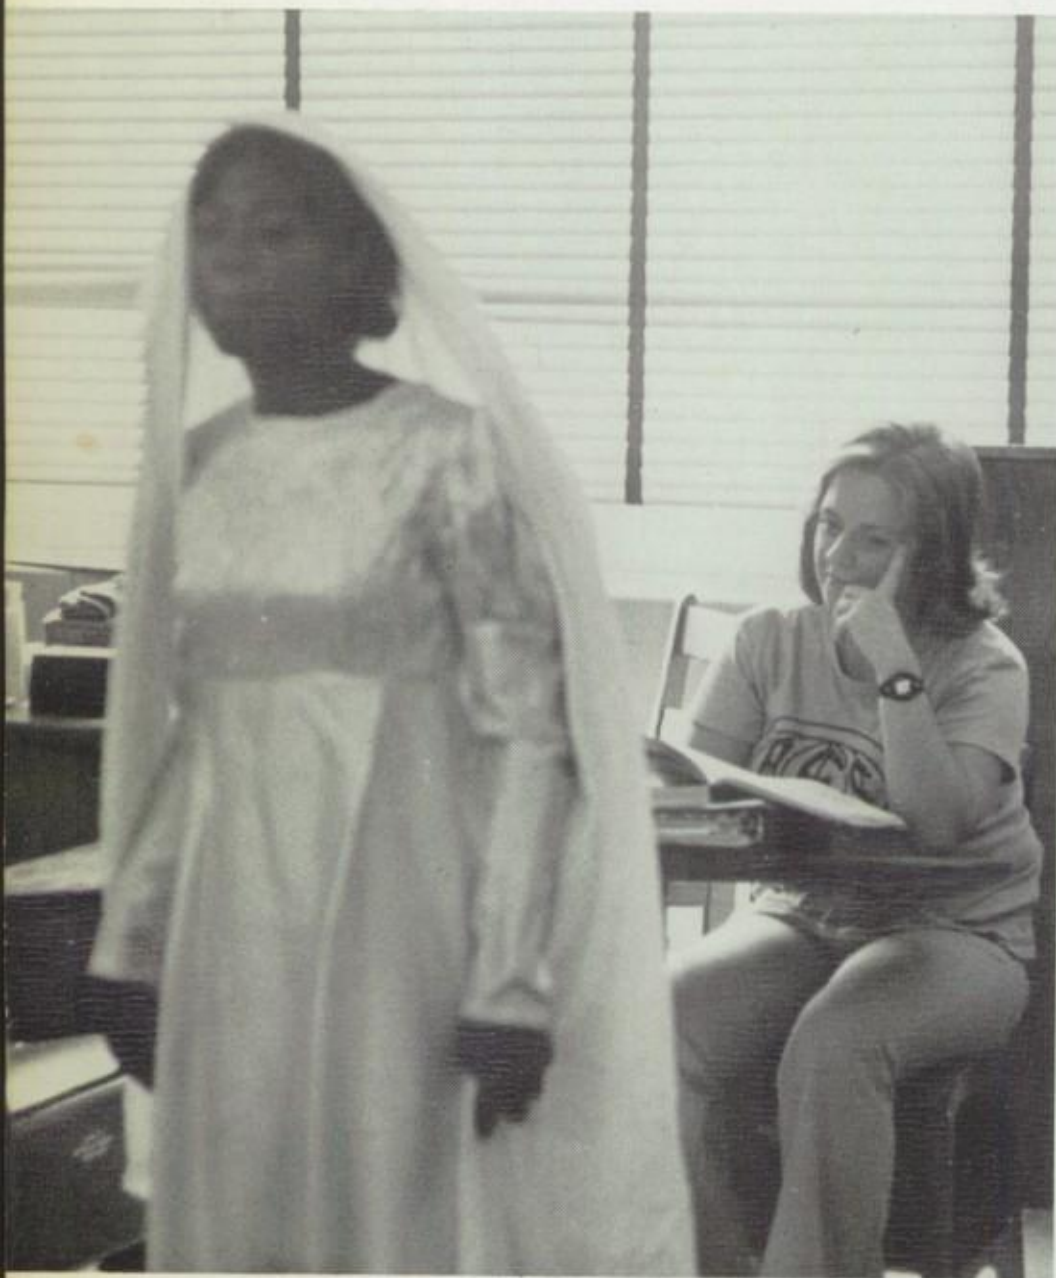

We study English to learn to express ourselves well in our native language. English has to be a required subject because after one year in some rooms, one wouldn't ever sign up for it again. Seniors at HVJ have a choice. They can select one literature course and one grammar course. Although the program is only in its second year, it has proven to be very successful. Some students even sign up for extra courses.

Communication through Different Languages

The students of HVJ not only study their own American tongue, but are also given the opportunity to learn communication in other languages.

To aid in their success of understanding people from different lands, French and Spanish are offered to all young Warriors whose interests happen to point that way.

Studying a language is not just a means of learning another way to say "hello" or "good-by", but it gives the student a chance to enjoy and understand the beliefs, culture, and life of other nations. Mutual understanding — long needed in the world — is our goal.

The school year of '73-'74 proved in many events to be a very sad year. It went from the sighting of more flying objects to the seeing of no flying at all because of a nation-wide energy crisis.

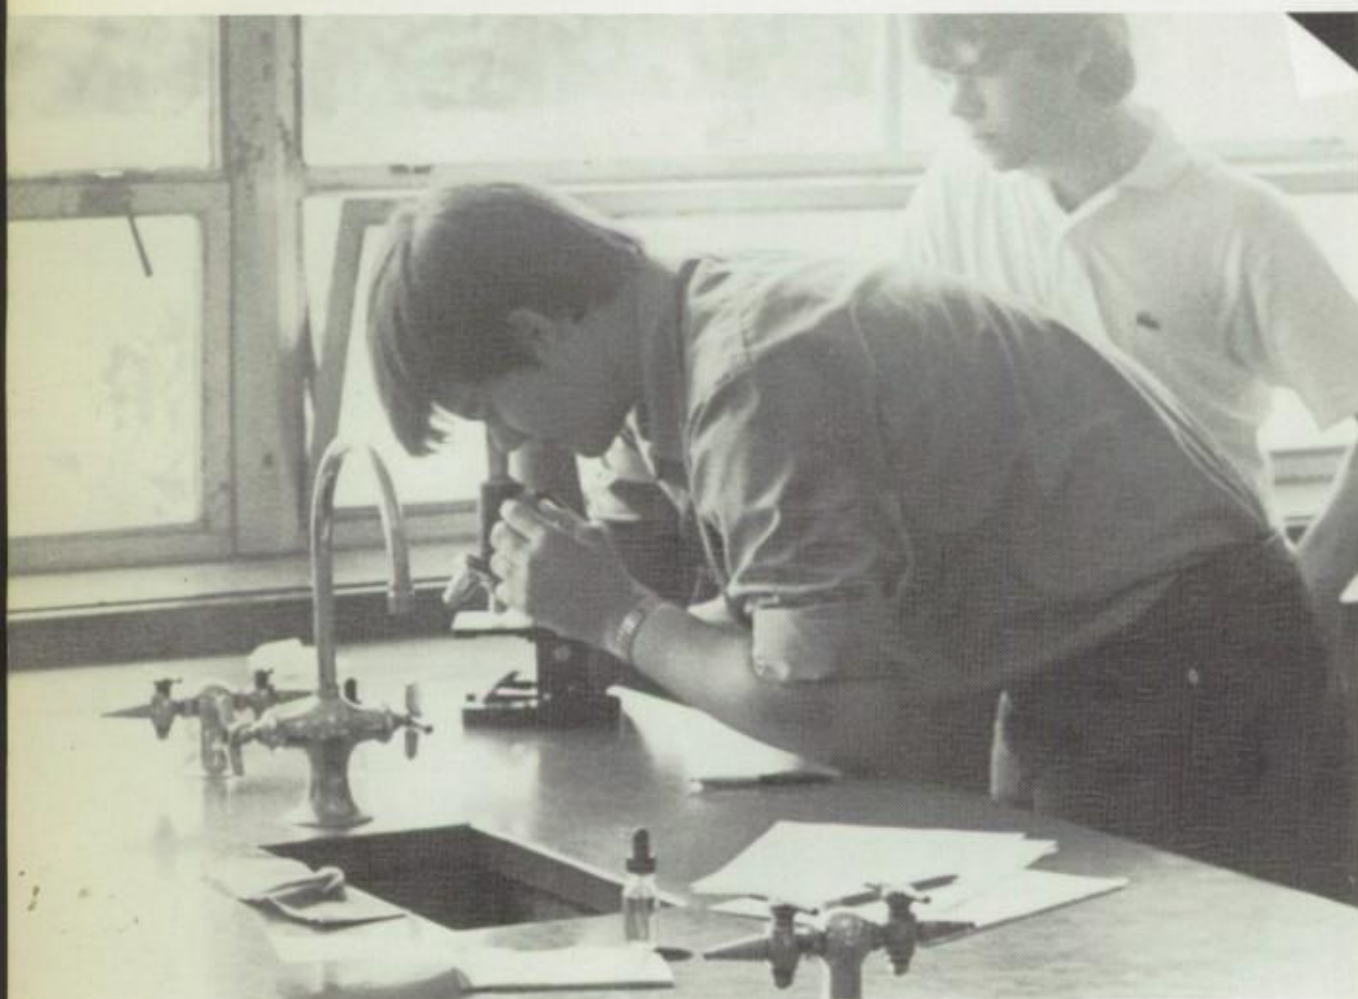

How did these historic events affect the students at HVJ?

Students began to wonder if getting that new car for Christmas was such a good idea. Many people had such hard times obtaining gas that they started riding bicycles. Gas limitations dampened many spirits and called off many dates. The bicycle business boomed, and Cadillac became a dirty word.

The drive to conserve energy was so great that it promoted the extension of Daylight Savings Time. Many will long remember the walk to the bus stop in the dark early in the morning. The thought that made the year bearable was knowing that the situation had to get better. After all, if one is at the bottom the only move he can make is up.

Upper: Yes, No, Maybe so. Left: Another Day, another empty pump. Above: Students mount bikes for the long journey home.

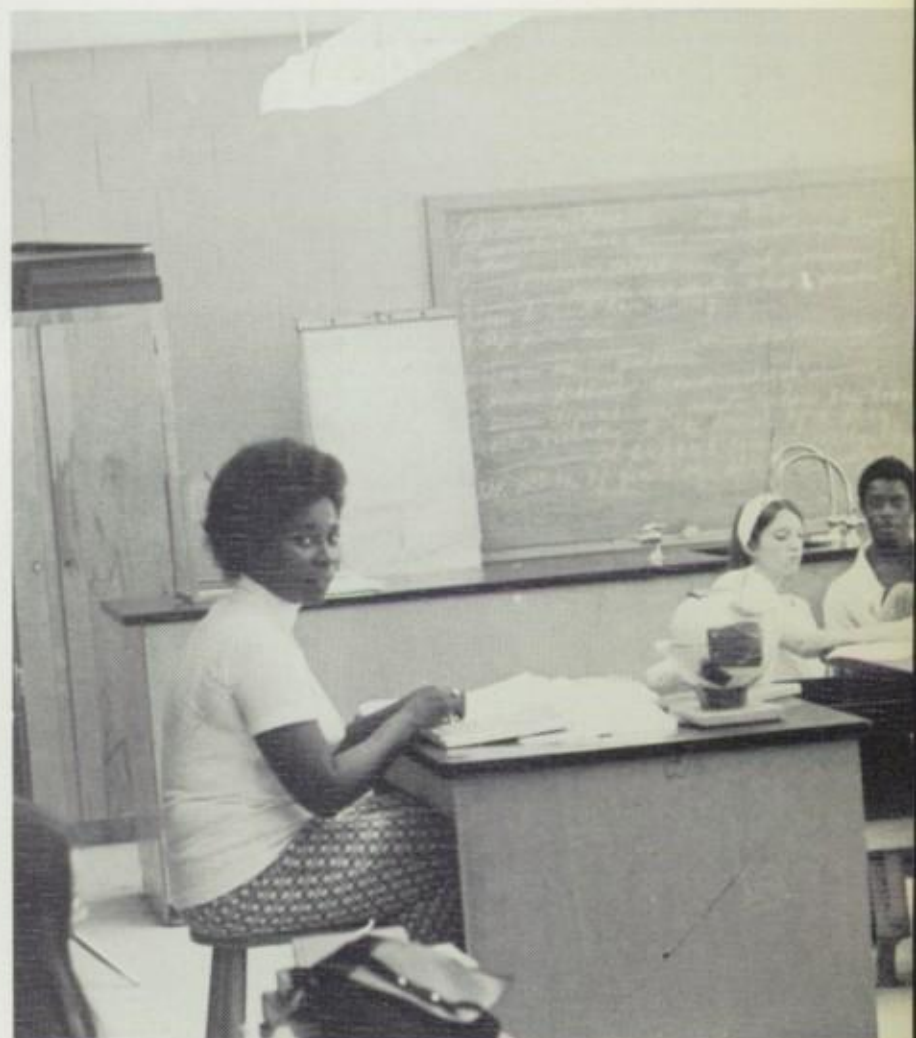

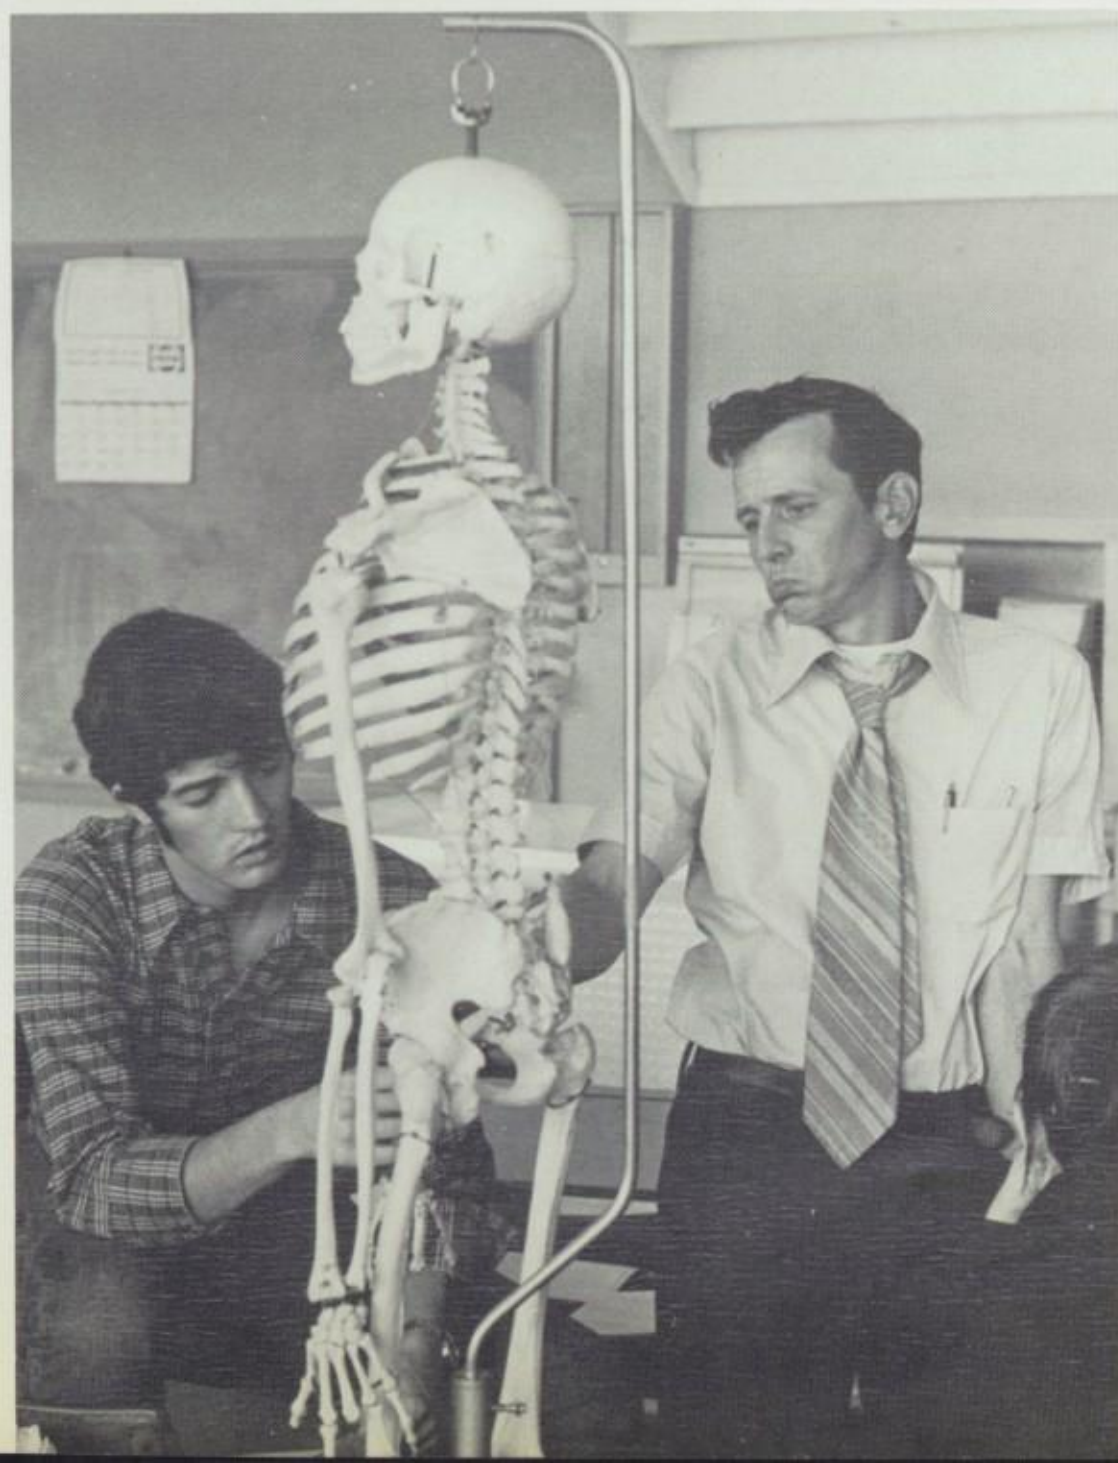

We Offer More — We Must Be Better

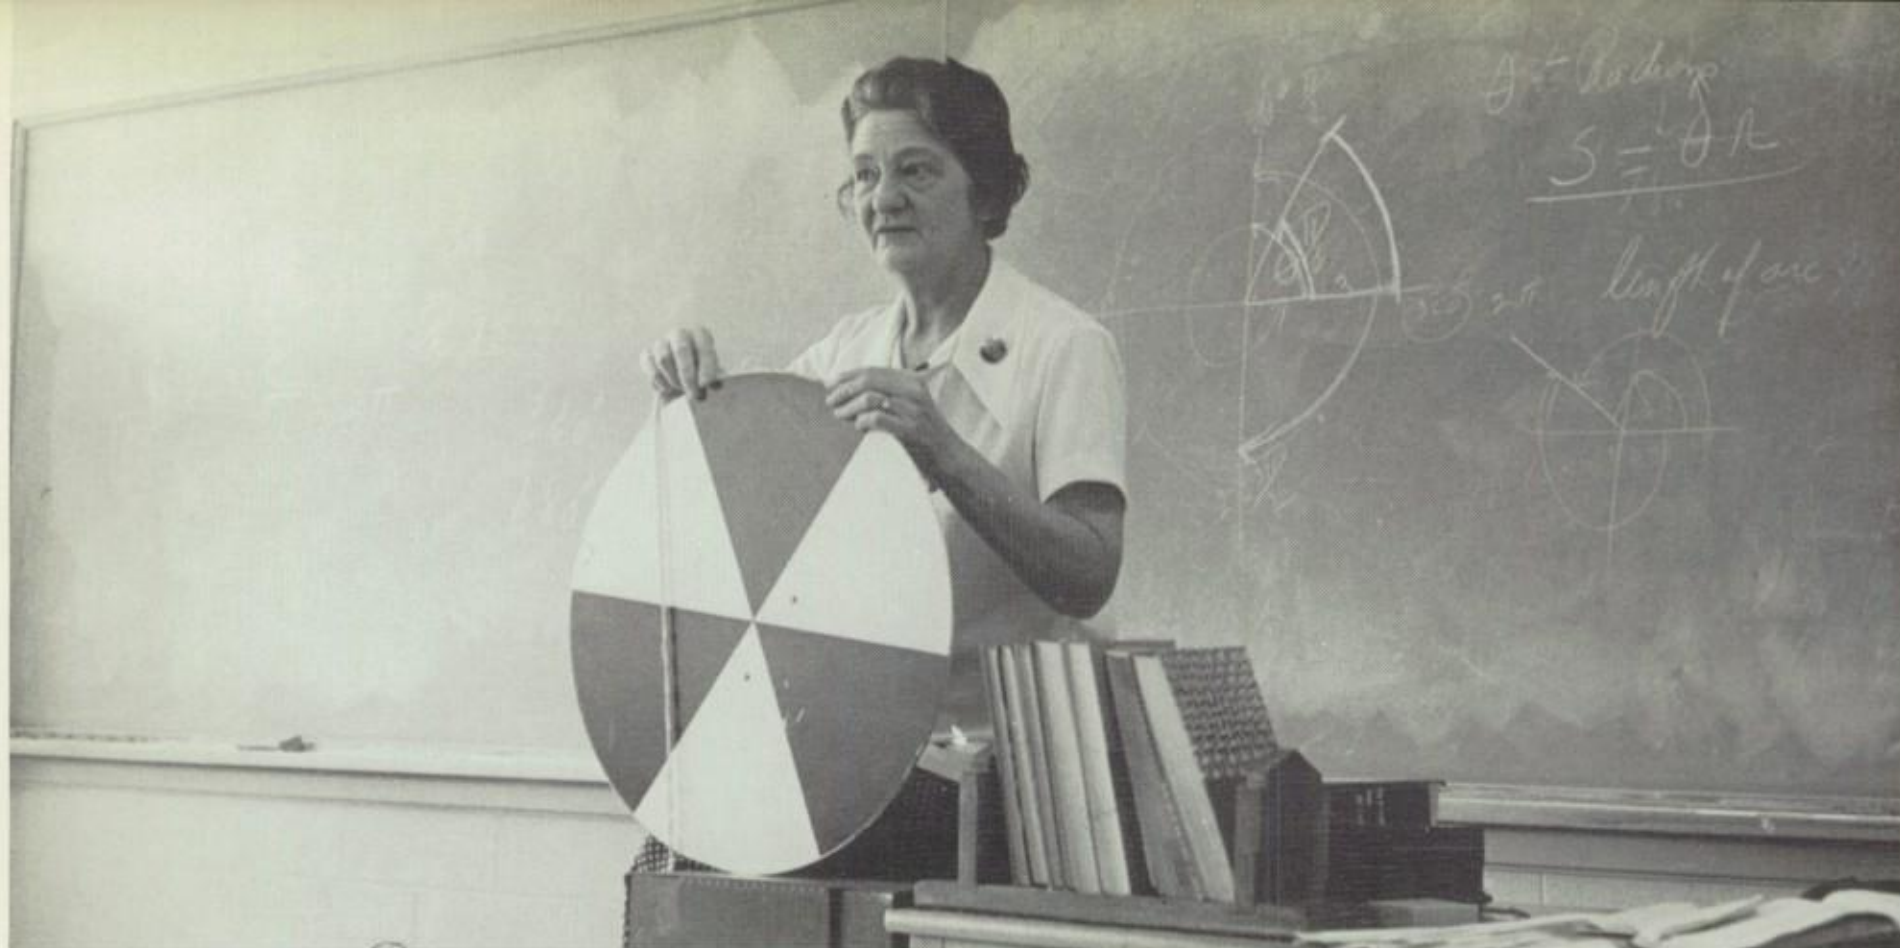

The Science Program at HVJ covers more ground than one can imagine. The Department offers every course from Life Science to Physics. The courses have proven to be very beneficial to most students and many students even enjoy their classes.

The main objective of the department is to give students a basic understanding of natural phenomena and to prepare them for future educational opportunities. The Department is doing a great job and deserves our congratulations!

A Math for Everybody

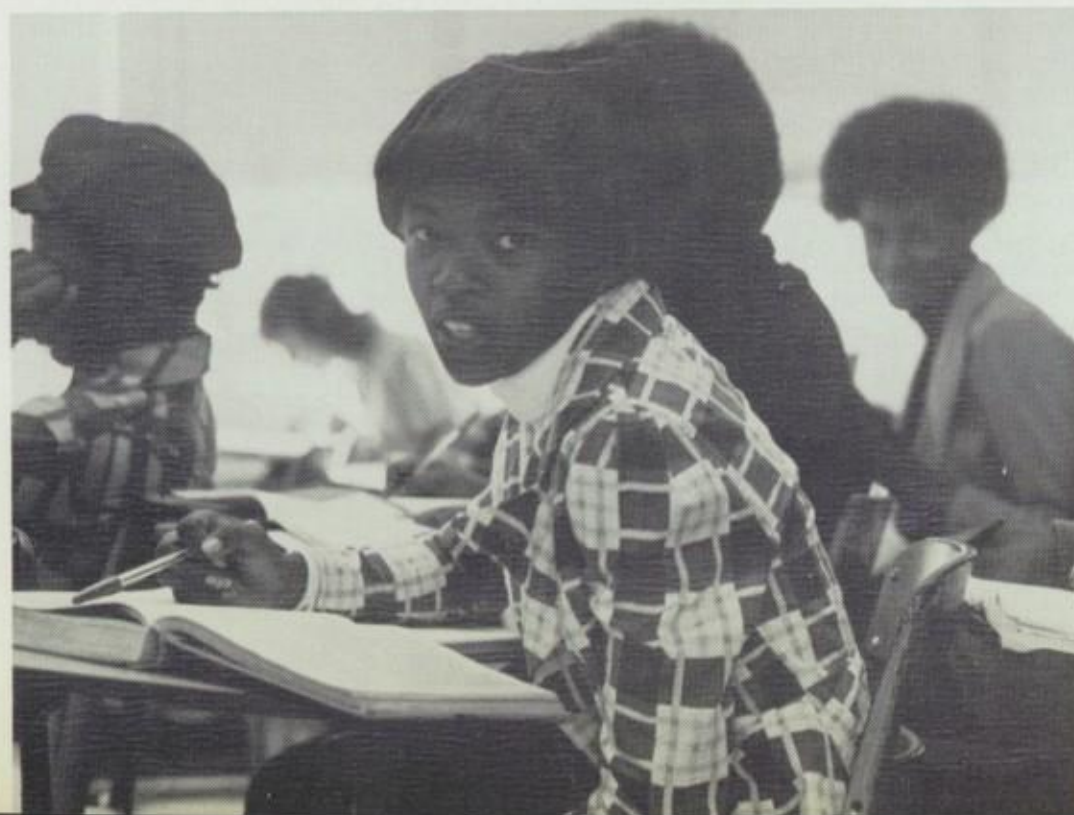

The Math Department of H. V. Jenkins has done a great job this year. To suit all students, the department offered a variety of courses, everything from business math to calculus.

The math teachers are very competent and interested in their students. They are outstanding!

Guys Get Down to Business

If you pass any of the typing classes this year, you will notice something different — guys, in typing classes, trying to type. It's amazing! What's more amazing is the fact that quite a few pass.

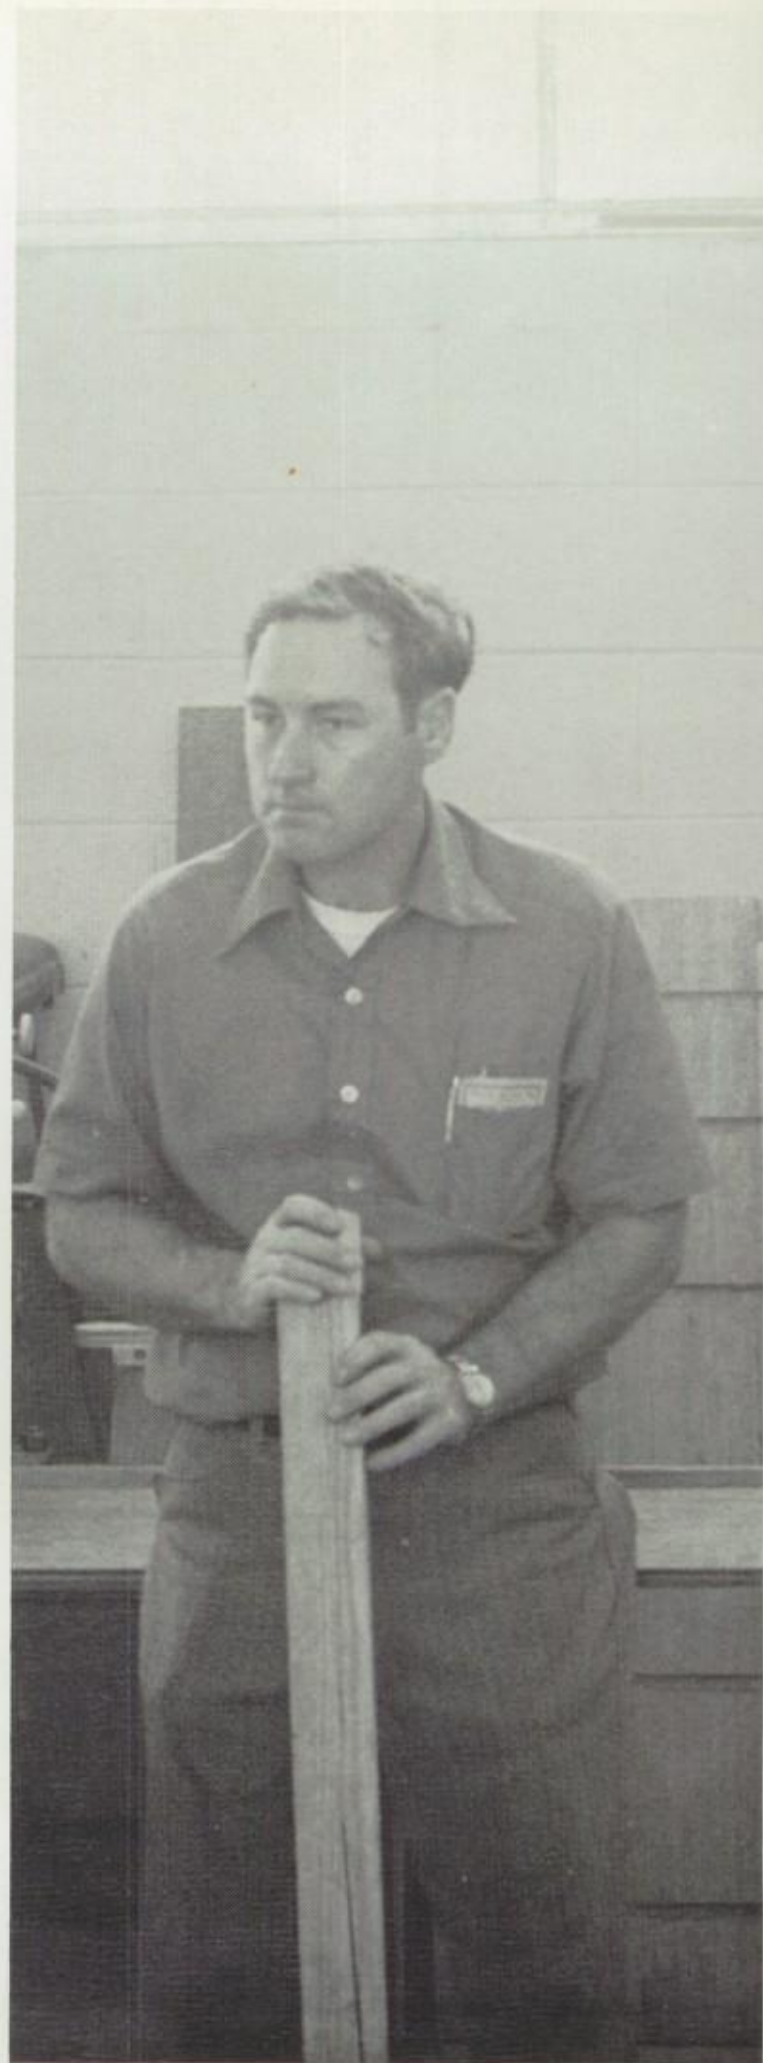

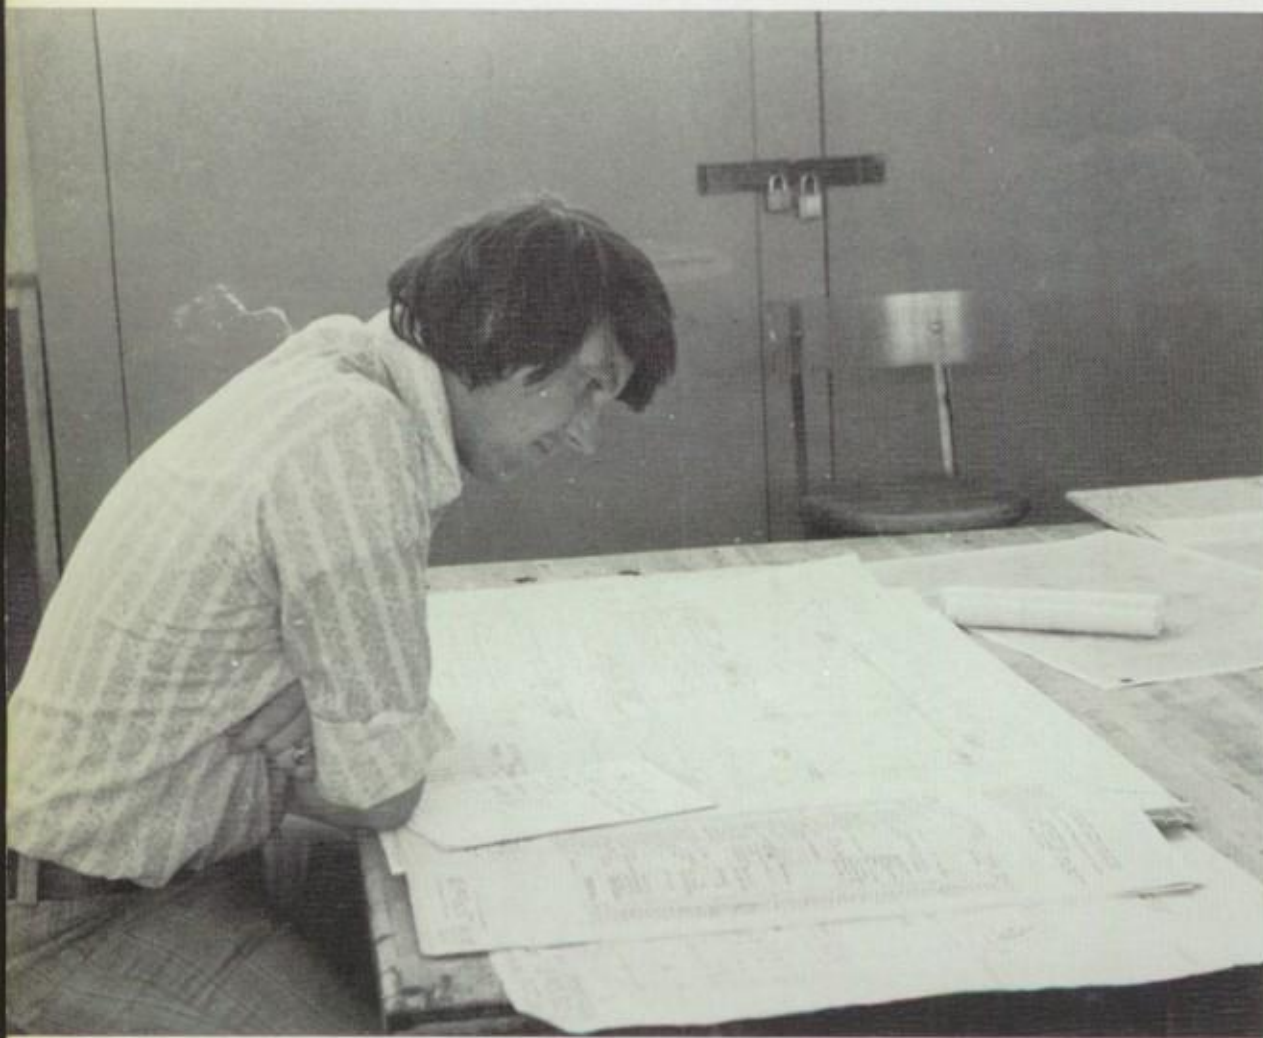

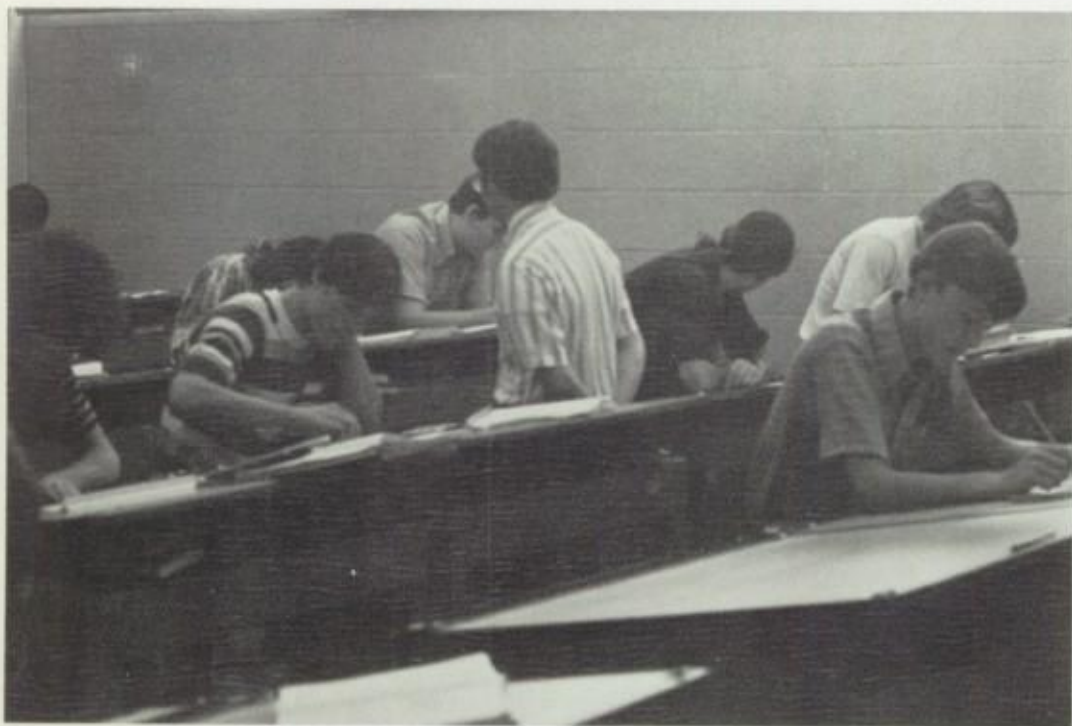

The dudes at HVJ realize that the women are through typing for them for such small salaries (practically nothing). So now, guys type. Who knows? Maybe next year we'll have a few in Home Ec. More power to ya!!

P-V Students Step Forward

Pre-Vocational classes are not offered at many schools, and we are quite fortunate to have them. This course allows students to further their education while holding jobs. These students have — one might say — one foot in the educational system and the other foot in the world. We greatly appreciate Mrs. Rogers, the teacher who is in charge of this program.

Upper: Mrs. Rogers becomes involved in class activities. **Right:** Specialized course or not, there are some slow days, too. **Above:** Mrs. Rogers looks over class records.

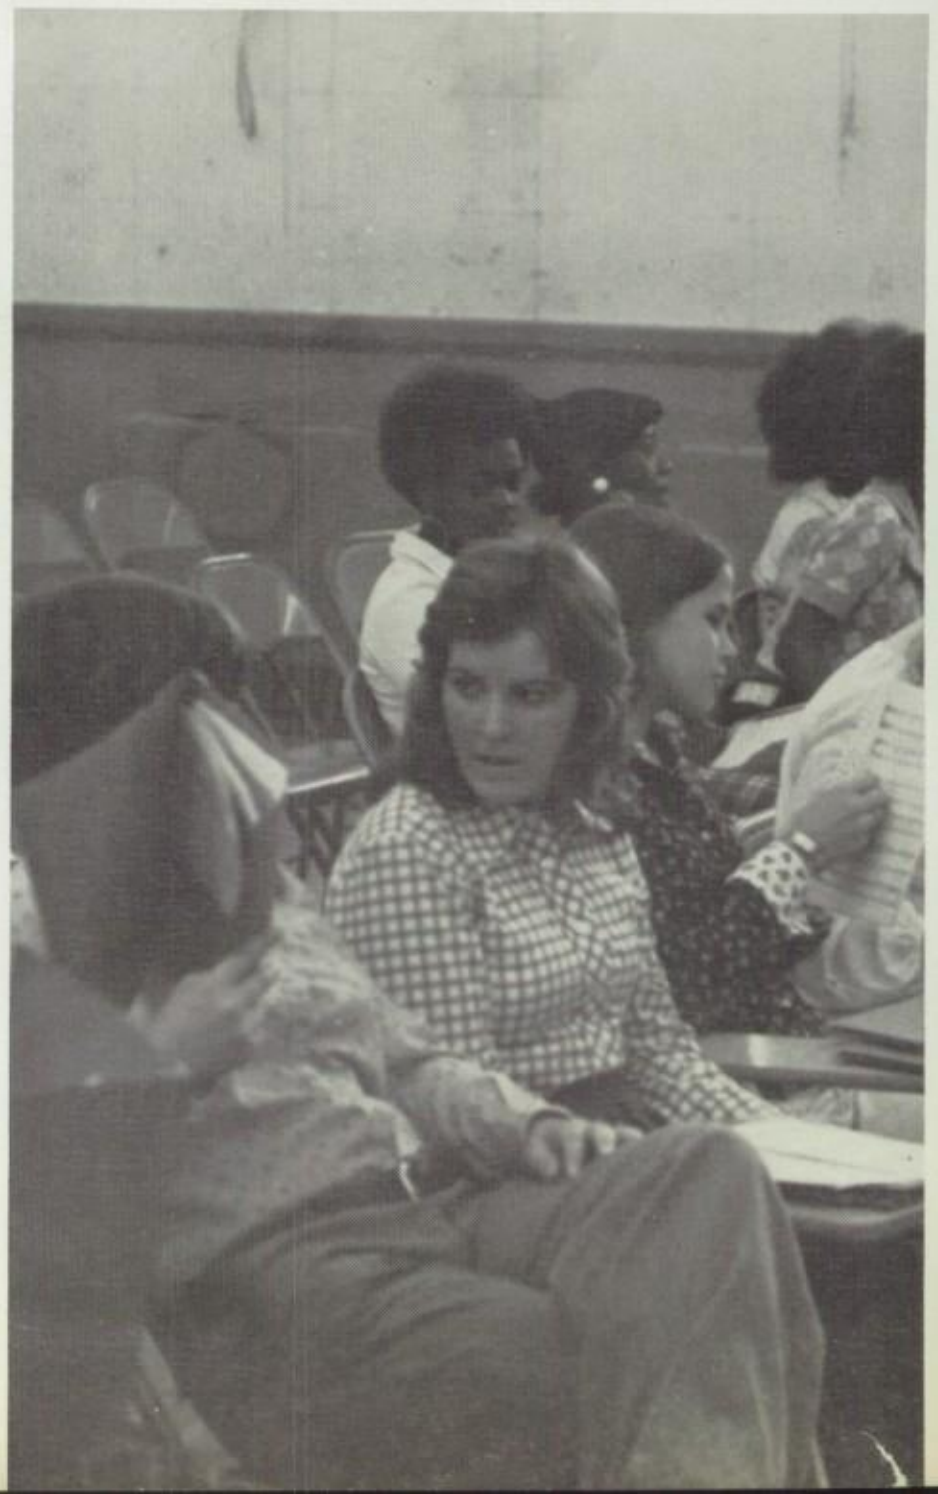

We are indeed fortunate this year to have Miss Bonaparte and Mrs. Dennis to help our school promote better reading and comprehension in high school students. This course aids students in the other subjects in which they are involved. This program has proved to be a great asset to our school. We welcome these teachers and their contributions.

SPRING SUMMER '73

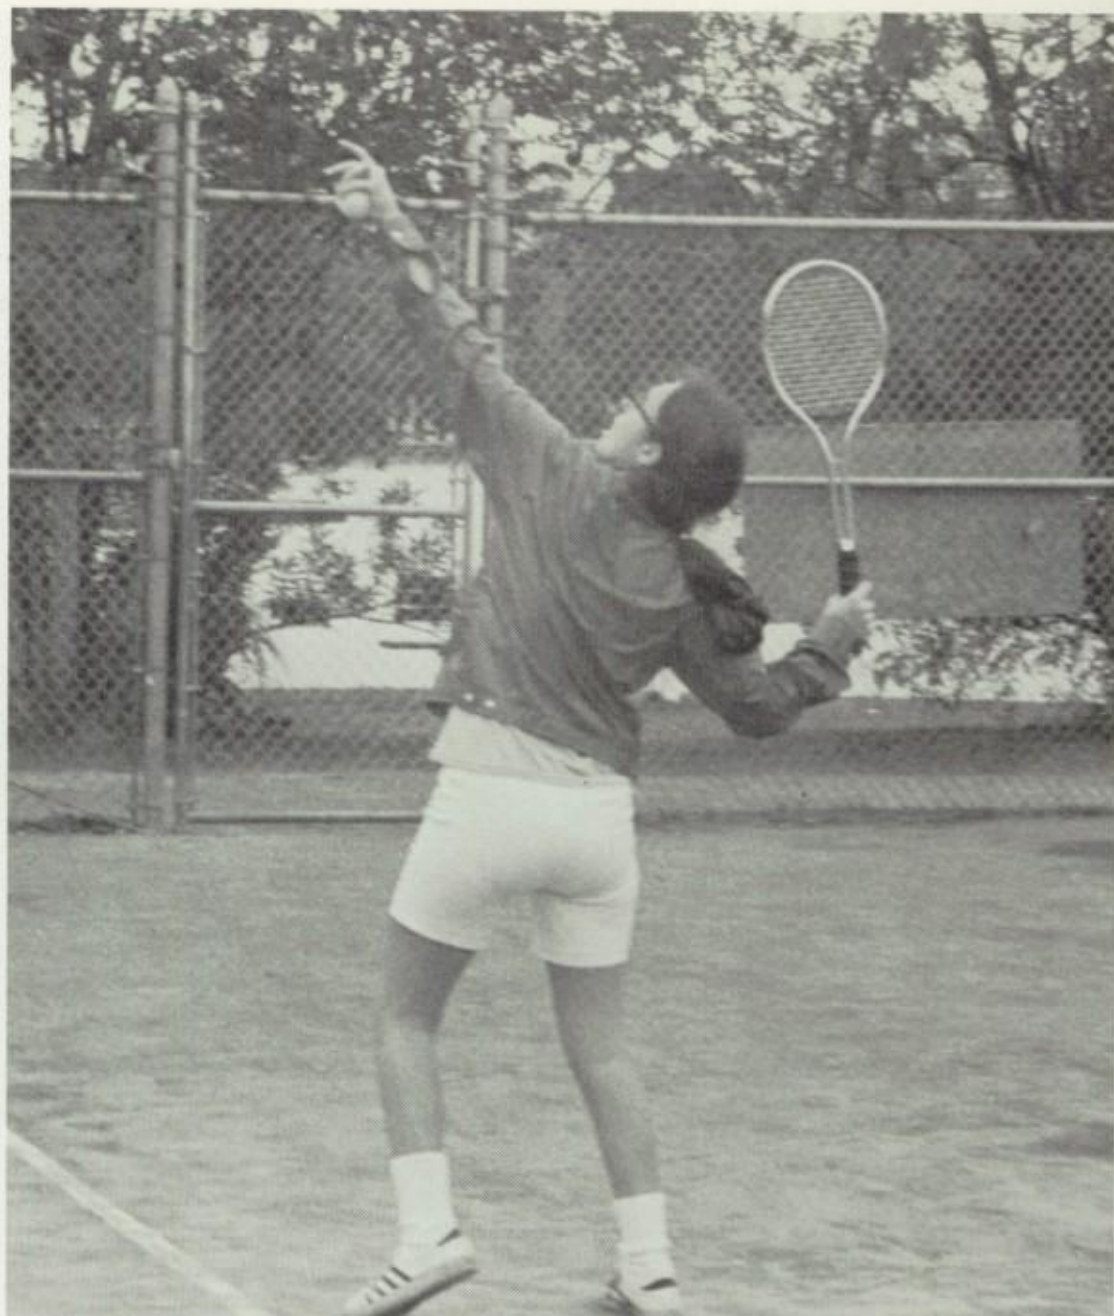

Spring and Summer of '73 feature the last part of a wonderful year that was recorded in our '73 Sequoyah Yearbook.

Some faces have graduated, but they are still a part of our wonderful Warrior family.

Spring and Summer activities include track, tennis, golf, baseball, Junior-Senior Prom, and the most important event in any student's life — graduation.

Along with the wonderful weather of this time of year, HVJ basks in the respect, dignity, and everlasting love from senior Warriors who look back to reminisce over those "good ole days!"

Fourth Place Team in

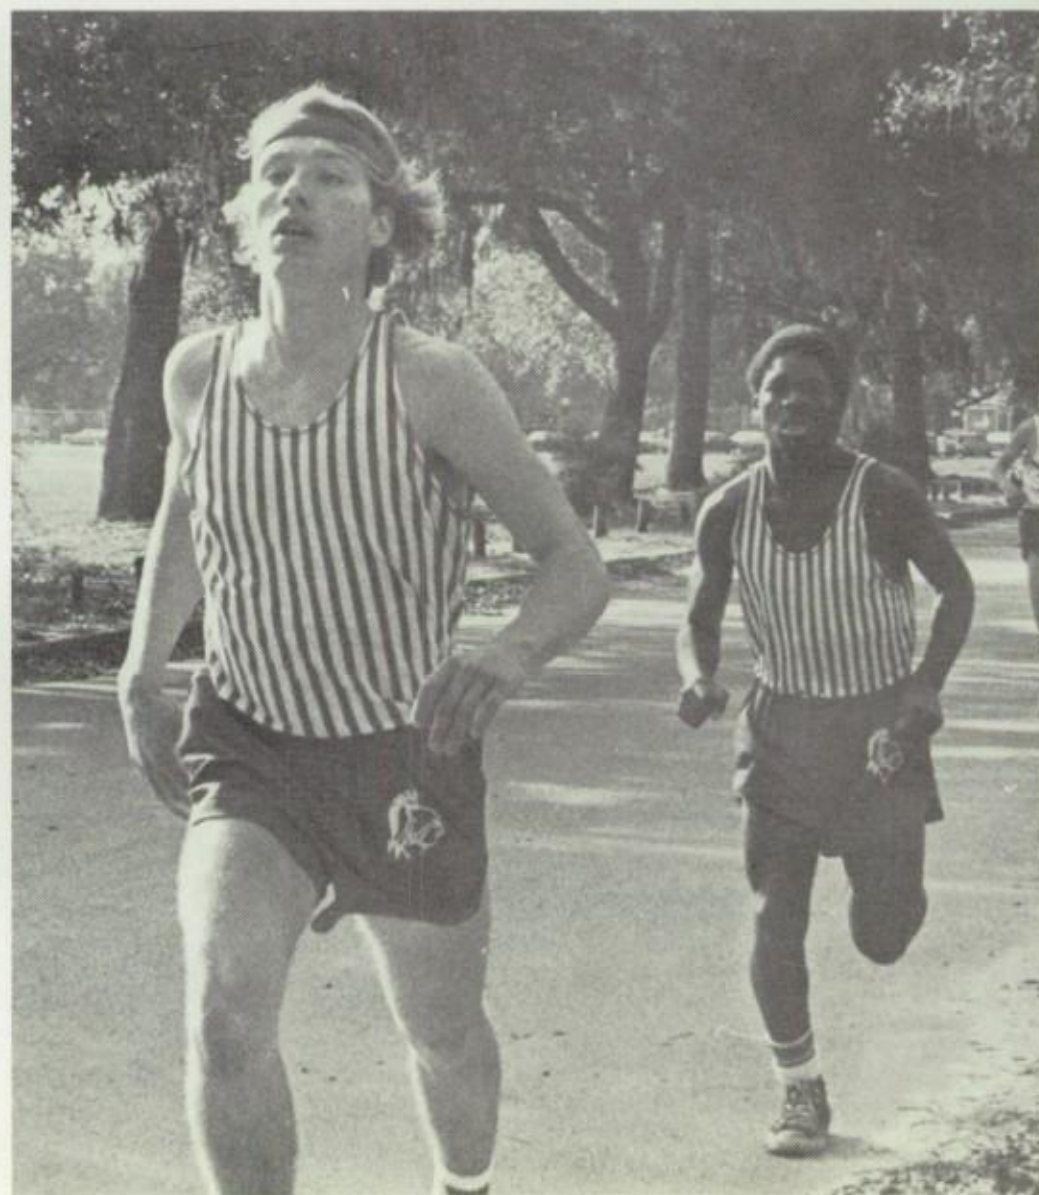

February 22 was a great day for a race. The annual Washington Day Race which was sponsored by Leisure Services, was off at a tremendous speed.

Everyone was gathered at Daffin Park to see which school would be victorious this year. There were even a few cheering Warriors giving their runners a tremendous boost.

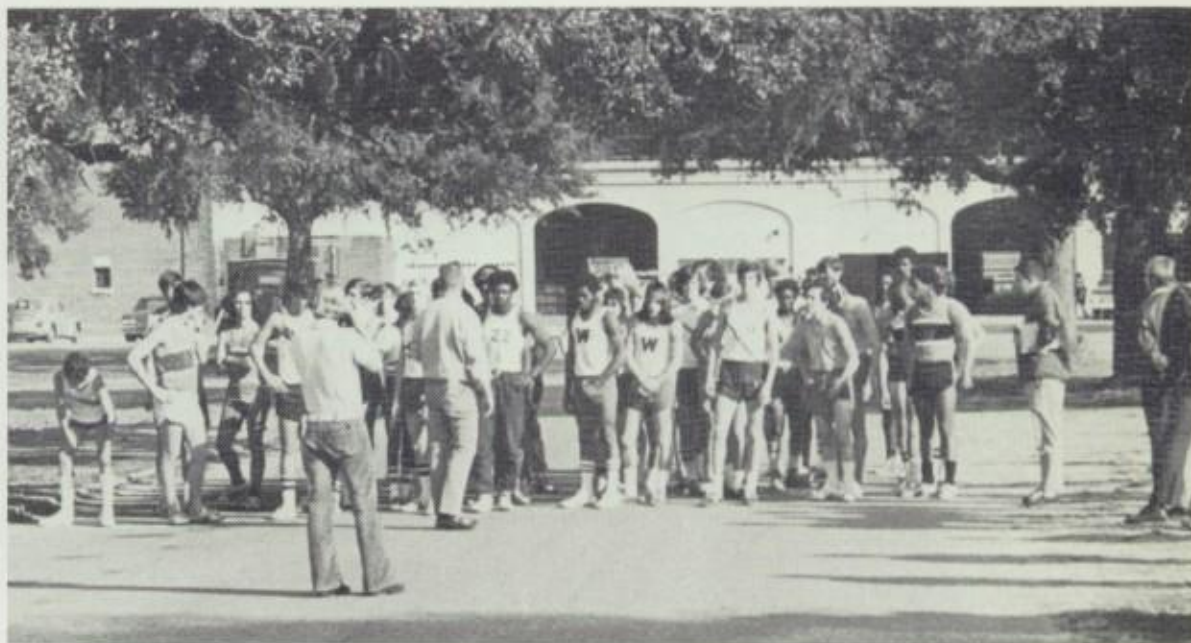

As the runners neared the finish line, there were a few cheers, laughter, and moans as Waycross High came in first place. The Warrior team made third place with pride. Phil Hill finished seventh individually.

Cross Country '73

It was a nice and sunny day in March when the annual Chatham County Cross Country leaped to a start. Spectators were scattered along the three and one-quarter miles race course anxiously awaiting the final results of the race. Each player tried his best to be the first to cross the finish line, but unfortunately a Windsor Forest runner came in first. Among the top ten runners were Phil Hill, who came in seventh with a time of 19.02, and Dwight Taylor, who came in ninth with a time of 19.15. HVJ's team as a whole made third place with 60 points.

One ENCHANTING Evening

People at Jenkins High School are still talking about the great May Junior-Senior Prom, sponsored by the Junior Class.

The Ramada Inn was the place, and as one walked into the elegant ballroom, his eye was dazzled by the lovely setting.

During this elaborate affair, many lovely and different fashions were seen-the soft and romantic, the fresh and natural, the dazzling and dramatic. The young ladies came in silly, sophisticated, and sassy. The young men came in with their show stoppers, "fine and mellow". The halter gown was the popular new style of the season for the young ladies.

It was easily seen that a lot of enthusiasm and dedication went into the making of this spectacular occasion. The vibrating sounds of the Pastels kept most couples dancing enthusiastically throughout the evening which was for all an enchanting one.

From Birth Certificates to Diplomas

If you can live each day with the assurance that
a person is something wonderful to be,
If you can find a way to meet your problems with
true courage and maturity,
If you can choose the finer things life offers
turning away from the worthless,
If you can guard the principles you live by and
keep fast to truth and honor all life through,
And stand for right in every situation, no matter
what the world may say or do...
If you can practice all the arts of living with
gracious kindness and with real integrity,
You're bound to be a happy person always!
Now is the time to go forth and seek a better life.

FALL WINTER '73-'74

As another school year unfolded, the students welcomed new-comers to HVJ — sophomores. Like one big super-happy family, all joined together and made the school year a success.

Football games were packed with those faithful Warrior fans — even though the football season wasn't too successful.

But to make up for the football team's lost time, the basketball team did a wonderful job in providing all the action needed by Warrior fans.

Each student played his part in making all activities a success, and things did go along smoothly at HVJ!

Wolverines Get Revenge!

The Warriors' first game of the season was one that will always be remembered. For half the game, the Warriors took the lead with a score of 12 to 6. This was made possible with two lone TD bombs provided by Tony Wiggins. The first was to Elijah "Peaches" Coast. The second bomb hit the stupendous Sam Boyd. The Warrior fans were sure that their team would win.

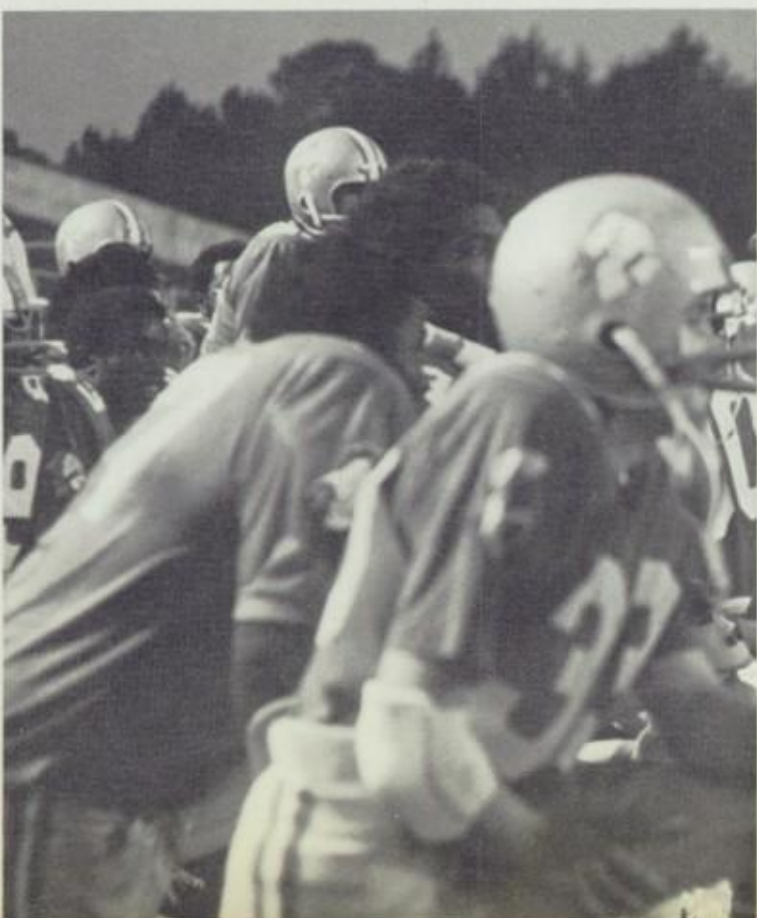

After halftime, it seemed as if the Wolverines were fed a secret formula which made them extremely active. The Wolverines didn't give the Warriors another chance to score. They took the lead and won with a score of 28 to 12.

After the game, there were rumors that the Wolverines were threatened by their coach at halftime and were scared to death. Another rumor has it that the Wolverines were just sick and tired of being defeated by the Warriors, and just wanted revenge!

Tigers' Roar Terrifies Warriors

Everyone is trying to find out what they are feeding those boys in Hinesville. The Warriors swore that those were apes under all that equipment. It just seemed that the Bradwell Institute Tigers were unmovable whenever they were hit by the mighty Warriors.

The Tigers proved to be too much for the Warriors and again defeated the Warriors with a score of 27 to 12. Touchdowns for the Warrior team were made by the fantastic Eric Douse and the marvelous Joe Strickland. This second defeat made the Warriors practice more strenuously for their next games, and build up a better offense and defense.

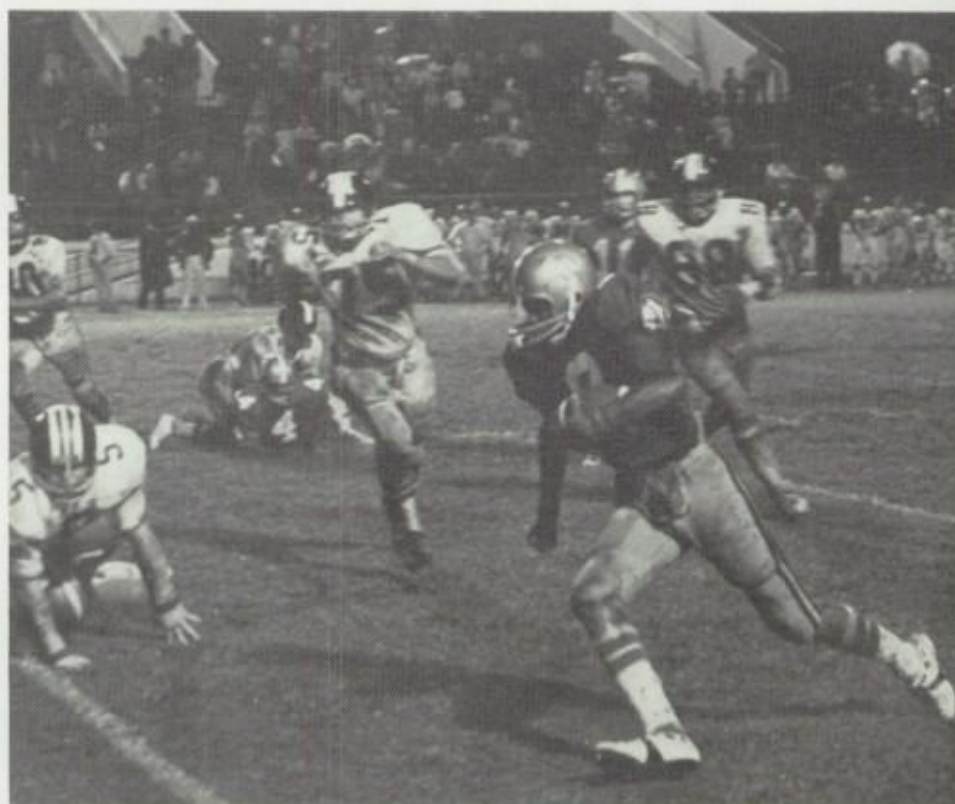

Elijah Coast Becomes Warriors' Hero!

The smell of success was in the air, as the game between the HVJ Warriors and the Winsor Forest Knights got under way. This was one of the Warriors' best games of the season.

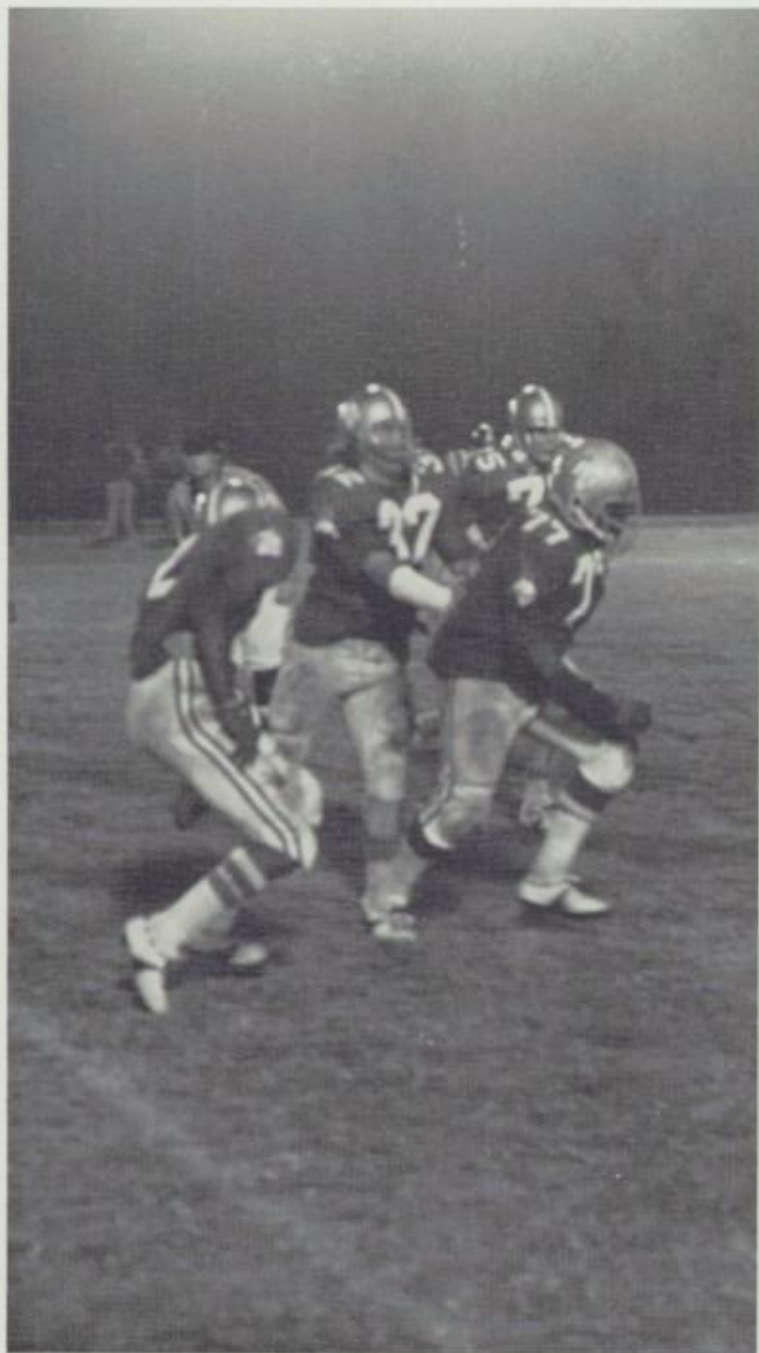

The first touchdown, made by Donald Green, came in the first quarter. The two point conversion was successful and the Warriors took the lead with 8-0.

The best part of the game happened with only 6:43 remaining in the third quarter. Tony Wiggins handed the ball to Elijah Coast who ran around the right side and went all the way as if his legs had sprouted wings. The fans were overcome with excitement as he ran the final yards successfully. The two point conversion was made by Eric Douse. Coast became the game's top rusher with 82 yards.

The Warriors won their first game with a score of 16-14.

“Bulldogs or Hush-Puppies?”

The Warriors' second successful game of the season was with the Beach High Bulldogs. This game was one that brought laughter and cries of joy from the Warrior team and fans and moans and unmentionable words from the Bulldogs.

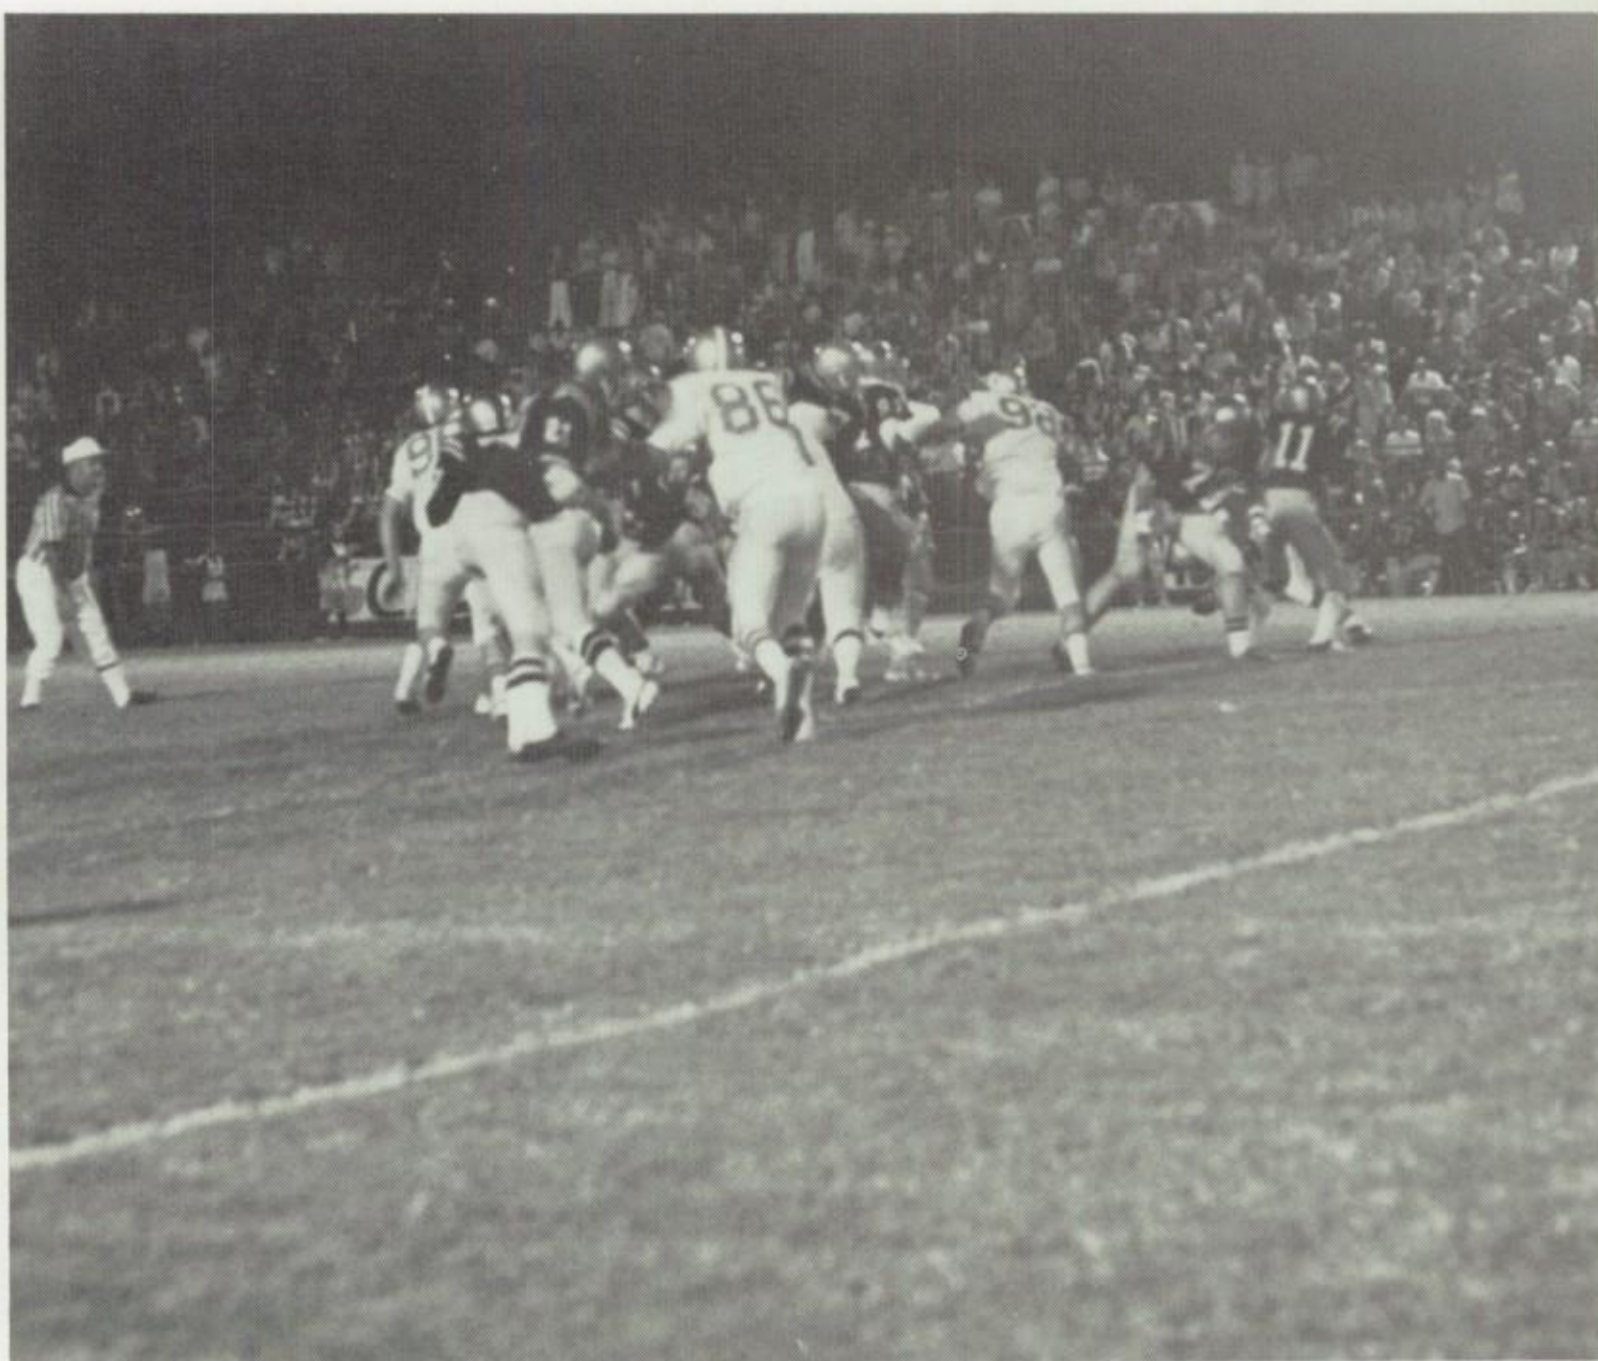

HVJ scored first with a 36 yard touchdown run by Tony Wiggins. With 1:26 left in the third quarter, the most hilarious and unforeseen thing happened! The Warriors punted and Beach signaled a fair catch, but the ball took a bad hop and hit on the Bulldogs. Quick-thinking Greg Holland recovered the ball for Jenkins and dashed 37 yards as the Bulldogs stood and watched like dummies.

Holland picked up six more big ones for the Warriors. The Warrior fans roared with excitement and cheers as the Bulldogs stood like “Hush-Puppies.”

Don Green passed on to Eric Douse for three yards and an extra two points. No one scored during the fourth quarter. The Warriors won the game with a score of 14-0.

Rebels' Territory Dangerous!

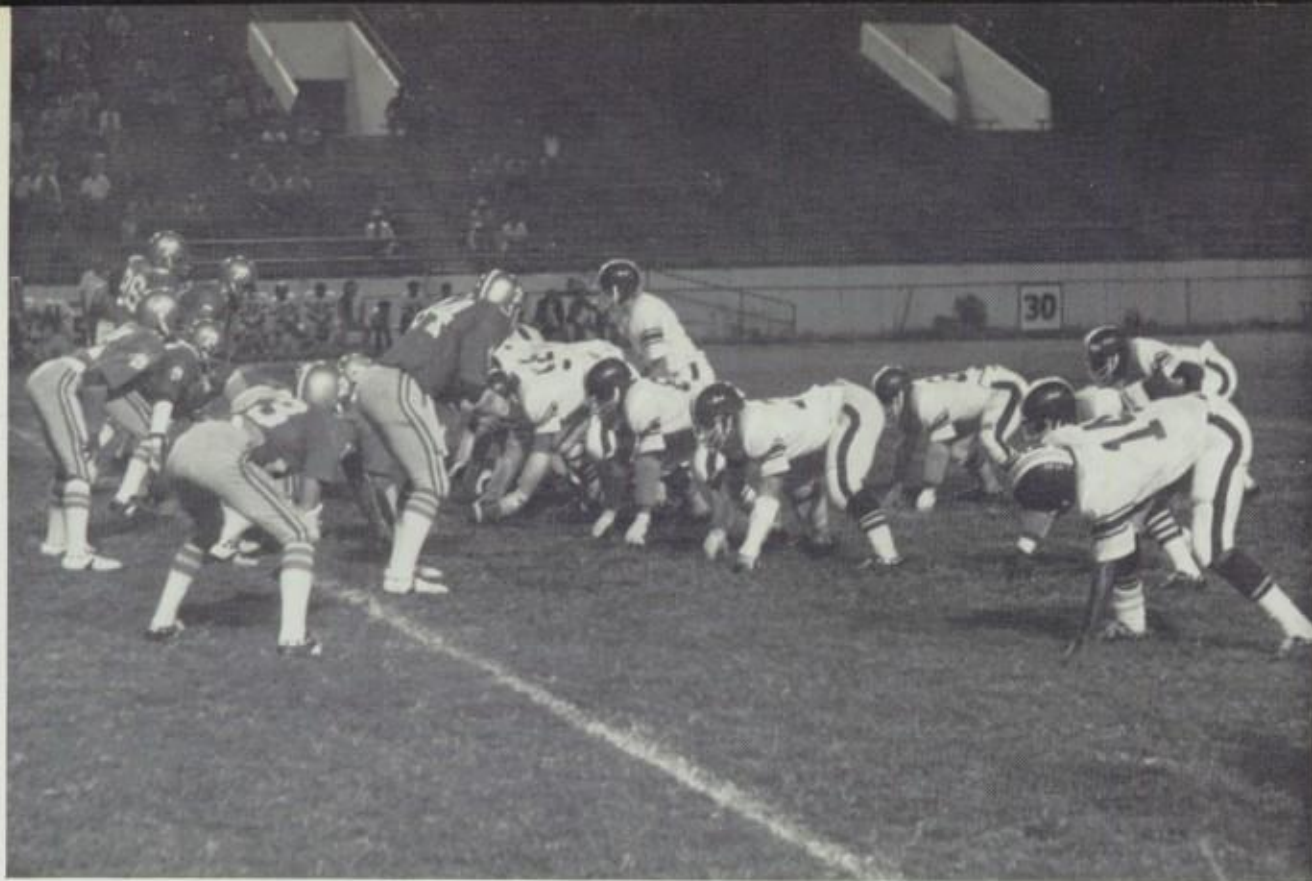

The Warriors met the Groves High Rebels on the Rebels' own soil and that game proved to be a total mistake. In Westside Stadium, the place of action, everything was pro-Rebel and anti-Warrior.

The Warriors played with ever-enduring strength, but things just didn't seem to go their way. The only time things began to look bright for the Warriors, was at the time a 21 yard pass from Tony Wiggins to Elijah Coast sparked the drive that went from the Warriors' 20 to the Rebels' 30.

The Rebels defeated the Warriors with a score of 20-0. As the players left the field, shouts could be heard from our faithful Warrior fans singing, "We're from Jenkins, can't be prouder! If you can't hear us, then we'll yell it a little louder!!"

Homecoming Game a Disaster!

Accompanied by cheers and laughter, and then cries and moans, the Homecoming game was lost to our opponents.

The Warriors clashed with the Savannah High Blue Jackets in a most disastrous and heartbreaking game that will always be remembered. In the final two minutes of the second quarter, Tony Wiggins hit Dwight Taylor for a 30-yard touchdown pass. The fans roared with excited cheers which turned into moans when the two-point conversion failed.

Savannah High maintained the lead throughout the game. With only seconds remaining in the game, however, Tony Wiggins spotted Sam Boyd on a three-yard scoring pass. This pass gave the Warriors six more points, making the final score SHS-28; HVJ-12.

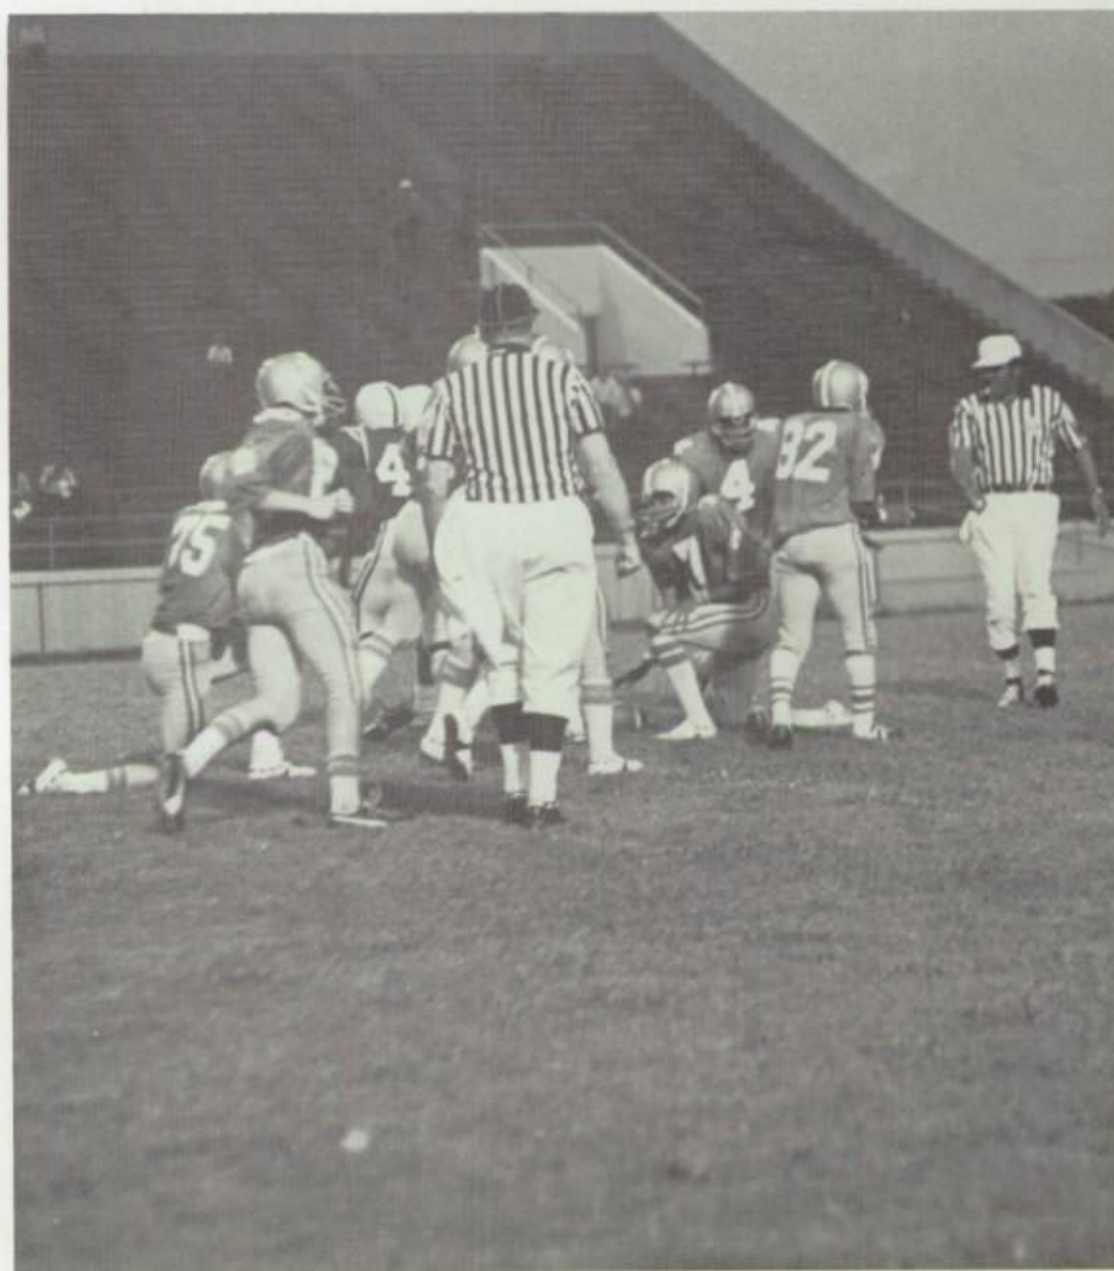

Pirates' Big Rip-Off!

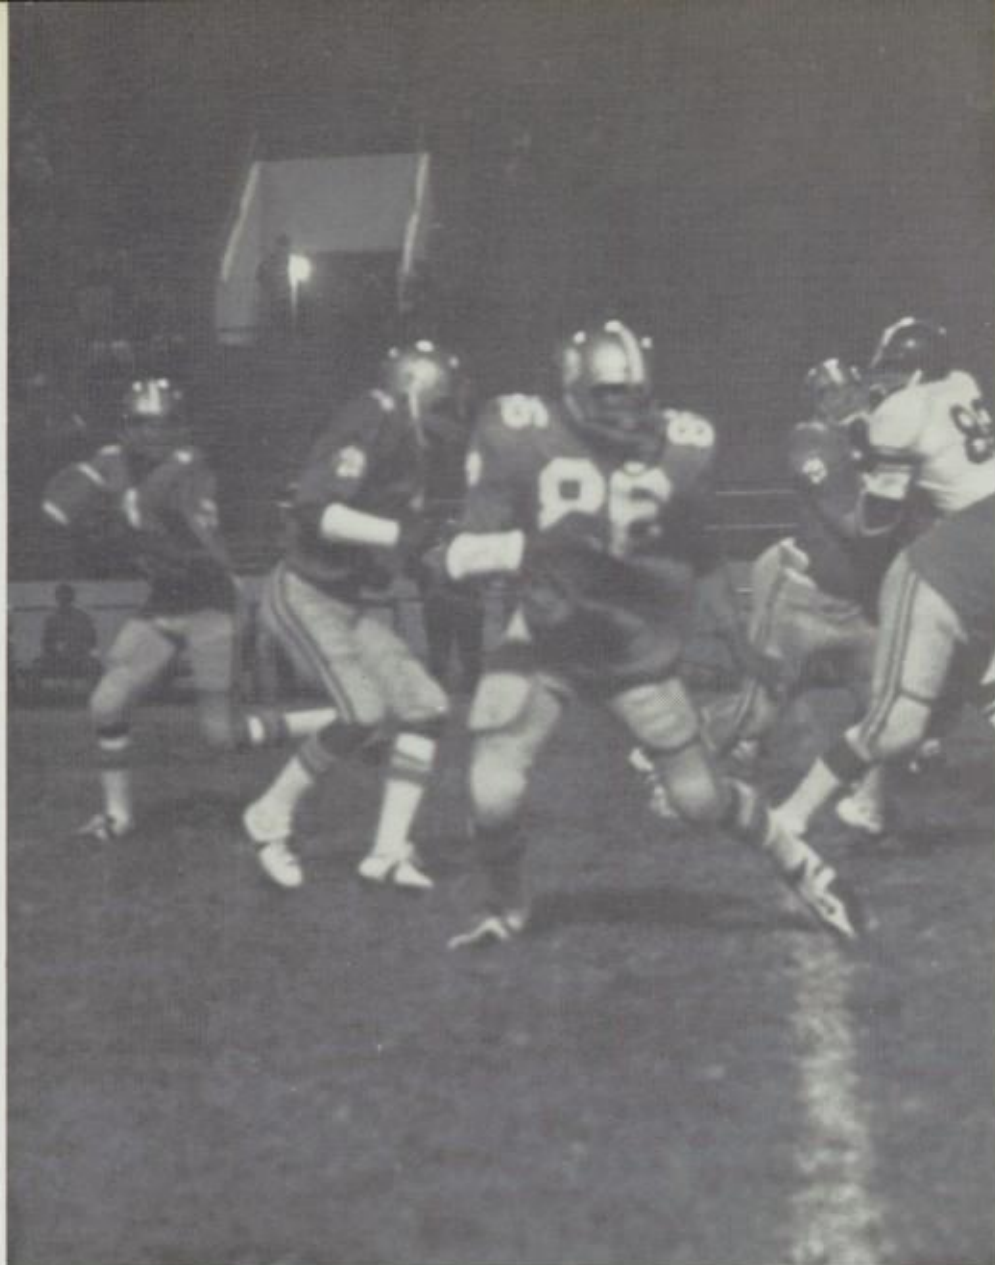

The Warriors took that long ride to Brunswick to try once again to slaughter the Brunswick High Pirates. During the first quarter the Warriors were full of pep and that throbbing desire to win. The energetic Eric Douse scored on the 69 up the middle run. Douse also ran for the two-point conversion to put the Warriors in the lead for the only time.

After the first quarter, the Warriors' luck and agility began to decline. The Warriors were plagued by a lot of fumbles in the second half which was a great aid in helping the Pirates win.

The Warriors didn't score after first quarter, but they did fight a good fight. Before the night was over, Eric Douse had made 152 yards in 16 carries.

The final score was Pirates-33; Warriors-8.

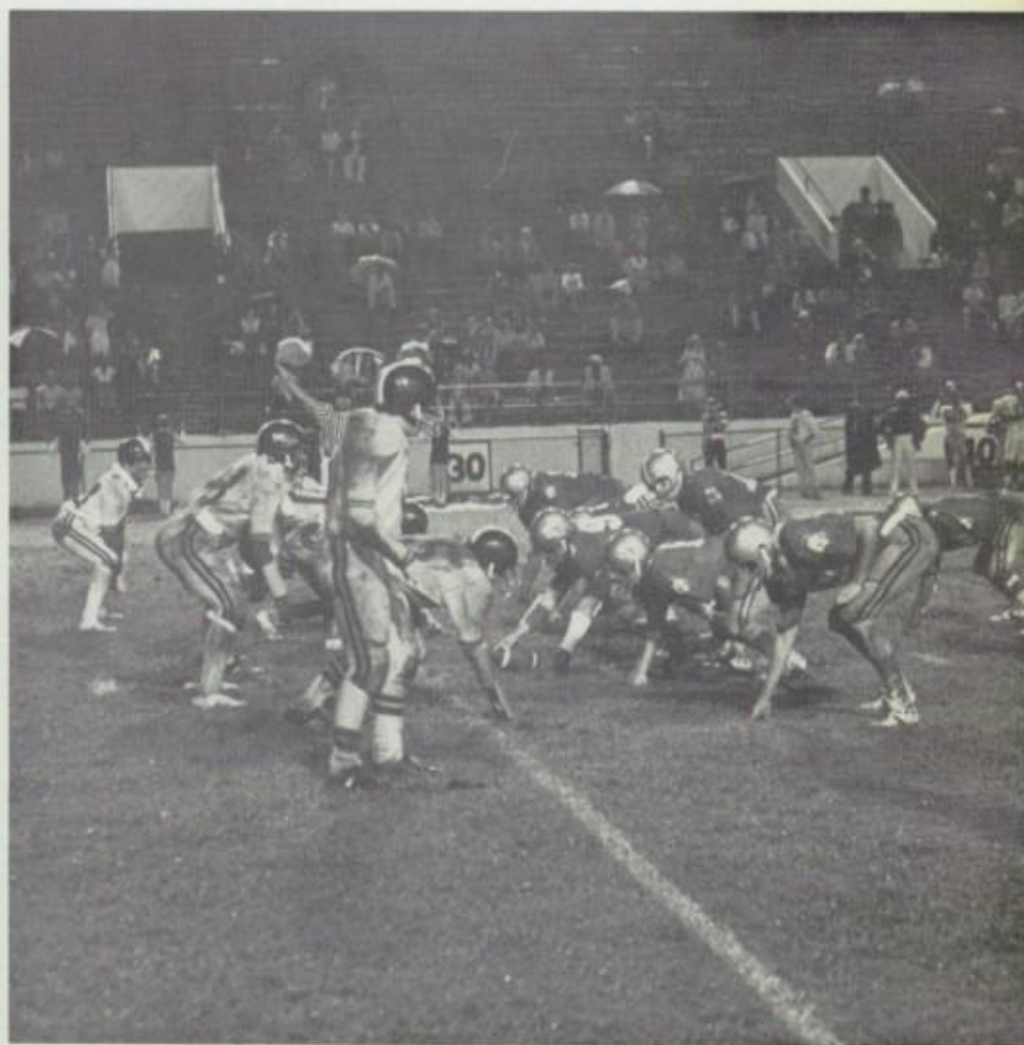

Another "Smashing" Game!

The Warriors once again tasted that bitter flavor of defeat when they met the Johnson High Atomsmashers in a game filled with misfortunes.

During the first quarter, the Warriors made a tremendous effort when they came 74 yards in just four plays for a touchdown. Clyde Martin sparked the drive, ripping off 28 yards down to the Johnson 44, and then two plays later, getting the score on a 22-yard run. The two-point conversion was not successful.

Early in the second half, HVJ had a chance to tie the game, as the Warriors scored with only four minutes gone. Eric Douse got the touchdown on a 15-yard run but the two-point conversion attempt fell short.

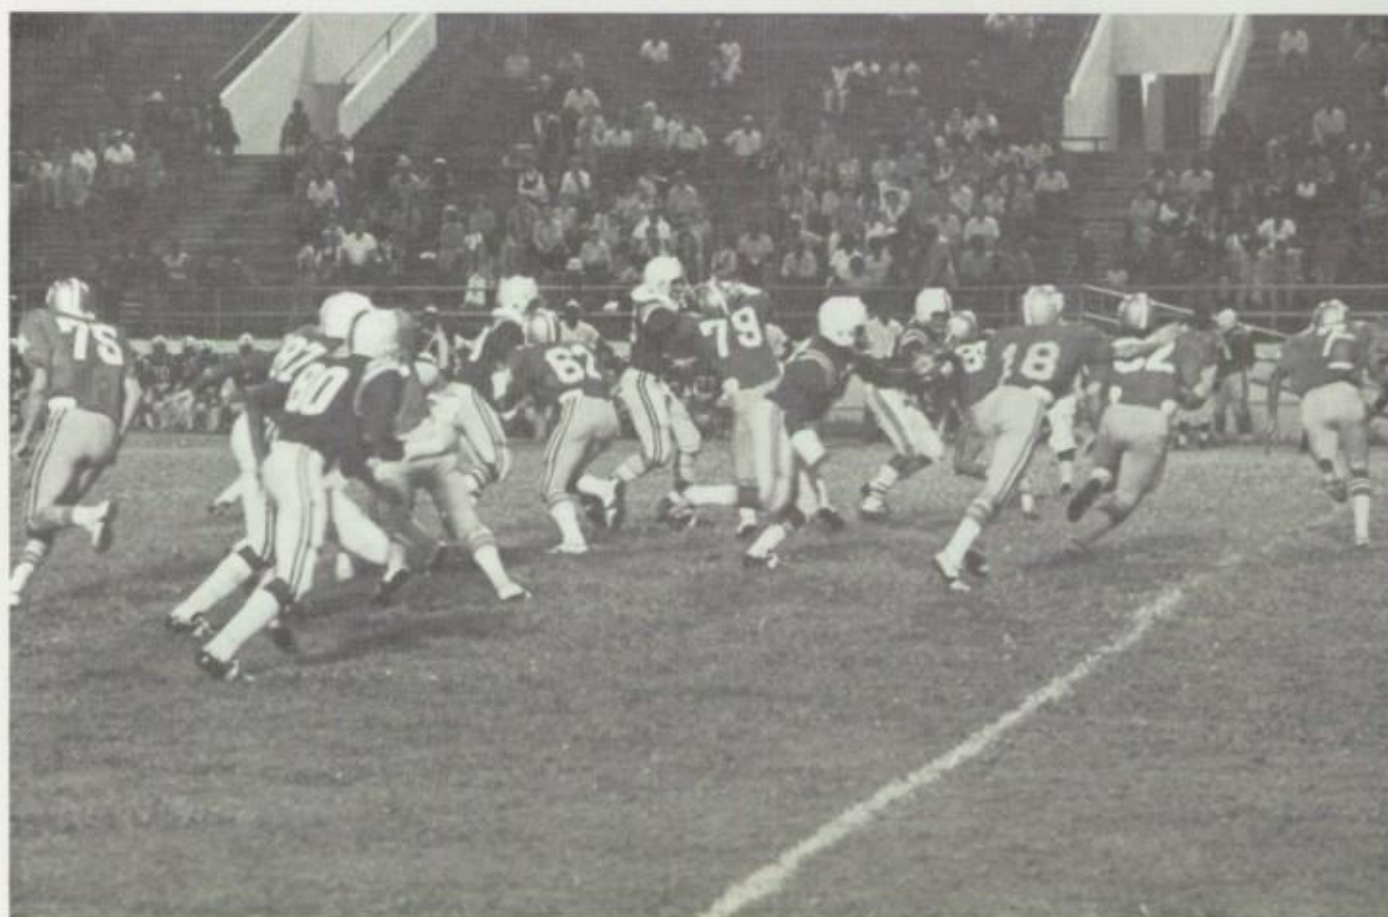

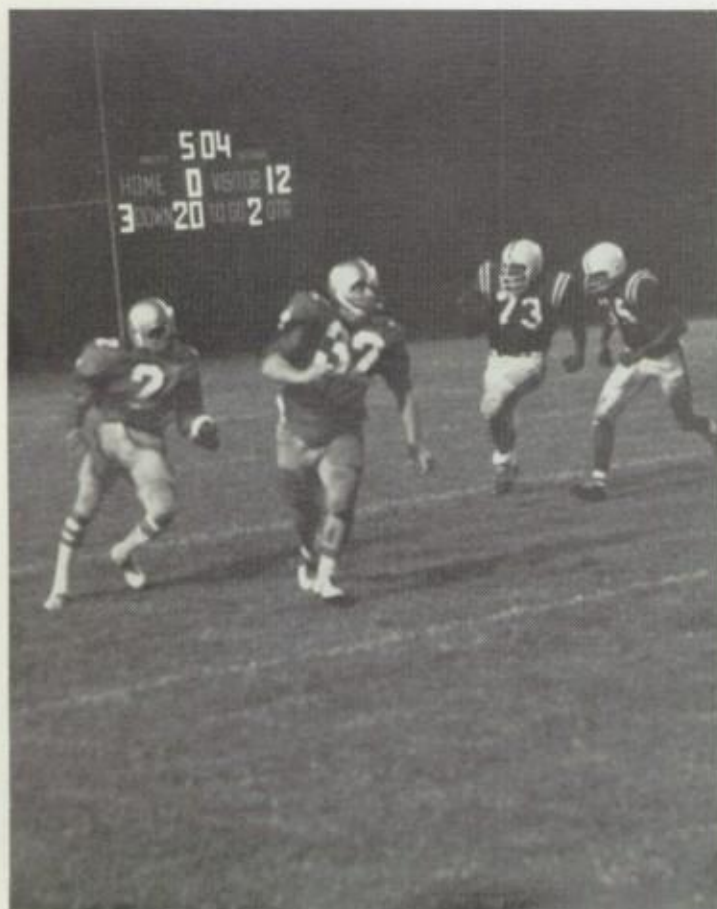

The Atomsmashers won with a score of 28-12. With this defeat, the Warriors' record fell to a 2-6 mark with only two games left in the season.

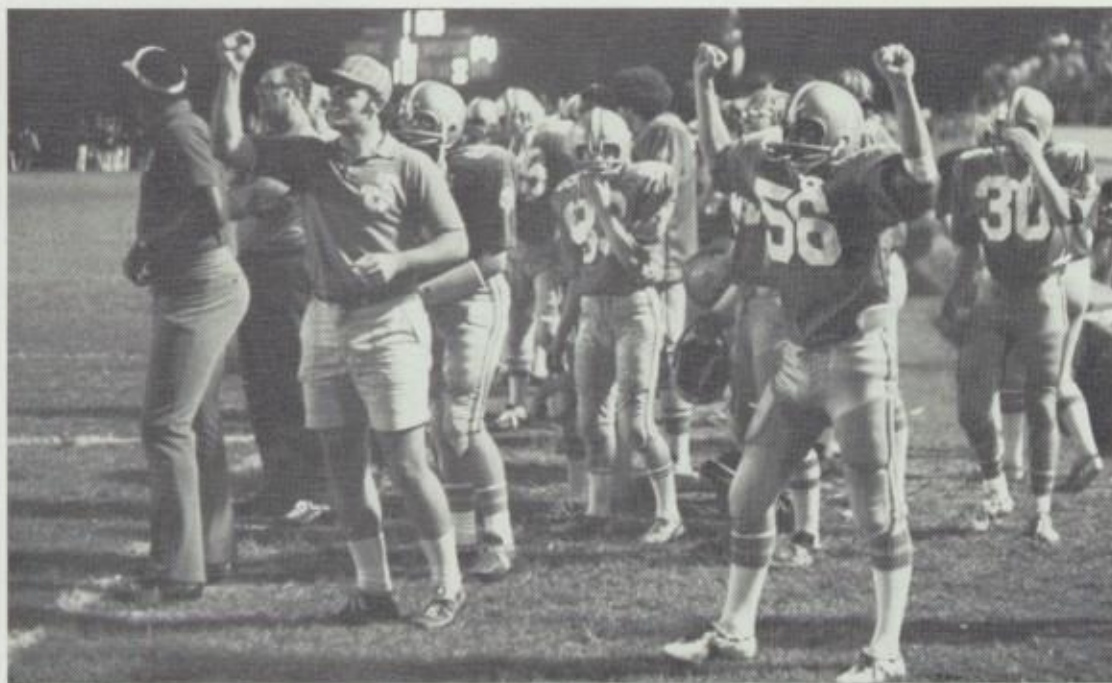

Arrows Powerless Over Bayonets!!

The night was filled with mounting desires for a win, but the Warriors failed to produce one. The first touchdown in the game was made by defensive tackle Joe Strickland as he raced 55 yards with a fumble recovery for a touchdown.

After Strickland's touchdown, the Cadets took over the show from that point on! The Cadets whipped up a total of 42 points. The final score was BC-42; HVJ-6.

Warriors End Season with a 2-8 Record

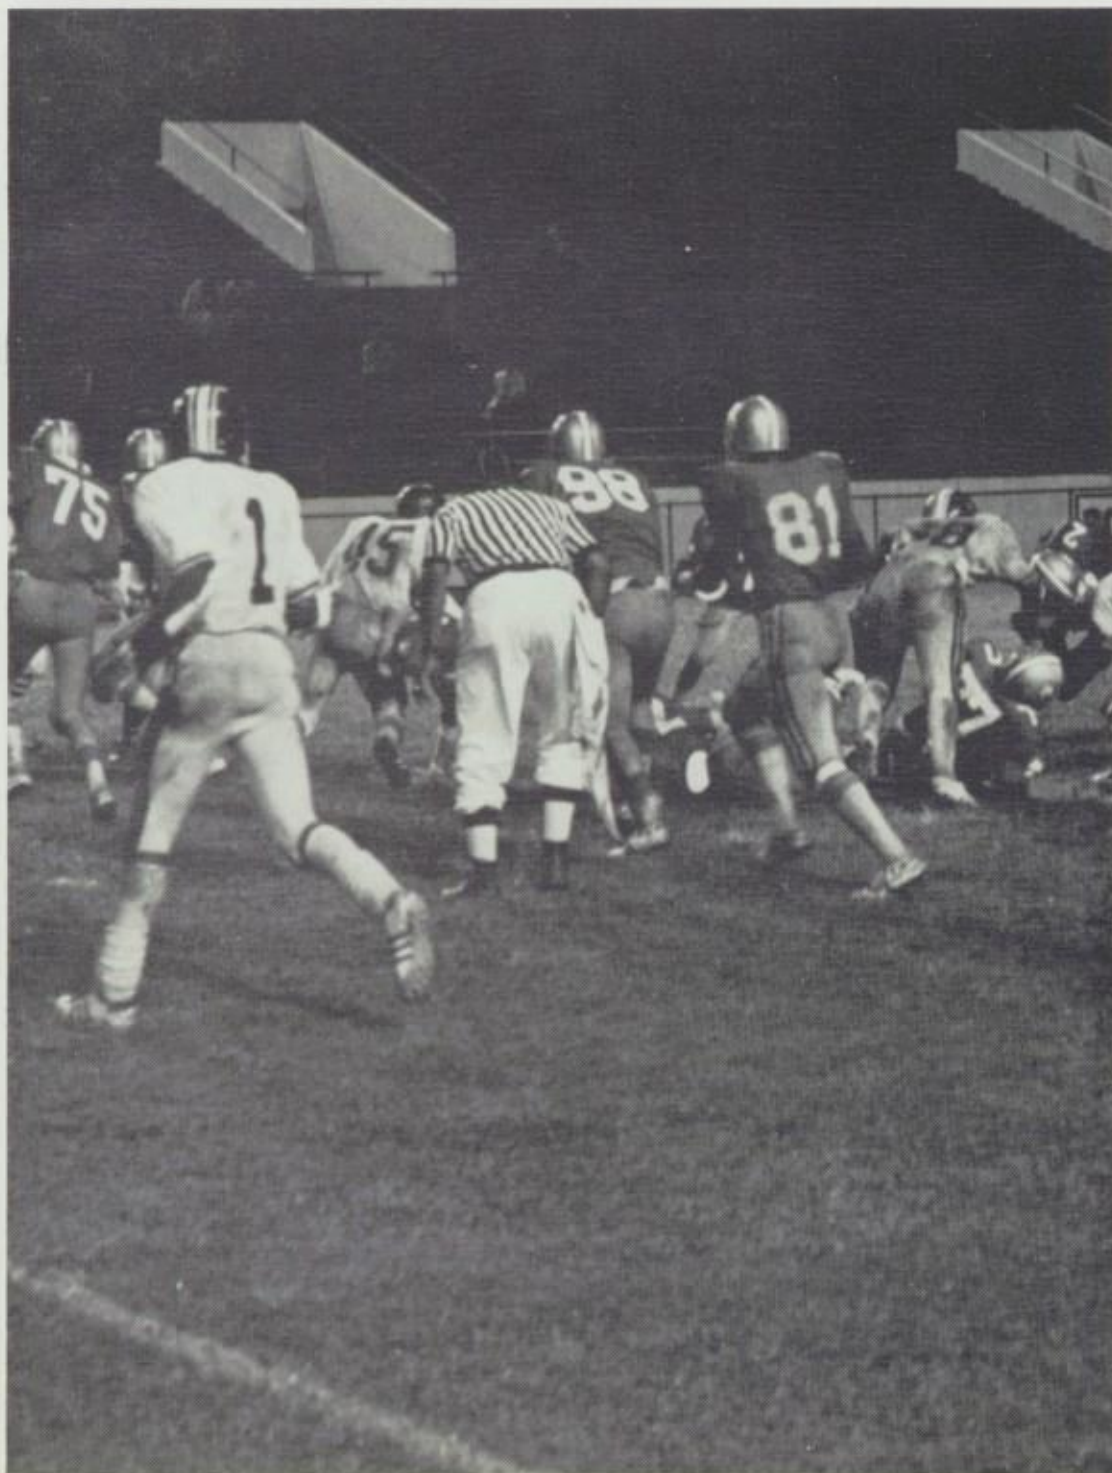

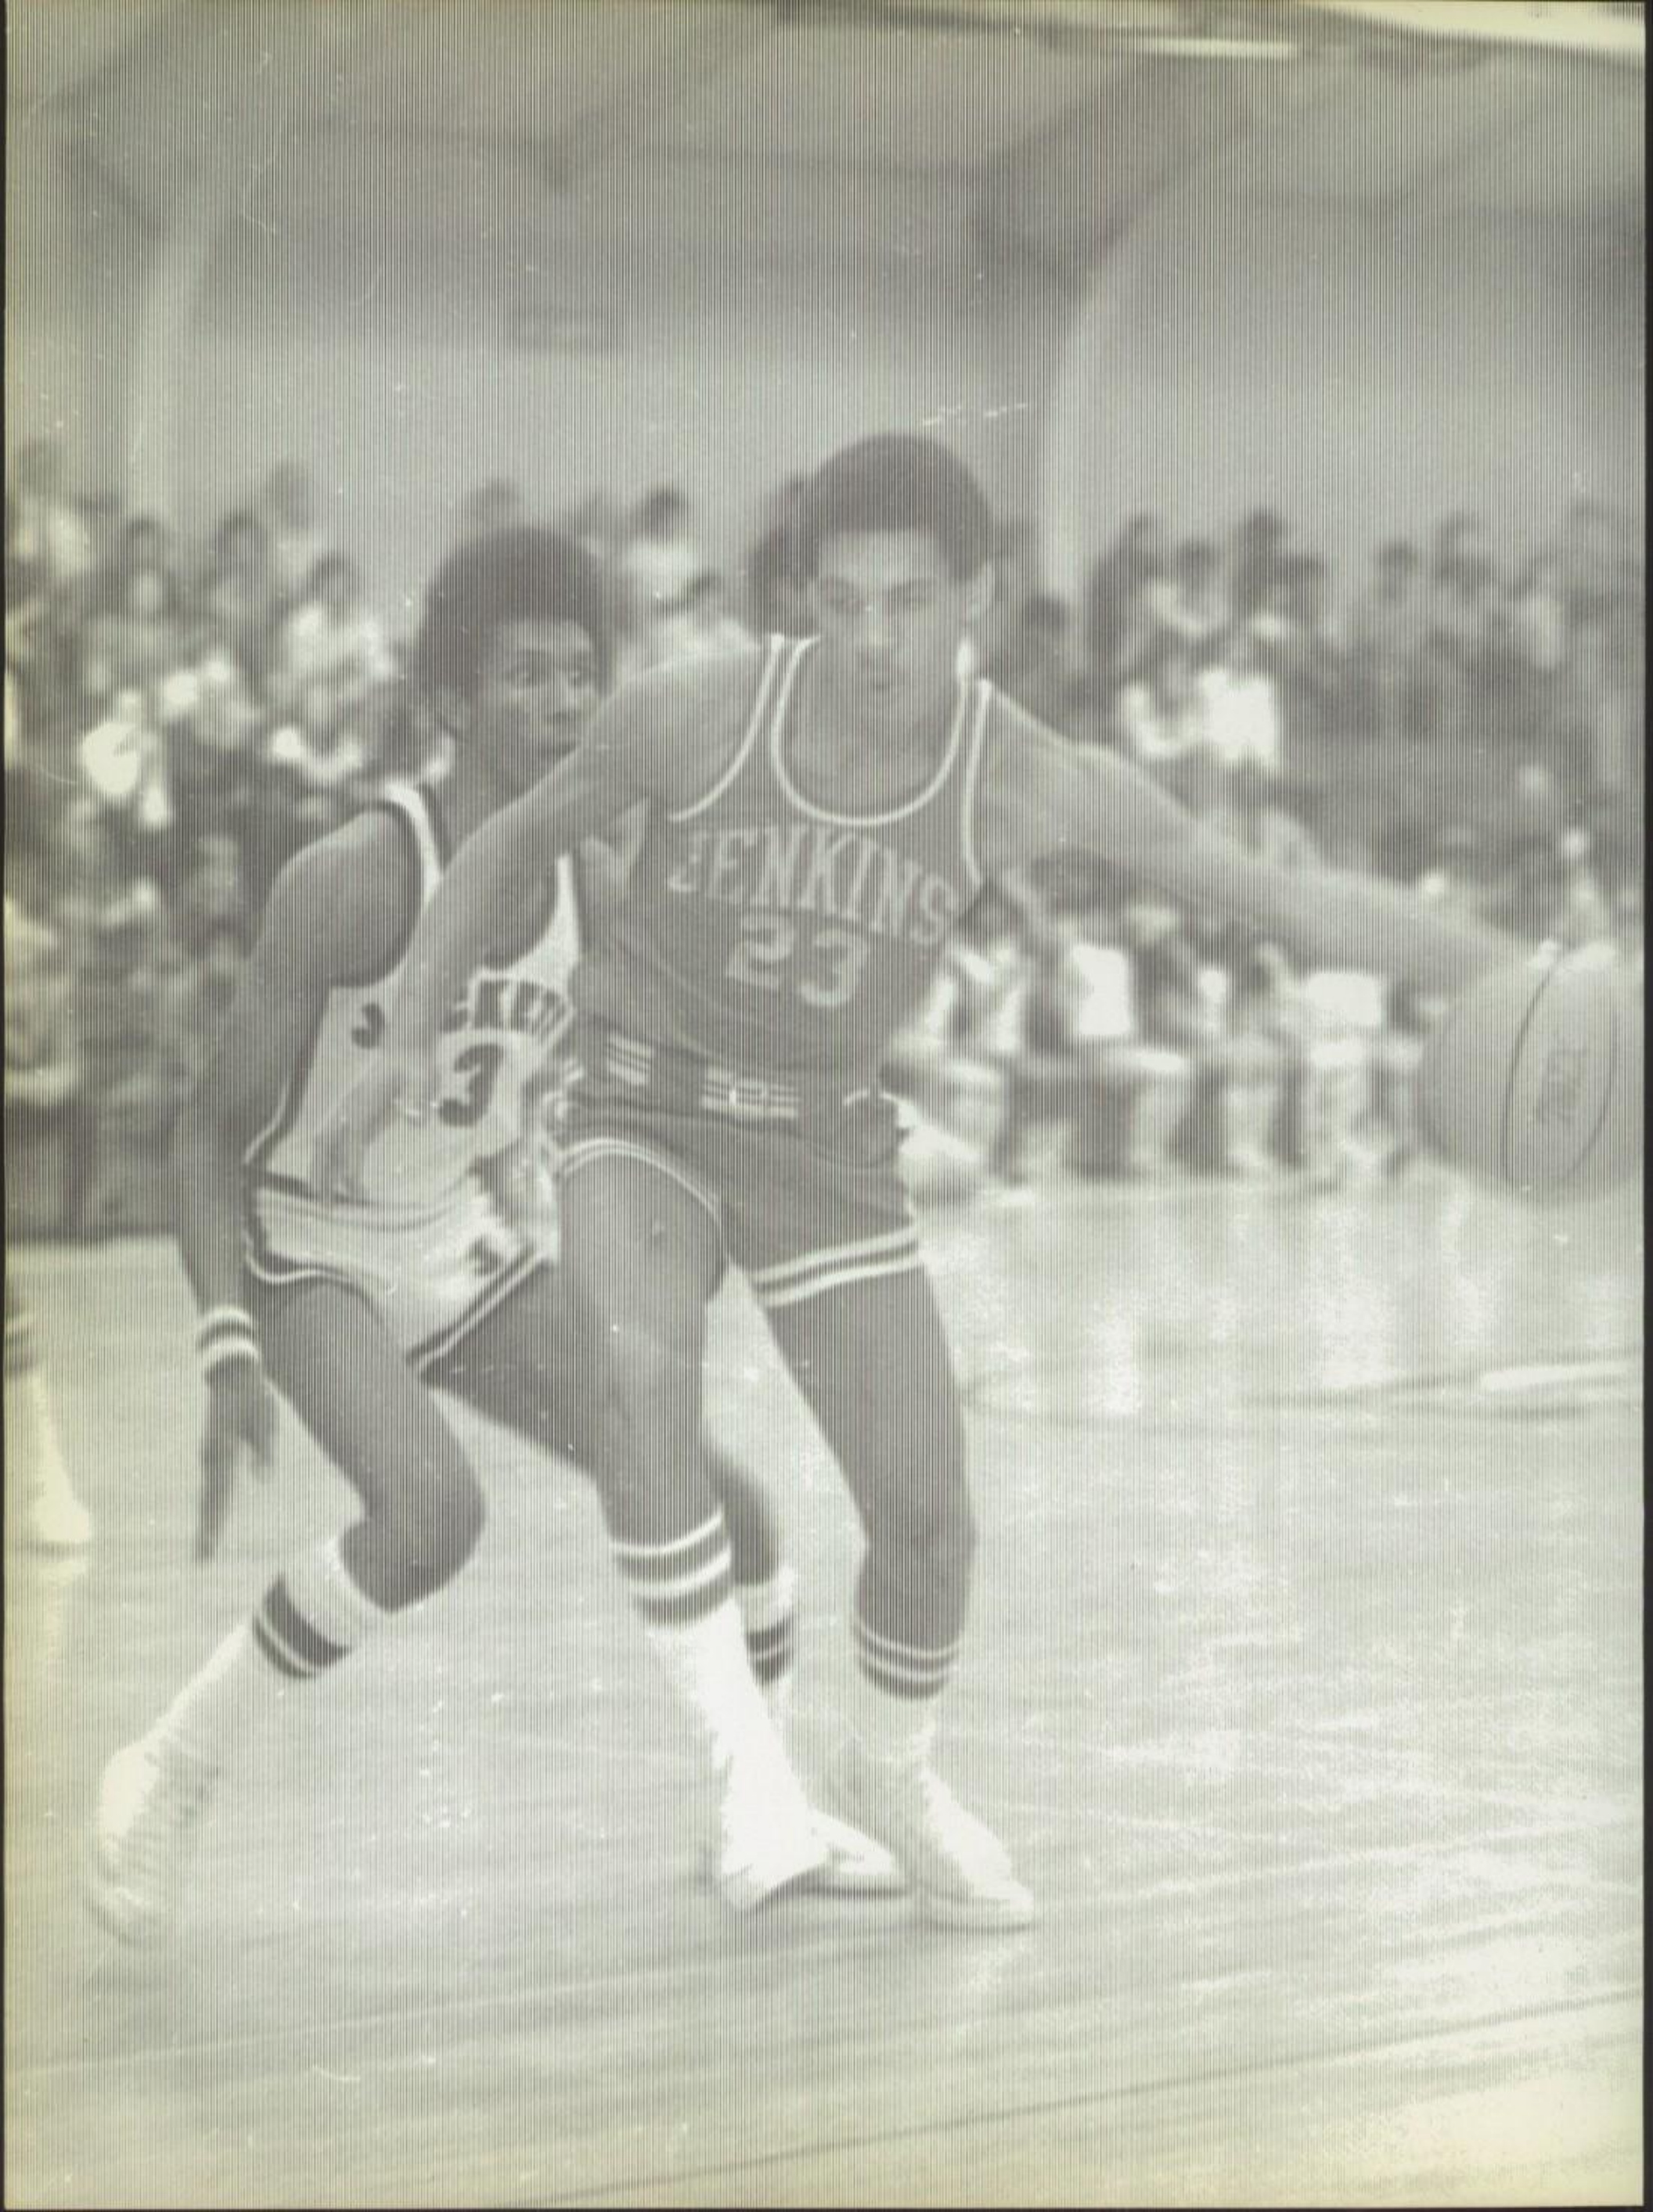

The Warriors fought their last game of the season unsuccessfully, ending their season with a 2-8 record.

During the latter part of the game, the Warriors began developing a little organization, but it was just a little too late. Samuel Boyd received a 12-yard pass from Tony Wiggins for a touchdown. The two-point conversion failed. Greg Martin also made a 10-yard run for a touchdown. Eric Douse picked up the extra two points. The final score was Waycross-43; Jenkins-15.

The Warrior fans understood that the Warrior team was mostly composed of underclassmen and maybe with the experience this year, they would probably make a better team next year.

More power to you, Warriors!!!

We Know We Got a Team!!

Again this year, Coach Gary Sharpe produced a team that the Jenkins Warriors were proud of!

Each player excelled in his many endeavors on the court and played as if his whole world depended on a victory.

The Warrior fans were pleased to have such a wonderful season in basketball after the football team's losing season. Once again fans were able to shout, sing, and roar with excitement thus bringing sheer satisfaction into their hearts.

Players for the '73-'74 season were: Tony Wiggins — guard; Robert Walker — guard; Herbert Colley — guard; Keith Rogers — guard; Julius Johnson — forward; Harold Alston — forward; Lawrence Smith — forward; Larry Turner — center; Benjamin Heyward — forward; and David Barefield — forward.

Sharpe's Shooters Enjoy Winning Season

The Warriors had a season of many victories and few defeats this year. Unfortunately, one of these defeats was to meet them in the first game when they played the B.C. Cadets; The score was 38 to 41. The spirit of the Warriors was not dampened, however, for they were to meet Wayne County in their first Region game and win 59 to 40. With their dignity restored, the Warriors played hosts to the Groves Rebels and outwitted them by 83 to 48. Now with their new confidence, they went on to face the team from Statesboro. Putting them down was no job for the Warriors; the score was Jenkins — 71 Statesboro — 48.

Warriors Take Third Place in Christmas Tournament

Time came once again for the Warriors to participate in a Region game. This time they met Brunswick and added to their list of wins by defeating Brunswick 66-44.

With the Christmas Tournaments approaching the Warriors were taking no chances and smashed the Johnson Atomsmashers 74-67.

The Christmas Tourney pitted Jenkins against Beach and Savannah High. The scores for the tournament were 47-39 and 39-48 respectively, placing Jenkins third.

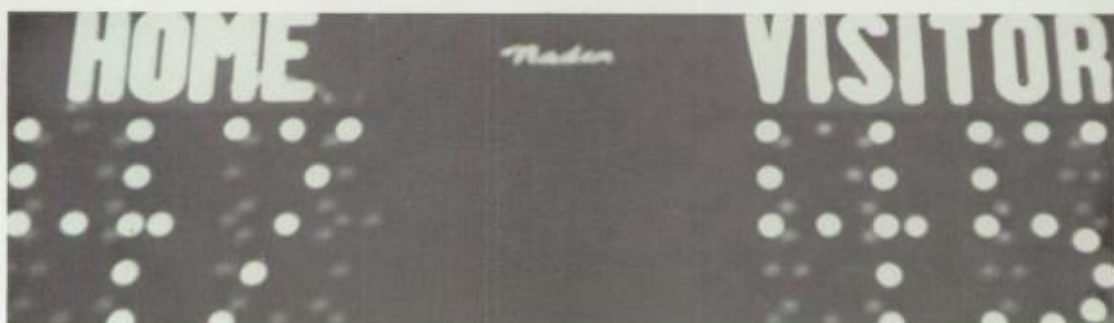

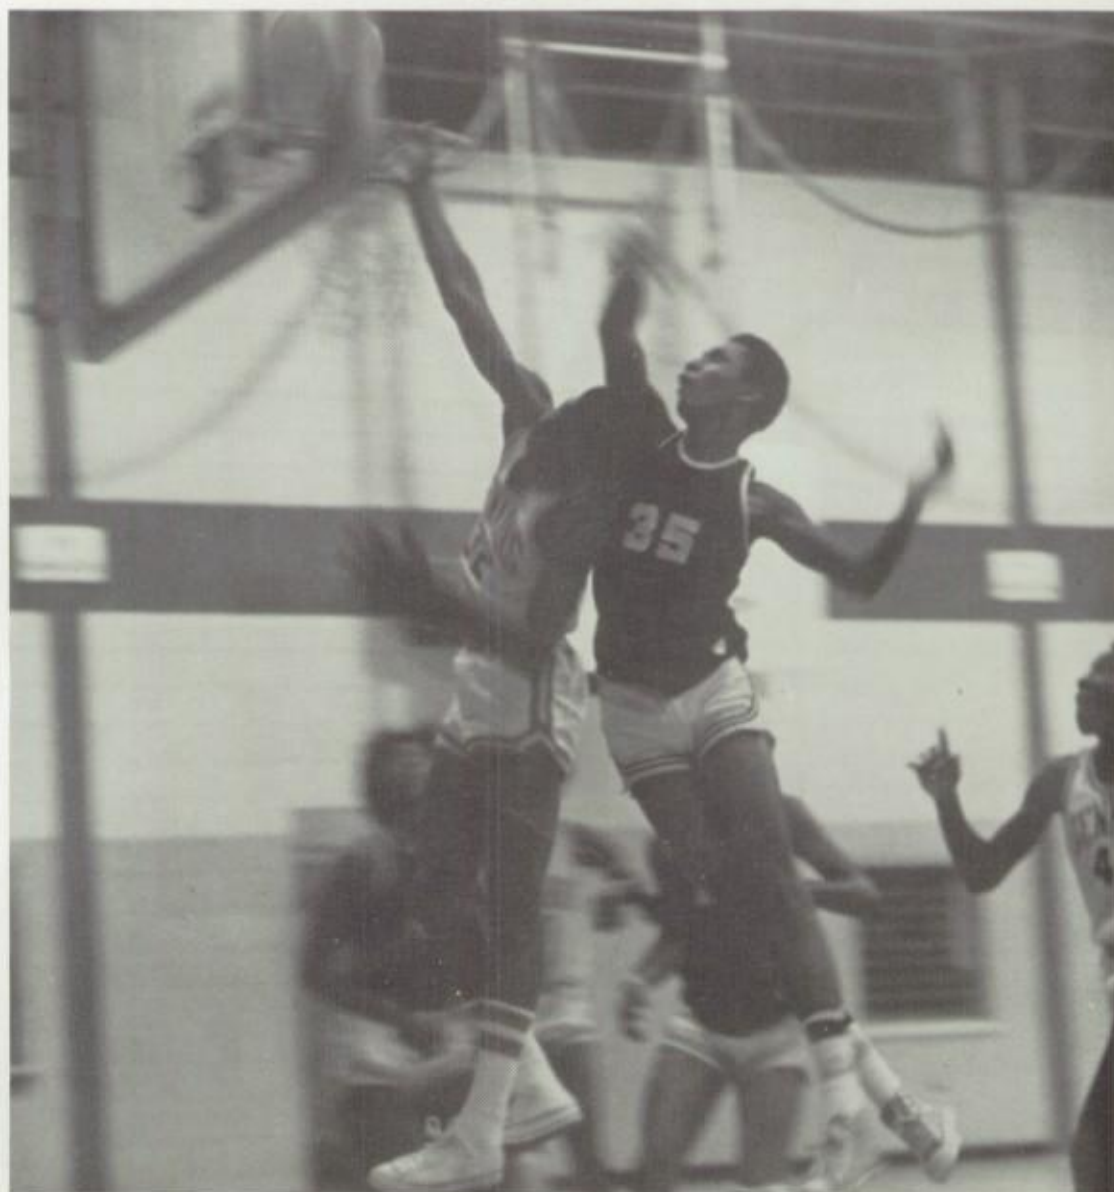

Our Warriors had a Happy New Year when they won the game against Windsor Forest 51-45.

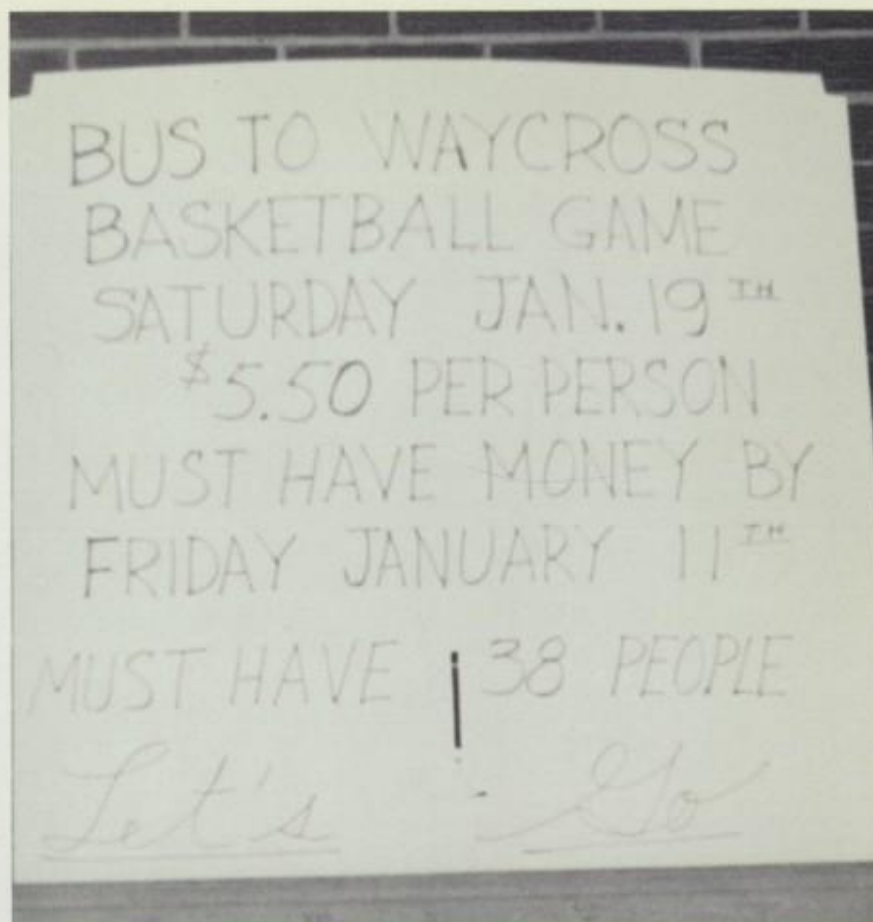

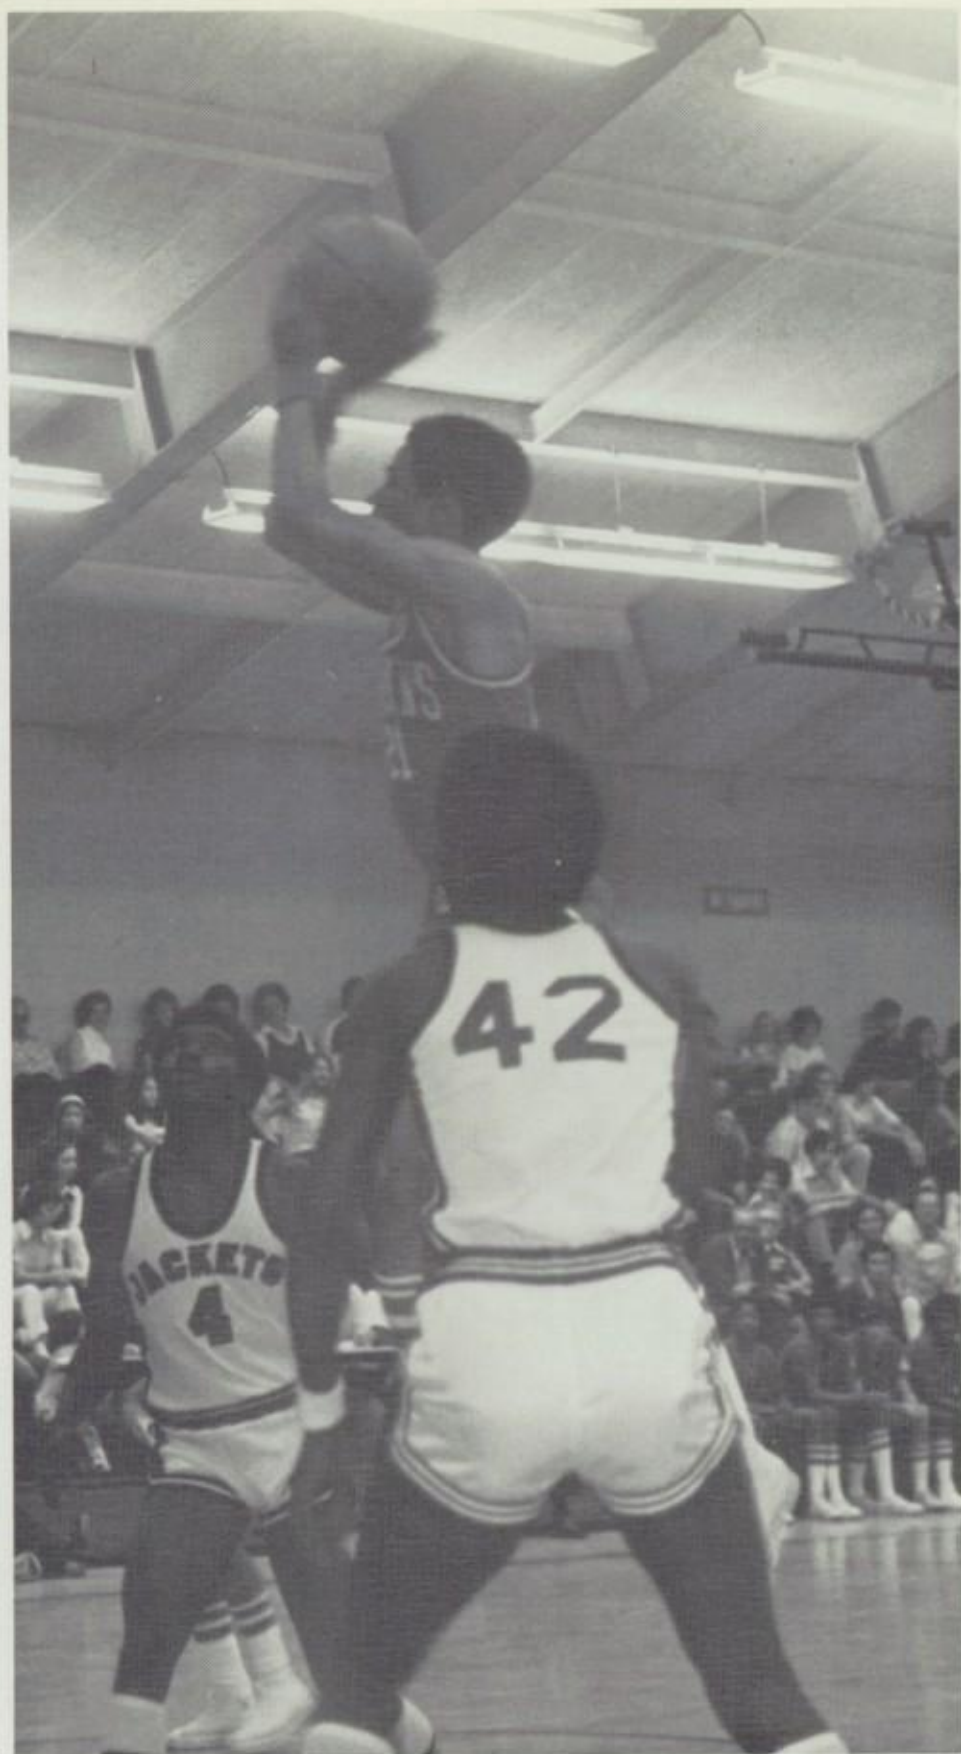

No Energy Crisis at HVJ!

The Warriors were away from their campus for the next three games. The first of these they played with Richard Arnold. Beating them proved to be easy; the score was 69-55. The other two games were played at the Civic Center. Jenkins defeated Beach with a score of 59-41, but the Savannah High Blue Jackets won over the mighty Warriors with 48-64.

Jenkins was then home again to face the B.C. Cadets. Remembering the first game lost to the Cadets, they were charged up and easily put them away at 62-46.

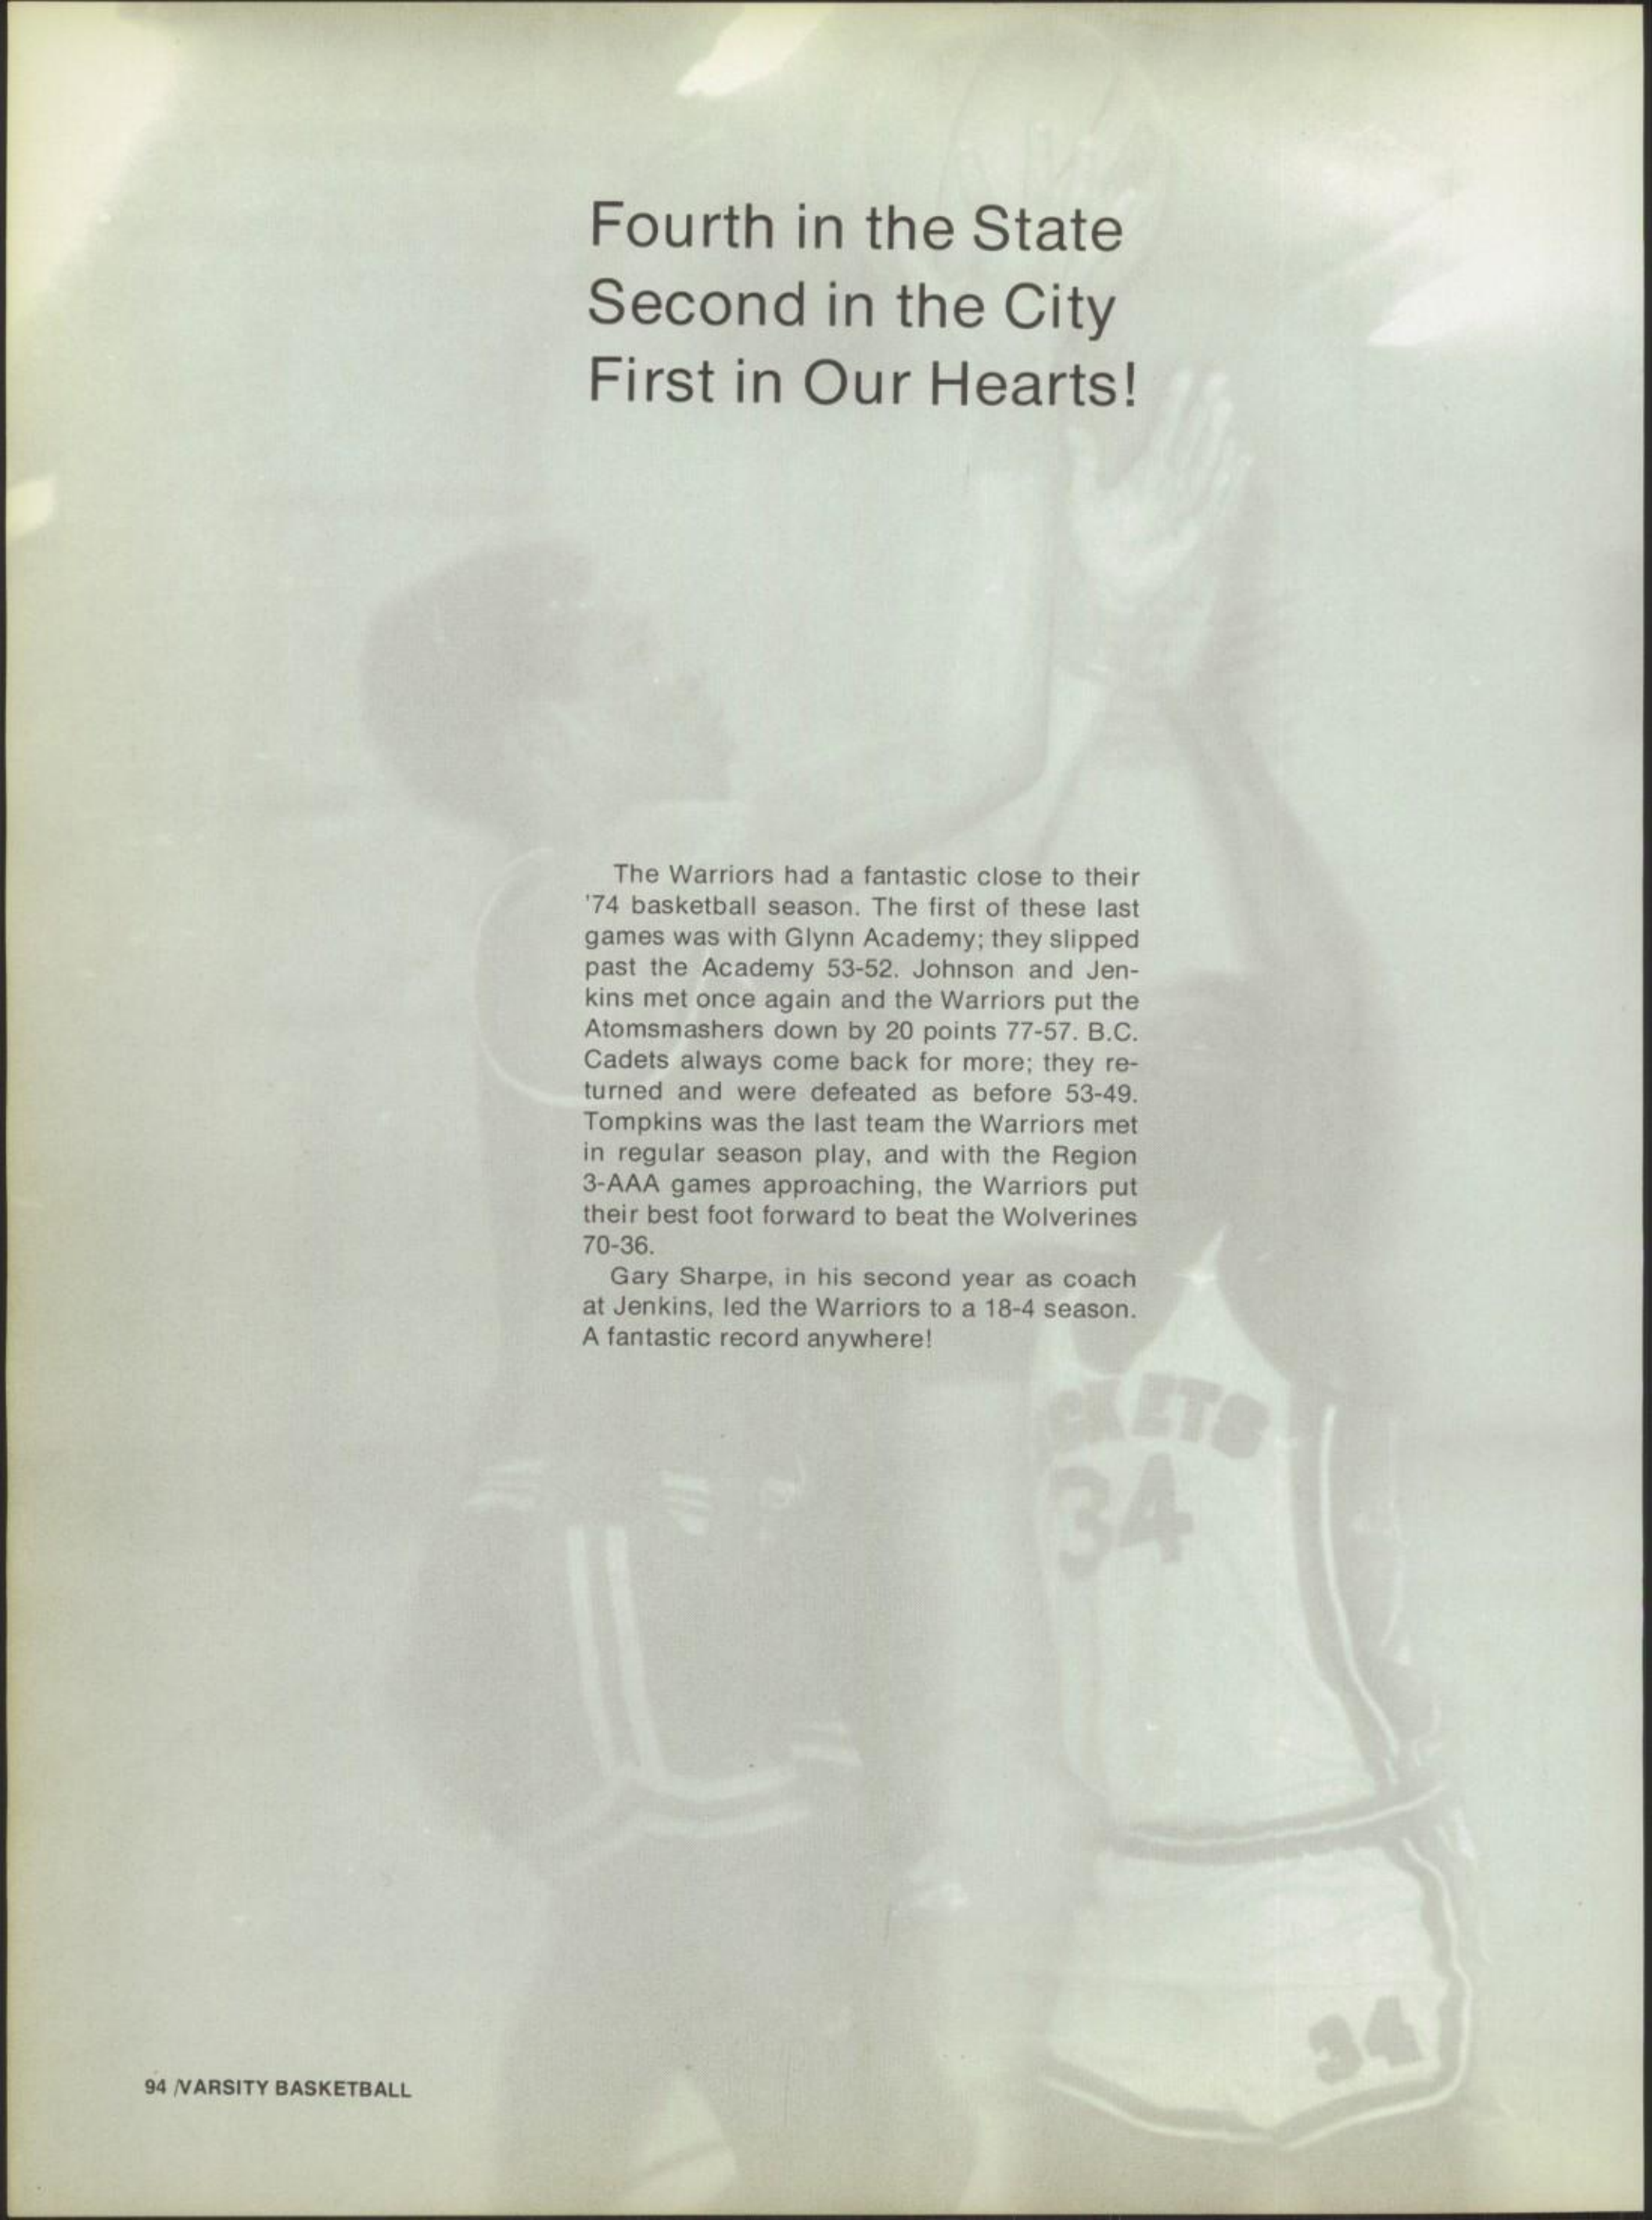

Spirits Hit Zenith During Region Games

It was traveling time again, and there was a long string of Region Games to be played. The Warriors won over their host, the Groves High Rebels, by a score of 66-36. Next on the Warriors' schedule was Waycross, but the Warriors let this one slip by with a score of 52-54. The Eagles of Richard Arnold met with a big loss when they played Jenkins with a score of 63-37. Savannah High proved too much for the Warriors once again; the score was 61-74. Windsor Forest was next and the Warriors took the edge over the Knights 68-57. The Warrior fans always turned out for the region games and, whatever the score, cheered the team on to an exciting game.

Fourth in the State Second in the City First in Our Hearts!

The Warriors had a fantastic close to their '74 basketball season. The first of these last games was with Glynn Academy; they slipped past the Academy 53-52. Johnson and Jenkins met once again and the Warriors put the Atomsmashers down by 20 points 77-57. B.C. Cadets always come back for more; they returned and were defeated as before 53-49. Tompkins was the last team the Warriors met in regular season play, and with the Region 3-AAA games approaching, the Warriors put their best foot forward to beat the Wolverines 70-36.

Gary Sharpe, in his second year as coach at Jenkins, led the Warriors to a 18-4 season. A fantastic record anywhere!

B-Team Basketball 1974

The Junior Varsity under the direction of Coach Dupree had a final average of victories any team would be proud of.

These spirited sophomores outshot the teams of Wayne Co., Statesboro, Beach, Windsor Forest, and Johnson, proving that they were proud and able to wear the Jenkins name. Accepting losses is not always easy; but even though the B-Team met their share, they accepted them with outstanding sportsmanship and the determination to improve the next time.

Cindy Morris in All Her Glory

A fever of preparation, excitement, involvement and apprehension filled the atmosphere at the H. V. J. Homecoming days on October 12-13.

The homecoming festivities began with a long parade of vehicles and energetic and enthusiastic students. Those on the sidewalks and those in their homes knew of the H. V. J. Homecoming because we made it perfectly clear. Chanting, blowing of horns and sirens, cheering and clapping filled the ears of all; in other words, our parade spelled success.

The score at the end of the game was not a winning one, but our loss was minimized by the Warriors' spirit, enthusiasm and pride. During the halftime mum petals covered the field once more. The queen and her court were announced, and they in themselves were worth coming home to. To the homecomers styles and fads may change, but beauty remains the same.

Though the expenses were low, the dance was quite enjoyable. The "Conservative Sound of Brass" was the band of the hour. The music was great, and the crowd responded accordingly. We surely let the good times roll. No matter if it's victory or defeat, we are still number 1.

MISS HOLIDAY BALL

Judy Scott

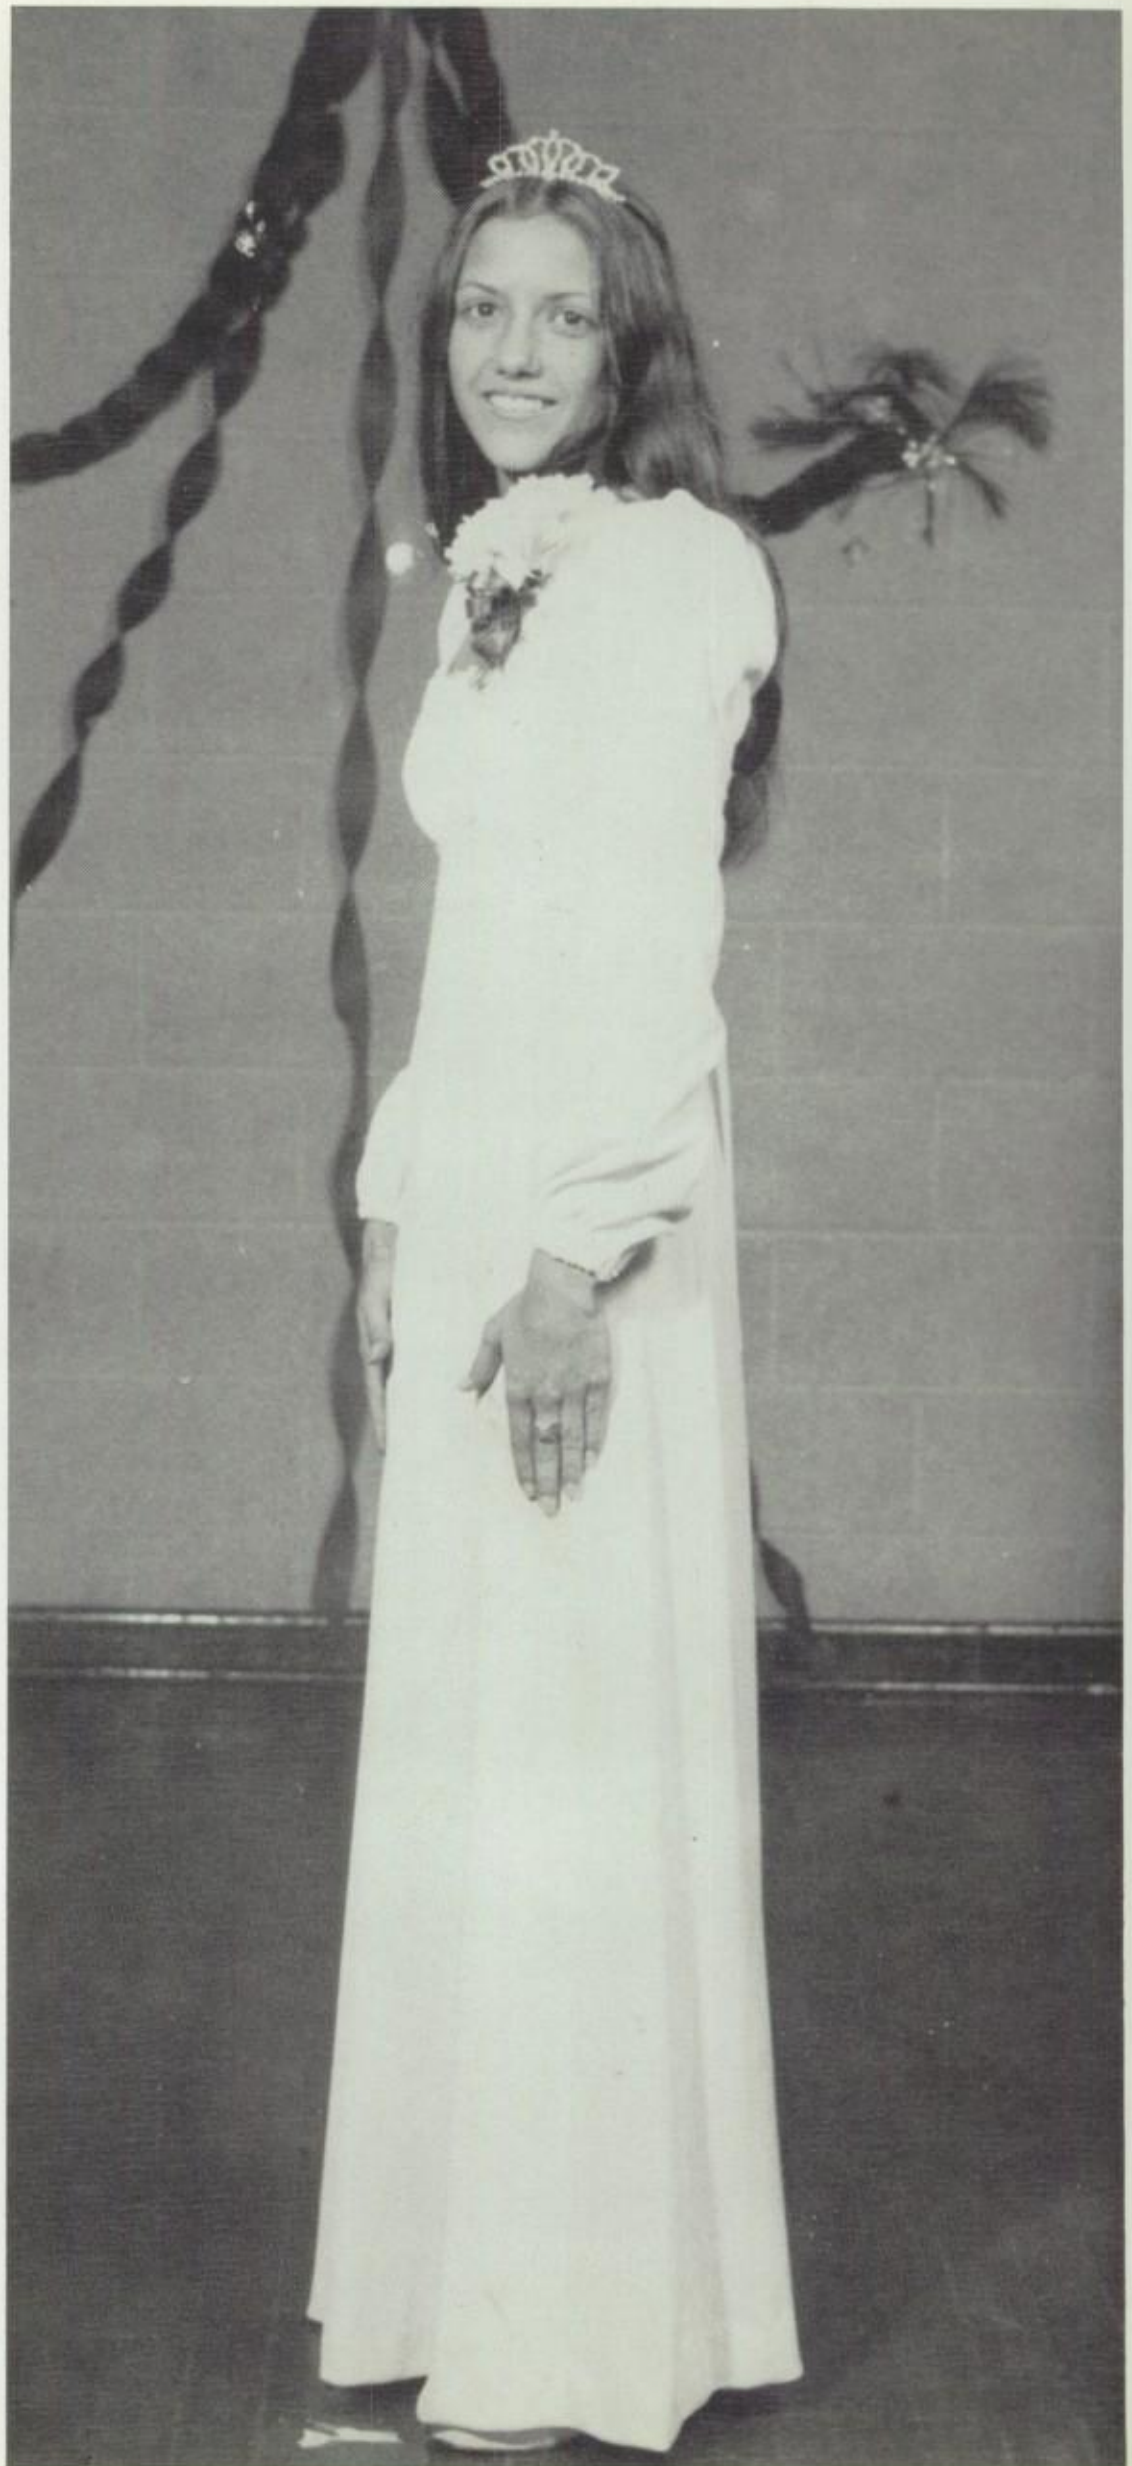

The Student Council again presented H. V. Jenkins students with a brilliant holiday ball. Flashin', it showed off that certain look that made the night a pleasant one all in itself.

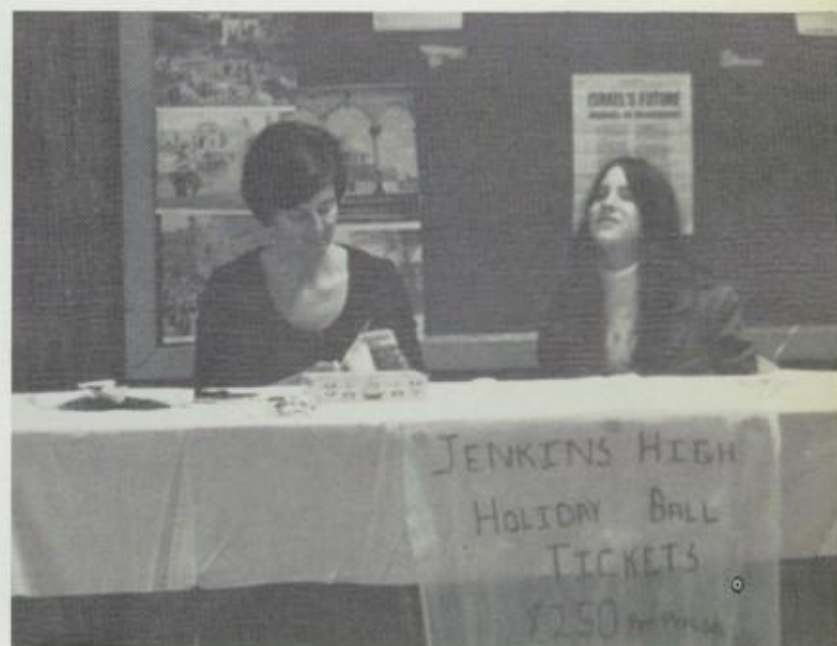

The Young Contemporary fashion was making its debut at the ballroom of the Jewish Educational Alliance. Gleam, sparkle, glitter or shimmer was the thing in the new fall fashion for evening wear. In the collection was a classic but with zing, emphasizing knits in solids, metallics, stripes and plaids.

The students came in sweet and sparkling, with the hope that the evening would last forever.

Awaiting the highlight of the evening, people strolled in finding that the music by the Versatones was powerful and moving.

Finally, the highlight of the evening was at hand. It was time to enlighten our faithful followers about their new Holiday Ball Queen and her court: Judy Scott was chosen H. V. Jenkins Holiday Ball Queen for 1973-1974; her court included Holly Harris, Debra Johnson, Cynthia Jones and Debbie Woo.

IN GRATEFUL MEMORY
OF
HERSCHEL V. JENKINS
1960

H. V. Jenkins has over twenty organizations which are vital to the school and community.

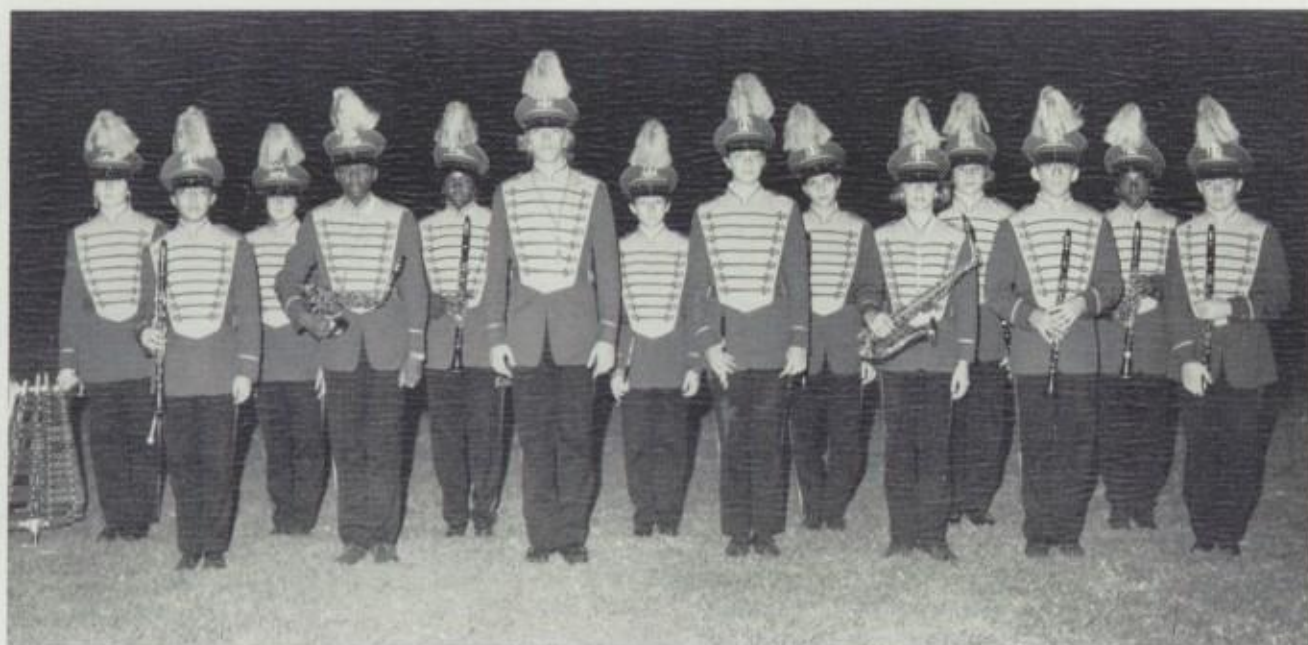

Each year they strive to make Jenkins the school that it has the potential to be.

There is a club to interest each student. There are clubs in the fields of religion, business, foreign languages, homemaking, journalism, social relations, environmental studies, and future careers. Other organizations include the marching Warrior band, cheering squads, majorettes, and athletic associations.

HVJ has become well noted for such wonderful organizations, which will in the future be even better.

RECORDS

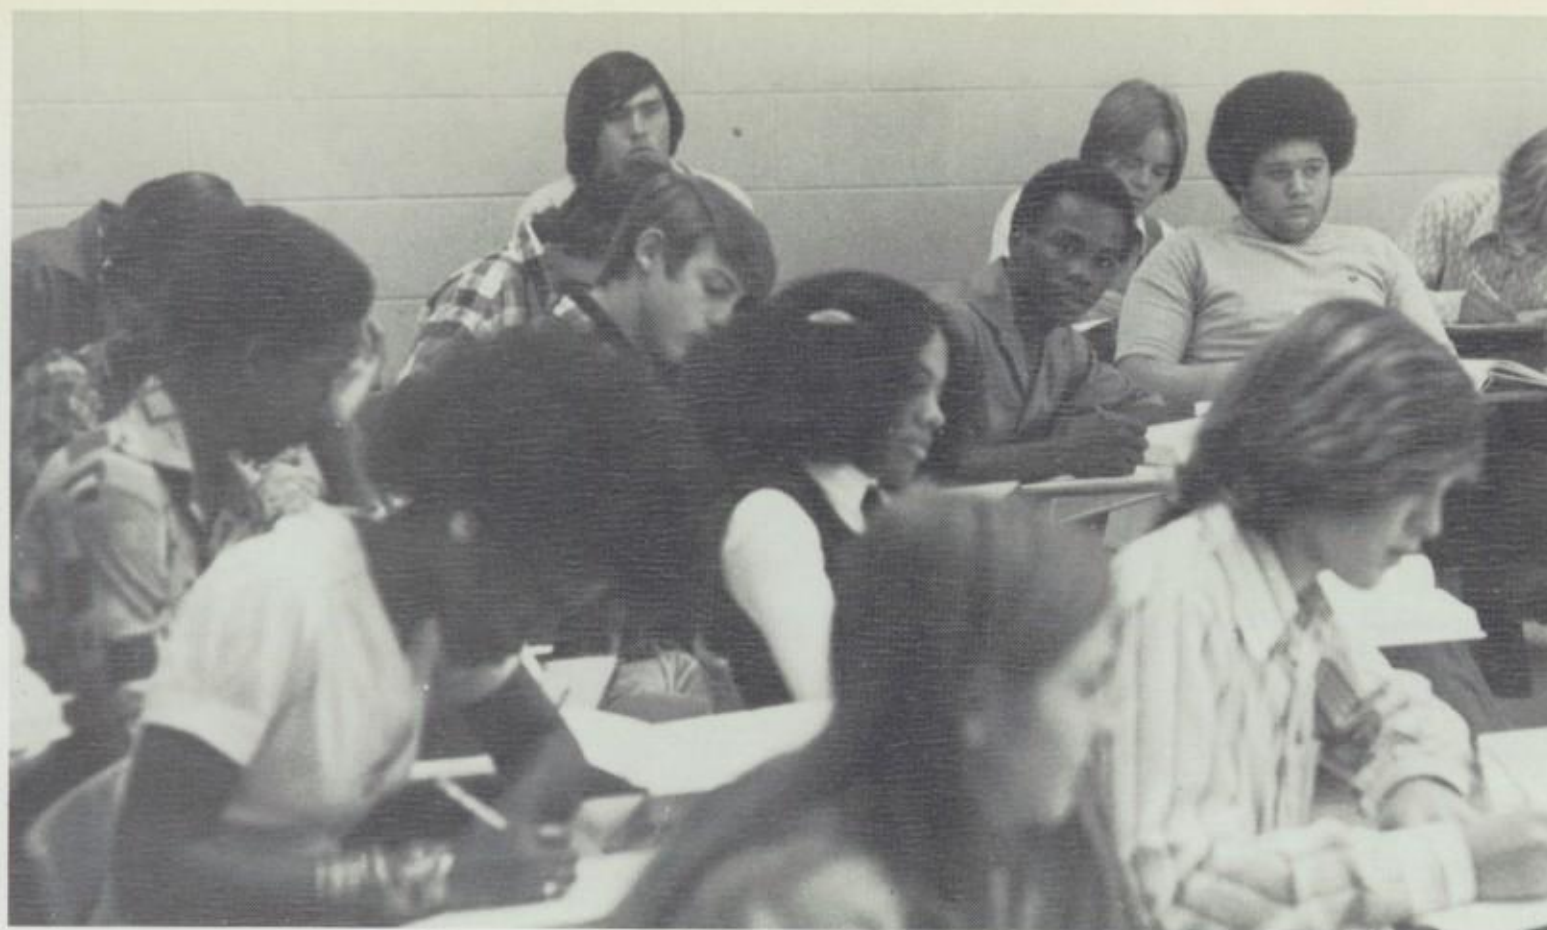

The main purpose of the Record Section is to identify. It is the most important part of the yearbook because it contains the names and faces of those who made up this year's fantastic Warrior tribe.

It also shows our many patrons and advertisers, who helped tremendously in bringing about a successful yearbook. Each advertisement shows that our community is concerned about our development, and we should show our appreciation by patronizing the many advertisers.

Annual Staff Comes on Strong!

Upper left: Kathi Wood tries to type with no errors. **Upper right:** Miriam Pelote, Features and Clubs Editor, gives a warm smile for the photographer. **Above:** Cynthia Jones, Academics Editor, begins cropping pictures for the infirmary page. **Right:** James Carr, Editor-in-chief, adds the final touch to layouts before sending them to print.

Upper Left: Joan Dickerson, Administration Editor, and Nancy Weinbrecht take time from a busy schedule to have fun. Upper Right: Debra Ash files sophomores and juniors in alphabetical order for later typing. Above: Billy Ogletree getting the business section together for print. Left: David Mims tries to decide what picture he should use for history page.

Staff Makes 16th Annual a Reality

Upper: First row (left to right) Mrs. Amari, Kathi Woods, Miriam Pelote, Nancy Weinbrecht, David Mims. Second Row: Mrs. Friedenberg, James Carr, Betsy Bull, Cynthia Jones, Billy Ogletree, Joan Dickerson. **Above Left:** Mrs. Friedenberg, advisor, showing us her affection for Sam. **Above right:** Mrs. Amari, co-advisor, gives a little philosophy.

Annual Staff Helpers

During the past glorious school year, the staff here at H. V. Jenkins has tried to record all the events that happened here in pictures, words, and design.

This book, to us (the annual staff), is more than records, groups, teams, scores, and mugs; it is an all-school publication. "Together we stand, divided we fall" is our motto.

The annual staff is a family made up of Editor-in-chief, Administration Editor, Academics Editor, Sports Editor, Features and Clubs Editor, Business Manager, their assistants, and all the non-staff helpers. All work very hard in putting out a book that is worth every penny that is spent in it, on it, and for it.

Each annual staff member strived desperately to meet each deadline; with the help of the Editor, we made it!

Upper: Esther Perkins, one of the annual staff helpers. **Above:** First Row (Left to Right) Robin Davis, Michelle Creech, Patty Taylor, Sue Lowe, Ann Warren. Second Row: Jan Leaf, Dawn Ford, Mary Terry, Phyllis Feidls, and Deborah Parrish.

"We've reached another milestone in our lives."

As editor of the '74 Sequoyah, I would like to take this time to express my many thanks.

First, I would like to thank the individuals on the annual staff who did their very best to make this edition successful. Many thanks to the students who helped sell ads and yearbooks.

A great deal of appreciation goes to Bryn-Alan Studio, who did a marvelous job in taking classes and clubs pictures and developing all of our films. Thanks to Mr. Hunter Leaf, who took pictures for us when we were unable to make it at a few of our basketball games and other happenings.

A sincere thanks goes to Mr. Earl McDermott, our representative from Keys, who always gave me encouragement and help when it was needed. And to Mr. Morris Kenig and those wonderful people at Keys Publishing Co., who did a great job in publishing our yearbook. Thanks!

I was very lucky in having three right hands, my own and my advisors' — Mrs. Pearl Friedenberg and Mrs. Josephine Amari. Without them, things would have been mighty rough. Thanks a million!!!

Last, I would like to thank the many patrons, advertisers, and the many people who bought annuals this year. Without you, it would have been impossible to publish a yearbook.

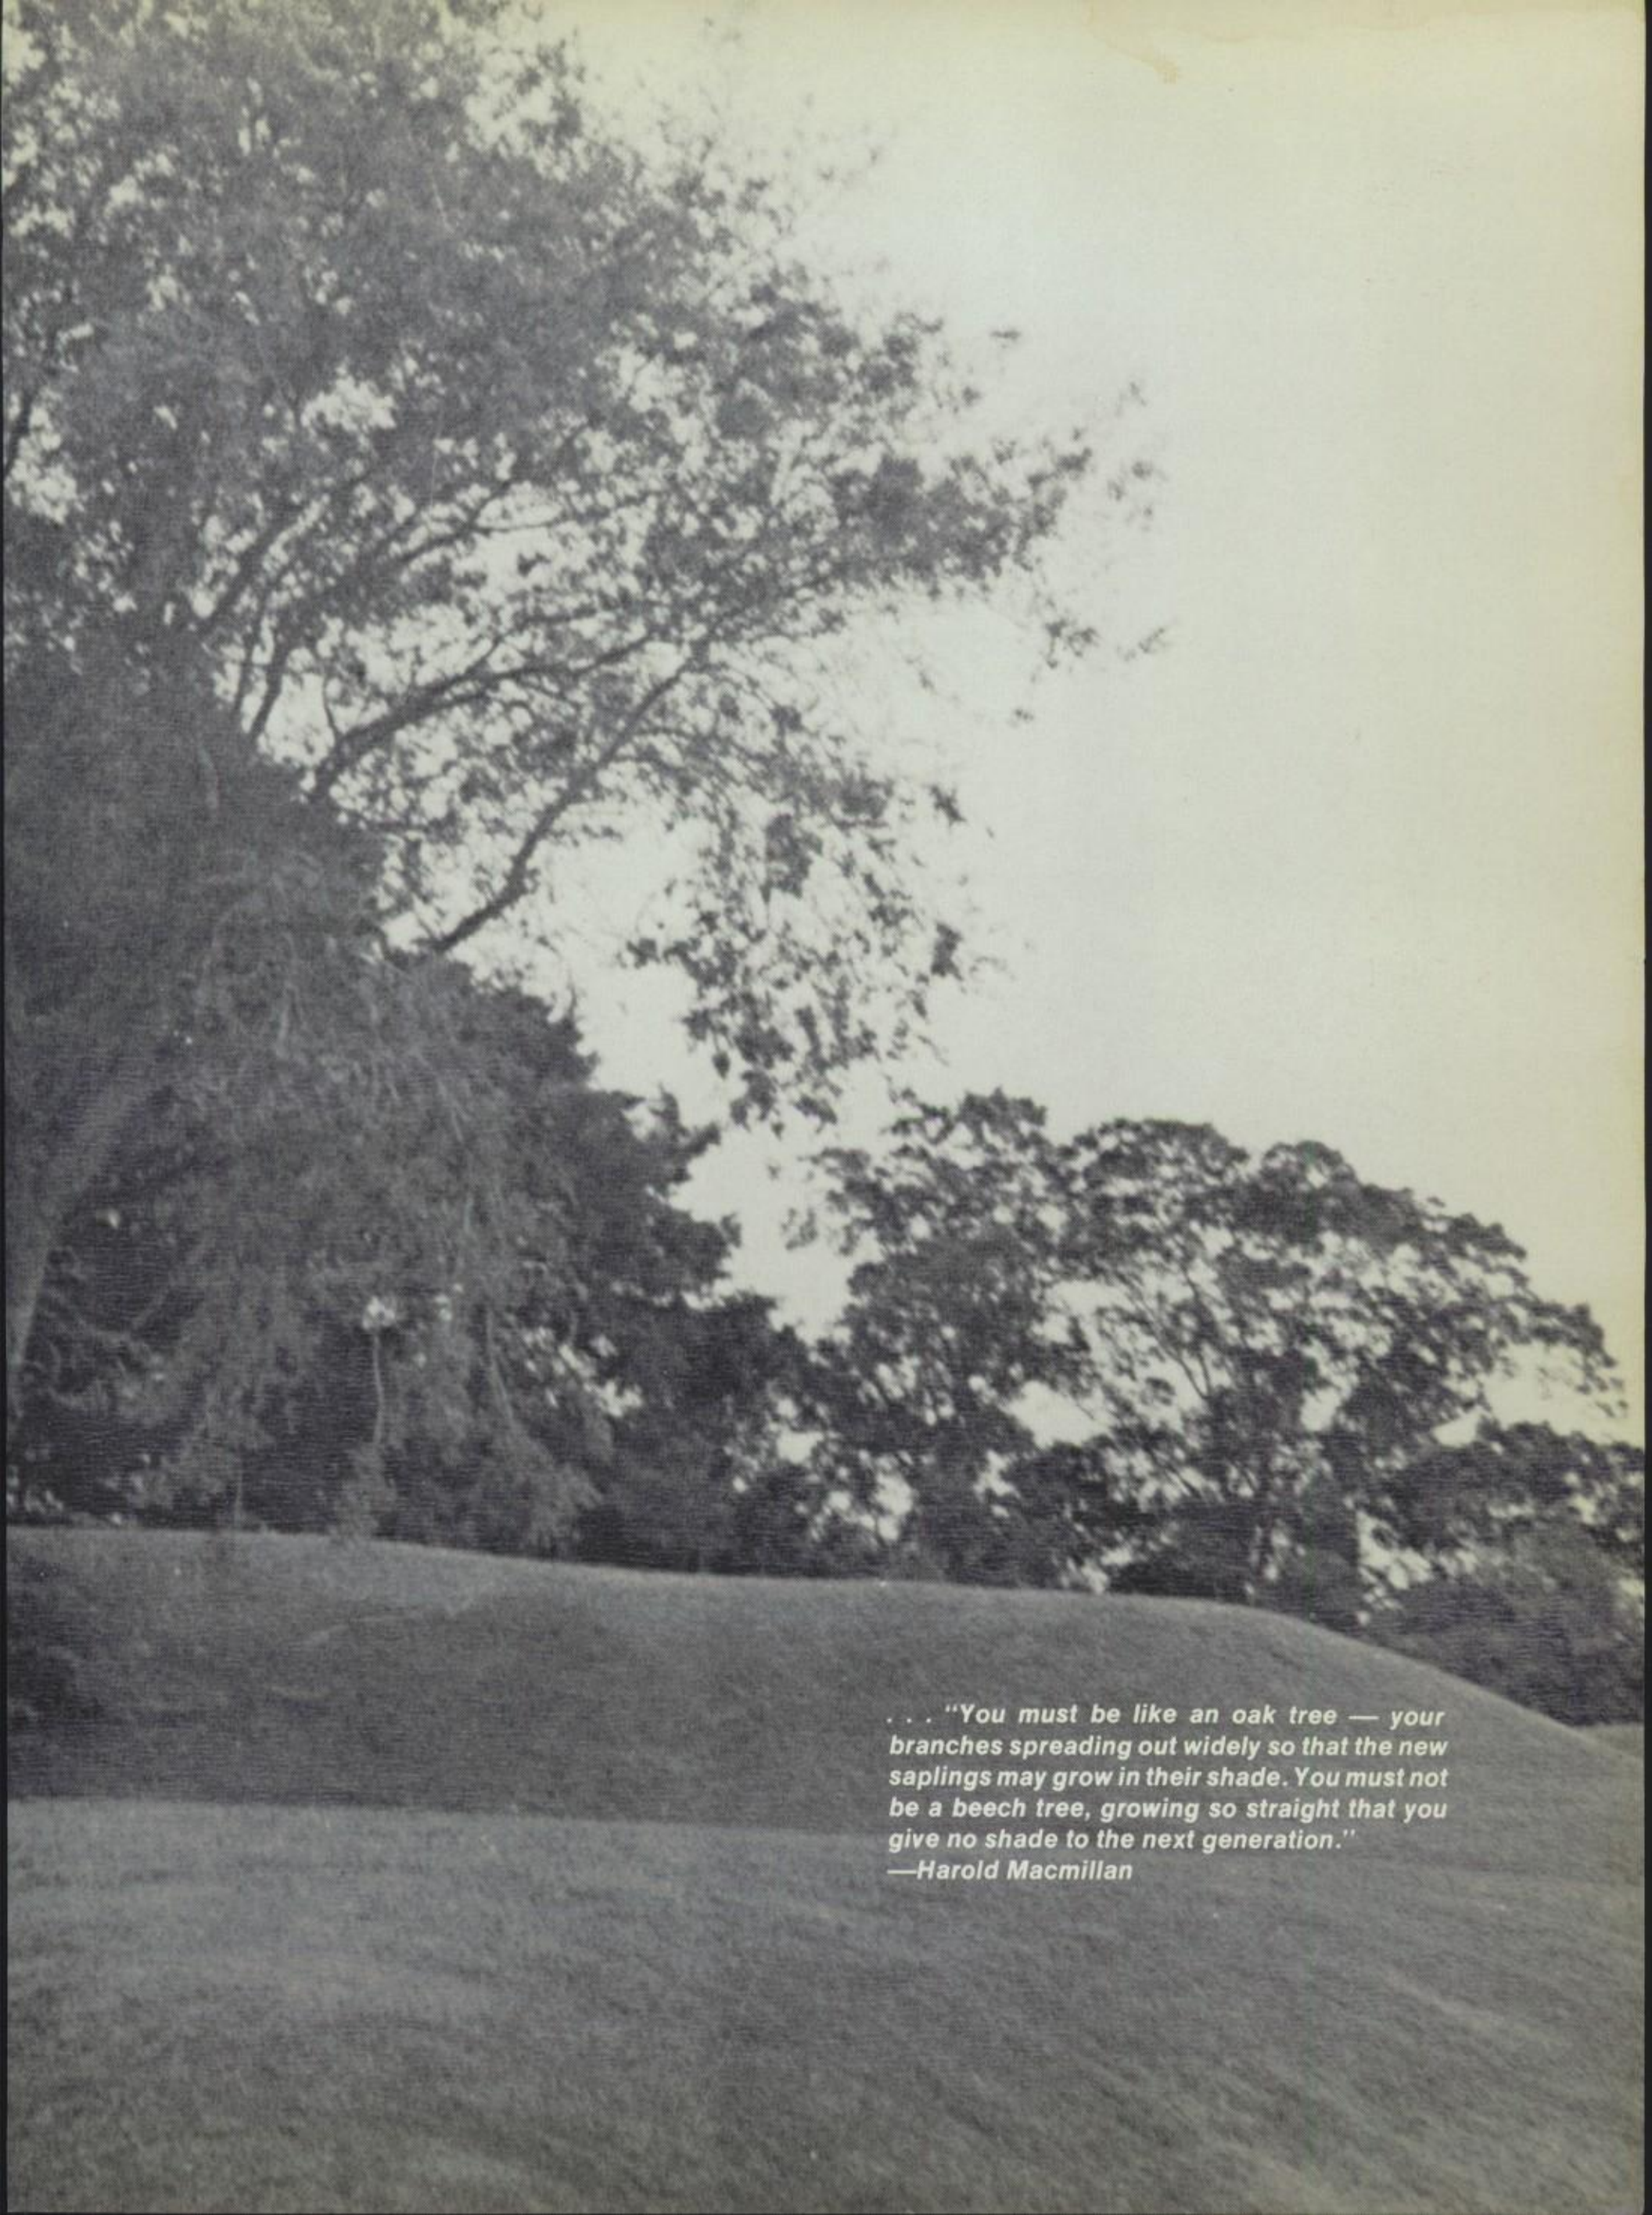

As time passes, I will always have sweet memories and undying love for HVJ.

And to the seniors of '74 — may success be yours always.

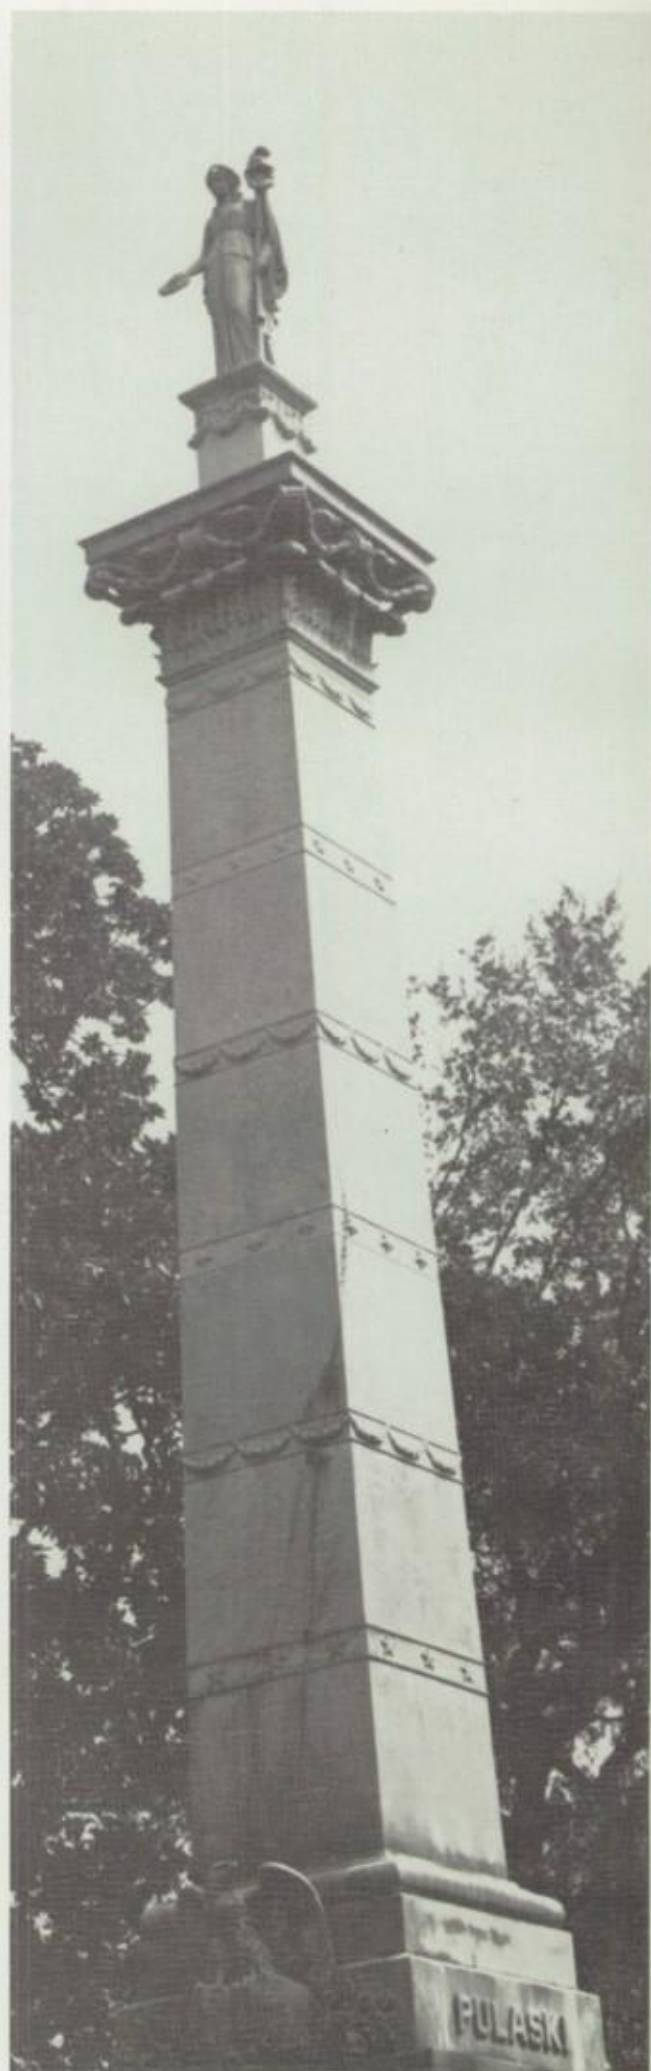

James A. Carr

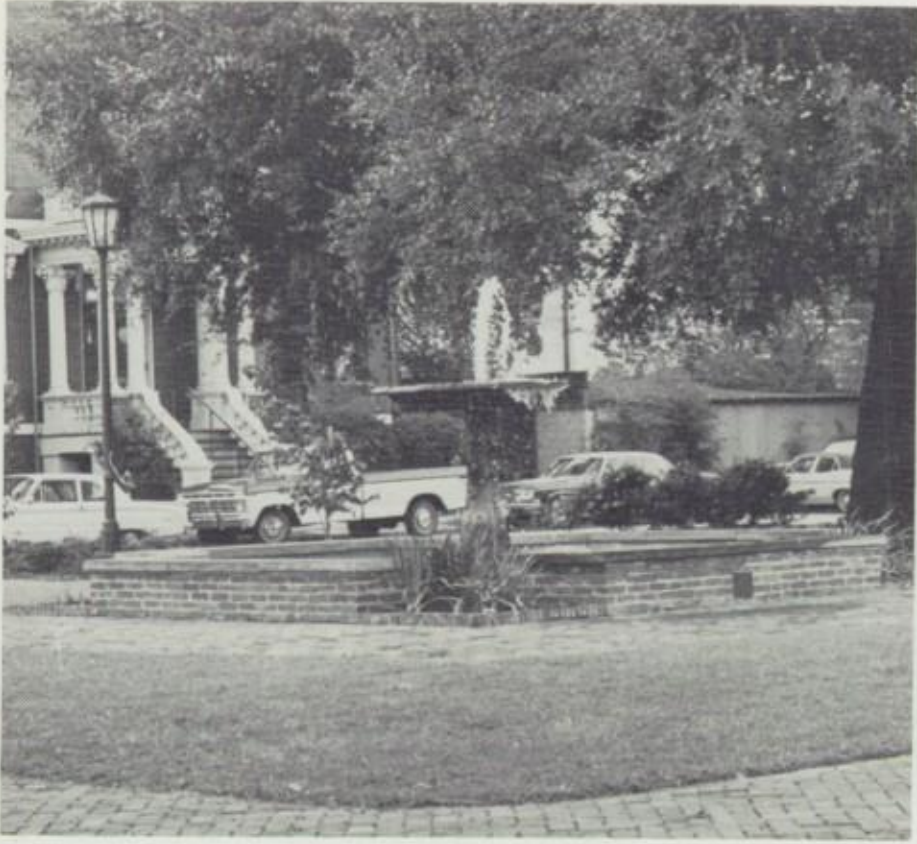

. . . "You must be like an oak tree — your branches spreading out widely so that the new saplings may grow in their shade. You must not be a beech tree, growing so straight that you give no shade to the next generation."
—Harold Macmillan
